

Office of the Ombudsman for EEOICPA

U.S. Department of Labor's Office of the Ombudsman for EEOICPA to provide outreach for nuclear weapons workers in Ashtabula, OH

Washington – The U.S. Department of Labor's Office for the Ombudsman for the Energy Employees Occupational Illness Compensation Program Act (EEOICPA) will provide information about the benefits of this program.

This outreach meeting will present information about the benefits available under this Federal workers compensation program for current and former nuclear weapons workers or their survivors. Staff members from the Department of Labor's (DOL) Cleveland District Office and the New York Resource Center will be available to assist individuals with filing claims and providing updates on existing claims. Representatives from the National Institute for Occupational Safety and Health (NIOSH), Department of Energy's Former Worker Medical Screening Program, and the Office of the Ombudsman will also be available for assistance.

Attendance at the meeting is voluntary. The meeting are open to the public and there is no pre-registration requirement. For questions or additional information, please call 877-662-8363 toll free or email the Ombudsman office at ombudsman@dol.gov.
