

UNITED STATES DEPARTMENT OF LABOR EMPLOYEE BENEFITS SECURITY ADMINISTRATION TAKING THE MYSTERY OUT OF RETIREMENT PLANNING WORKSHOP

For many Americans, planning for retirement is a mystery. Join the U.S. Department of Labor for a workshop that will help you unravel the mystery and reach your retirement goals.

The workshop, designed for people who are 10 to 15 years from retirement, offers a simplified, bottom-line approach to figuring out how much you need to save and how to make your money last over a possibly long retirement.

You'll learn how to track down and understand:

- your savings, 401(k) plans, home equity, and other assets
- your Social Security benefit - and how to decide when to start drawing benefits
- your spending and expenses now and in retirement
- filling the gap in your retirement savings

A Social Security Administration representative who will discuss Social Security retirement benefits will join the U.S. Department of Labor's Employee Benefit Security Administration. A representative of the Centers for Medicare and Medicaid Services will participate to discuss Medicare.
