

U.S. Department of Labor Health Benefits Education Campaign
in coordination with the
Maine Bureau of Insurance

Health Benefits Laws Compliance Assistance Seminar April 5-6, 2016

Why should you attend this seminar?

If you are an employer who is trying to comply with federal and Maine state laws regarding your health plan, this is your chance to talk to both federal and Maine state regulators at the same time, in the same place. If you are a third party administrator or a carrier who has questions about new laws and issues, this is your opportunity to ask the experts.

The U.S. Department of Labor is teaming up with the Maine Bureau of Insurance to bring you practical information, helpful tips, and clarification regarding Maine and federal health benefits laws. In addition to the U.S. Department of Labor and the Maine Bureau of Insurance, a representative from the U.S. Department of the Treasury will join us.
