Employing People with Disabilities...

- **Stimulates** new product and service development through innovation
- **Brings unique skills**, perspectives and creativity to develop business solutions
- **Attracts a wider customer base** and increases your bottom line

EARN Helps Employers Realize These Benefits Through:

Recruitment Assistance

- **Promote** your employment opportunities through a nationwide network of more than 6,200 employment service providers with access to skilled, qualified job seekers with disabilities including disabled veterans
- **Gain access** to the Workforce Recruitment Program (WRP), a database of nearly 2,000 pre-screened, qualified college and university students and recent graduates with disabilities seeking summer or permanent employment

Education and Training

- **Learn how people with disabilities** add value across all aspects of your business
- **Obtain guidance** on communicating with and about people with disabilities in the workplace
- **Understand** effective management policies and practices that can benefit your business
- **Find out** about tax benefits and incentives for employing people with disabilities

Compliance Assistance

- **Receive assistance** in understanding your legal employment requirements
- **Access tools** to help ensure your Web site is accessible to people with disabilities
