U.S. Department of Labor Health Benefits Education Campaign
in coordination with the
Illinois Department of Insurance

Health Benefits Laws Compliance Assistance Seminar Rescheduled Date: August 23-24, 2016

Why should you attend this seminar?

If you are an employer who is trying to comply with federal and Illinois state laws regarding your health plan, this is your chance to talk to both federal and Illinois state regulators at the same time, in the same place. If you are a third party administrator or a carrier who has questions about new laws and issues, this is your opportunity to ask the experts.

The U.S. Department of Labor is teaming up with the Illinois Department of Insurance to bring you practical information, helpful tips, and clarification regarding Illinois and federal health benefits laws. In addition to the U.S. Department of Labor and the Illinois Department of Insurance, representatives from the U.S. Department of the Treasury and the U.S. Department of Health and Human Services will join us.

This seminar is FREE and open to the public.
