Issued October 24, 2000*

DECISION and ORDER

Before DAVID S. GERSON, MICHAEL E. GROOM,

The issue is whether appellant has established that he sustained an emotional or cardiac condition causally related to compensable factors of his federal employment.

The Board has given careful consideration to the issue involved, the contentions of the parties on appeal and the entire case record. The Board finds that the June 15, 1999 decision of the Office of Workers' Compensation Programs' hearing representative is in accordance with the facts and the law in this case and hereby adopts the findings and conclusions of the hearing representative.

The decision of the Office of Workers' Compensation Programs dated June 15, 1999 is hereby affirmed.
