Partners Continuing Care

The Journey

Partners Continuing Care Mission and Vision

Mission

Partners Continuing Care is committed to delivering compassionate care across the health care continuum **to improve quality of life** for persons recovering from or learning to live fully with illness, injury and disability.

Vision

Partners Continuing Care will be **the** nationally recognized leader in research and education achieving exceptional patient outcomes and known for delivering a broad range of innovative and integrated health care solutions. We will exercise leadership to shape health policy and **to advocate for our patients, their families and our staff.**

Working Partners Program Outline

Success Story: Project Search

- Program provides real-life work experience to help youth with significant disabilities make successful transitions from school to adult life
- Existing partnerships with Project Search at Spaulding locations in Boston, Cambridge and Cape Cod
- Partnerships with Mass Commission for the Blind, Perkins School for the Blind and Community Work Services

“Give me a job and you instantly get me involved . If you give me a job then the rest of the stuff will get solved. Put me to work, you would think that by now I'm allowed. I'll do you proud.”

-A Chorus Line

Lyrics by Edward Kleban

Music by Marvin Hamlisch
