

## **RENEWAL ALLIANCE AGREEMENT**

**BETWEEN**

**THE OFFICE OF DISABILITY EMPLOYMENT POLICY**

**U.S. DEPARTMENT OF LABOR**

**AND**

**THE NATIONAL ASSOCIATION OF GOVERNORS'  
COMMITTEES ON PEOPLE WITH DISABILITIES (NAGC)**

The Office of Disability Employment Policy (ODEP) and the National Association of Governors' Committees on People with Disabilities hereby renew the Alliance agreement signed on September 12, 2008 (attached). ODEP and NAGC continue to recognize the value of collaborative efforts to advance the employment opportunities of people with disabilities. ODEP and NAGC remain committed to cooperative and proactive efforts to advance workplace disability practices.

ODEP's Alliances provide parties an opportunity to participate in a voluntary cooperative relationship with ODEP for purposes such as training and education, outreach and communication and promoting a national dialogue on the recruitment, hiring, advancing and retaining workers with disabilities. These Alliances have proved to be valuable tools for both ODEP and its Alliance participants. By entering into an Alliance with a party, ODEP is not endorsing any of that party's products or services; nor does the Agency enter into an Alliance with the purpose of promoting a particular party's products or services.

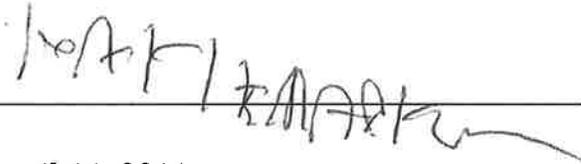

In addition, the implementation team will continue to meet on a regular schedule to track and share information on activities and results in achieving the goals of the Alliance.

All the provisions of the attached agreement remain the same except for the provision on page 3 regarding the duration of the agreement, which is revised as follows:

This agreement will remain in effect for two years from the date of signing and may be renewed annually thereafter upon mutual written agreement of the parties.
