

United States Department of Labor Employee Benefits Security Administration Health Benefits Coverage under Federal Law Workshop

The Department of Labor is holding this workshop to help you comply with federal laws regarding your health plan and answer your questions about new laws and issues. We recognize that understanding and complying with DOL regulations can be challenging especially for small and medium sized employers with limited time, resources and/or access to professional assistance. This workshop will provide practical information, helpful tips and clarification regarding federal health benefits laws.

EBSA is offering a free workshop in Boston where we will discuss:

- HIPAA portability rules
- Mental Health Parity
- The Genetic Information Nondisclosure Act
- The Newborns' and Mothers' Health Protection Act
- The Women's Health and Cancer Rights Act, and
- The Patient Protection and Affordable Care Act

A [compliance assistance guide](#) will be provided to all attendees, along with a discussion of the various laws that impact these health benefits. Employers who sponsor a health plan for their employees, as well as health plan service providers, are welcome to attend.

Attendees must bring a valid picture ID and be processed through the federal building visitor entrance.
