

U.S. Department of Labor Health Benefits Education Campaign
in coordination with the
Mississippi Insurance Department

Health Benefits Laws Compliance Assistance Seminar May 11-12, 2016

Why should you attend this seminar?

If you are an employer who is trying to comply with federal and Mississippi state laws regarding your health plan, this is your chance to talk to both federal and Mississippi state regulators at the same time, in the same place. If you are a third party administrator or a carrier who has questions about new laws and issues, this is your opportunity to ask the experts.

The U.S. Department of Labor is teaming up with the Mississippi Insurance Department to bring you practical information, helpful tips, and clarification regarding Mississippi and federal health benefits laws. In addition to the U.S. Department of Labor and the Mississippi Insurance Department, representatives from the U.S. Department of the Treasury and the U.S. Department of Health and Human Services will join us.
