

## WRP Timeline

- Recruiters are trained and schools are registered from April through July.
- During the fall semester recruiters:
  - Visit 3-5 schools each during a one-week recruiting trip.
  - Interview students on campus.
  - Enter data on the students into the WRP database.
- The WRP database is made available online to federal employers in mid-December at [wrp.gov](http://wrp.gov).
- Federal employers can contact students in the database at any time regarding summer jobs, permanent jobs, or other kinds of employment opportunities available at their agencies.
