

U.S. Department of Labor Health Benefits Education Campaign  
in coordination with the  
Kansas Insurance Department

**Health Benefits Laws Compliance Assistance Seminar**  
**June 7-8, 2016**

**Why should you attend this seminar?**

If you are an employer who is trying to comply with federal and Kansas state laws regarding your health plan, this is your chance to talk to both federal and Kansas state regulators at the same time, in the same place. If you are a third party administrator or a carrier who has questions about new laws and issues, this is your opportunity to ask the experts.

The U.S. Department of Labor is teaming up with the Kansas Insurance Department to bring you practical information, helpful tips, and clarification regarding Kansas and federal health benefits laws. In addition to the U.S. Department of Labor and the Kansas Insurance Department, representatives from the U.S. Department of the Treasury and the U.S. Department of Health and Human Services will join us.
