

U.S. Department of Labor Health Benefits Education Campaign
in coordination with the
Arizona Department of Insurance

Health Benefits Laws Compliance Assistance Seminar April 19-20, 2016

Why should you attend this seminar?

If you are an employer who is trying to comply with federal and Arizona state laws regarding your health plan, this is your chance to talk to both federal and Arizona state regulators at the same time, in the same place. If you are a third party administrator or a carrier who has questions about new laws and issues, this is your opportunity to ask the experts.

The U.S. Department of Labor is teaming up with the Arizona Department of Insurance to bring you practical information, helpful tips, and clarification regarding Arizona and federal health benefits laws. In addition to the U.S. Department of Labor and the Arizona Department of Insurance, representatives from the U.S. Department of the Treasury and the U.S. Department of Health and Human Services will join us.
