ARTICLE XI
EMPLOYMENT CONDITIONS

SECTION 1: NEW EMPLOYEES

New employees shall be considered probationary for the first seventy (70) working days during which time they shall be given every reasonable opportunity to develop into useful and productive employees but shall be considered employees at will. Thereafter, they shall be considered regular employees for the duration of their appointment. However, an employee shall not be considered to have tenure until the employee has served three full consecutive years in the district and has been re-appointed for a fourth year. All new employees covered by this Agreement shall be issued a current copy of this Agreement by the Board. Nothing in this Agreement shall be construed to grant a probationary employee a right to continued employment during the employee's probationary period or to grant an annual contract (non-tenured) employee a right to reappointment.

SECTION 2: TRANSFERS

A. When a vacancy occurs and is to be filled with an employee from within the Work Center, the Association shall be notified at least seven (7) days prior to the filling of any vacancy. The notice shall also be provided to the building representative for VESA. The notification will include:

1. The Work Center
2. The position(s) being vacated
3. The name of the employee filling each vacancy and that employee's former position

Employees are encouraged to provide the supervisor with up-to-date resumes and cover letters if they wish to be considered for vacant positions at the work center in the future. An employee’s desire for advancement and improvement in training and skills may be appropriately discussed at the employee’s evaluation conference. Cross training at the worksite, within the classification system, is encouraged.

When a vacancy occurs that is not to be filled with an employee from that Work Center, the Board agrees to post in all Work Centers a vacancy announcement. The announcement will specify required qualifications and specific competencies needed for the position, the salary range, the procedure for interviews, whether a temporary or permanent position, and deadline dates for application. Candidates shall have at least five (5) days in which to apply, in writing, after the date of issuance of the announcement.

B. Filling Vacancies

1. An employee seeking a transfer to a vacant position shall apply for the position to the Personnel Services Division. A list of such applicants shall be forwarded to the Worksite Administrator for consideration. The Board shall endeavor to fill vacancies with qualified applicants currently employed by the Board. Before new personnel are hired for vacant positions, employees with the greatest seniority who have requested transfer to such positions shall be given foremost consideration provided such employees have equal or better ability to satisfactorily perform the work in question as determined by the Worksite Administrator. Upon transfer within the same classification, the employee shall remain at the same step in the salary schedule. In any promotion, the employee shall be assured of no loss of steps.
2. Mandatory transfers may be made by the employer in cases of: (a) reduction of staff; (b) implementation of racially balanced staffs; (c) reassignment of employees within the county to staff new enlarged facilities; (d) elimination or reduction of an existing program; (e) relocation of an existing program; (f) when necessary to comply with state and federal mandates; and (g) when deemed necessary by the Superintendent in the best interest of the school district. In no instance shall there be a reduction in pay unless said mandatory transfer is a demotion for disciplinary or performance reasons.

3. The following procedures shall be used in promoting employees to fill posted vacant positions:

a. Consideration of applications for promotional vacancies within the bargaining unit shall be based in part upon:

1. Seniority,
2. Qualifications to perform job responsibilities as determined by the immediate supervisor,
3. Exhibited desire to assume added responsibilities,
4. Evaluation reports within the past two (2) years,
5. Other pertinent criteria.

b. Any employee who received a promotion must be willing to transfer to another work location if necessary.

c. If requested in writing an explanation as to why the employee was not promoted shall be given.

d. If an employee is promoted to a temporary position within the same school/department the employee at the termination of the temporary position shall return to their former position with no loss in step or pay as if the employee had remained in their former position. Any such temporary promotion shall be at the discretion of the immediate supervisor.

C. Other Provisions

1. Nine-month and ten-month employees covered by this agreement who make application and who are best qualified shall be given priority when hiring summer school Clerks. Employees covered by this agreement who make application for summer school Paraprofessional positions shall be given first consideration.

2. Nine-month and ten-month employees covered by this agreement who are hired for summer school Clerk and Paraprofessional positions shall be paid their normal step.

SECTION 3: EMPLOYEE EVALUATION

Employees with three (3) or less years of experience in the Volusia County School District shall be evaluated twice annually, first by December 15 and secondly by April 30. Employees with more than three (3) years of experience in the Volusia County School District shall be evaluated at least once
annually. Such evaluation shall be timed at the discretion of the evaluator but shall take place no later than April 30.

When an employee is transferred or promoted to a new position, the first formal evaluation shall have the length of service in the new position clearly stated on the evaluation form.

The first evaluation may be extended by thirty (30) days for an employee who transfers or is promoted into a new position.

Each employee shall be given a signed copy of the evaluation instrument prepared by their Immediate Supervisor. No such report shall be placed in the member's official personnel file without the employee receiving a signed copy and an opportunity for a conference. A summative performance rating of “needs improvement” shall require a conference between the Immediate Supervisor and the employee for the purpose of establishing a time line for improvement. Reasonable effort will be made to discuss performance problems with employees as they arise. No employee (of the Bargaining Unit) shall be permitted or required to formally evaluate another employee.

The negotiated evaluation instrument and directions for completion are included as Appendix B of this Agreement.

SECTION 4: REAPPOINTMENT

By May 15 of each year, employees shall be informed in writing if they are not being recommended for rehire the next year. Any recommendation for rehire of an employee with a summative evaluation of “needs improvement” may be delayed to accommodate any established time line for improvement. If a non-reappointment occurs the affected employee may request, in writing, the reasons.

SECTION 5: VACANCIES REFERENCE FILE

A fiscal year file of all vacancies shall be available in the Personnel Services Division.

SECTION 6: REDUCTION IN FORCE

A. Reduction in force is defined as the separation of an employee, by lay off or non-reappointment, for lack of work or funds without any fault or delinquency on the employee's part.

B. The Board agrees to provide the Association with a list of names of the employees being laid off or non-reappointed due to a reduction in force and such notice shall be sent at the time that it is issued to the employees affected. Employees to be laid off shall be notified as soon as possible after the decision is made. In no event shall the Board give less than ten (10) working days notice to affected employees.

C. Procedures

1. Reduction in Force

The employer shall determine when a reduction in force is necessary and shall determine the positions to be eliminated or reduced. In the event of a reduction in force, the following procedures shall be followed:
a) The employer shall determine how many employees must be removed from the district by job classification.

b) The employer shall reduce hours within that job classification at each affected worksite taking seniority into account.

c) The superintendent/designee may then make the mandatory transfers that are necessary, if any, to insure that the reduction occurs at the worksite in which the administration sought to reduce the number of employees.

2. Reduction of Hours

The employer shall determine when a reduction of hours is necessary and shall determine the number of hours to be reduced. In the event of a reduction of hours within a given job classification the following procedures shall be followed:

a) The employer shall determine how many hours must be reduced from the job classification at each affected worksite.

b) The employer shall reduce hours within that job classification at each affected worksite taking seniority and training into account. If an employee has their hours reduced, they shall be notified of the reduction by the immediate supervisor. If the employee requests, the immediate supervisor will meet with the employee to discuss the reduction.

c) If, at a later time, hours in the classification at the worksite are increased, the fact that certain employees have been decreased in hours shall be taken into account in allocating the additional hours. Such right shall exist for the duration of the recall period.

3. Exception

Any transfer of personnel deemed necessary by the Board as a result of any layoff or reduction of hours shall be exempt from the vacancy announcement requirement.

4. Recall

Employees who have lost employment due to a reduction in force shall retain recall rights for one (1) year and shall have preference to work over other applicants.

a) Recall shall be made by certified mail to the last address in the employee’s records. The Association shall be provided a copy of the recall letters. Within five (5) work days of the certified receipt date, laid off employees must signify their intention of returning to work (to the Employee Services Department). Failure to respond to the notice shall constitute a resignation by the employee.

b) When employees are recalled from layoff, the employee with the greatest seniority in that classification shall be recalled first. If the laid-off employee, when offered recall, is temporarily unable to return to work due to medical reasons, they may request an extension of recall rights, not to exceed two (2) months.
SECTION 7: EMPLOYEE PROTECTION

The Board shall furnish legal counsel to members in defense of civil legal actions arising out of the discharge of their duties within the scope of their employment in the school system, unless the Board finds that the member acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety or property.

SECTION 8: EMPLOYEE DISCIPLINE

A. Just Cause

1. Disciplinary action may not be taken against an employee except for just cause.

2. Disciplinary action shall be governed by applicable statutes.

3. Disciplinary action shall include written reprimands, suspensions without pay, performance related reductions in rank, terminations of regular employees, or the non-reappointment of employees who have tenure.

4. Before the Superintendent makes a recommendation to the Board for suspension without pay, performance related reductions in rank, or termination, the affected employee shall be given five (5) days written notice.

B. Representation

In any meeting called by a member of the administration with the employee to discuss disciplinary action, the employee shall be advised of the purpose of such meeting and that it may result in disciplinary action and shall be entitled to representation upon request. Exercising representative rights by the employee shall not delay the investigative process more than twenty-four (24) hours unless mutually agreed.

If material relating to work performance, discipline, suspension or dismissal is placed in an employee's personnel file, and the employee chooses to respond in writing to such material, the employee's response shall be attached to such material. Documents included in an employee's personnel file can only be removed in compliance with Florida Statutes.

SECTION 9: SUSPENSION

If an employee is suspended from duty and is subsequently exonerated by the Board of charges that resulted in this suspension, the employee shall be fully compensated by the Board for such period of absence according to their status at the time of suspension and be returned to full duty with no loss of pay. The employee shall further be returned to their former job classification.

SECTION 10: TEMPORARY EMPLOYEES - 120 DAYS OR MORE

Employees who work six hours or more, but less than eight hours will be provided a 45 minute lunch break. Employees who work eight hours will be provided a 60 minute lunch break. Lunch breaks shall not be considered hours worked, and therefore will not be paid time. With the agreement of the worksite administrator, these lunch breaks may be reduced or waived.

The work site administrator shall determine the scheduling of lunch breaks and rest breaks.

Immediate supervisors shall establish the service needs of their buildings/departments. The immediate supervisor shall, keeping the service needs of the building/department as the primary consideration, give consideration to suggestions from employees regarding flexible scheduling of the lunch break. Suggestions may include the time the lunch is taken as well as the length of the lunch break. The immediate supervisor shall, if requested, meet with the staff to discuss the suggestions. The employer recognizes the uniformity between departments, schools, etc., is not required, that each department/school may have unique needs in regard to coverage, which may result in different solutions.

SECTION 2: DAYS

All employees shall be employed for the number of days as set forth in the adopted school calendar for the specific work year.

SECTION 3: HOLIDAYS

A. All employees who are employed for ten (10), ten and one-half (10 1/2) or eleven (11) months shall have the paid holidays now afforded ten-month instructional personnel.

B. Twelve-month (12) employees shall have nine (9) holidays in accordance with the Board adopted Salary and Payroll Information document.
ARTICLE XIII

SECTION 2: OVERTIME

When employees are directed to work overtime in addition to their regular hours, totaling more than forty (40) hours per work week, they shall be paid for the additional time at the rate of time and one-half (1 1/2) of the normal rate of pay for all hours beyond the regular work week. When the employee above works on Board designated holidays which they are scheduled to have off with pay, they shall be paid at double time, in addition to the holiday pay. In lieu of overtime pay an employee may be asked to take compensatory time on a time and one-half (1 1/2) basis (or double time if a holiday situation). Taking into consideration the organizational subdivisions of the School District, assignments and shifts, the willingness to accept compensatory time if requested, the Administrators concerned shall assign overtime among employees as equitably as practicable. Where practicable, employee wishes will be considered.

SECTION 3: CALL BACKS

An employee on call back shall be paid for a minimum of two (2) hours, or actual time worked, whichever is greater. (Compensatory time may be used in lieu of pay, if the employee so prefers.) Time shall be computed from the time the employee leaves home until the employee is released from the call back. Compensation will be computed at the overtime rate of one and one-half (1 1/2) times the employee’s normal rate of pay for hours worked in excess of forty (40) hours per week, unless the call back falls on a holiday, at which time the employee would be compensated at two times the employee’s normal rate of pay for hours worked, in addition to the holiday pay.

An extension of the length of the regular day without a break in hours, does not constitute a call back.

SECTION 4: WORKERS’ COMPENSATION

If Worker’s Compensation is paid to the employee while the employee is receiving a salary, the employee shall return the Workers’ Compensation to the Board.

SECTION 5: ANCILLARY ACTIVITIES

Employee’s participation in ancillary activities beyond the regular duty day for which no additional compensation is paid shall be strictly voluntary.

An Employee shall not be asked to substitute for a classroom teacher unless the employee has received the school district’s substitute teacher training. If a substitute teacher cannot be obtained, an employee may be asked to substitute for the teacher. If no employee volunteers, one may be assigned. Employees substituting for classroom teachers shall receive additional compensation as set out in Article XVI, Compensation, provided (1) that the principal or other site based administrator designated by the principal has given prior approval, and (2) each substitution last for at least one continuous half hour.

A. Specific leaves may be refused if the employee's absence would cause undue hardship or interruption in a vital school service.

B. Requests for all Leaves and Temporary Duty should be made in accordance with current Personnel procedures. Refusal of granting of leave other than sick leave is at the discretion of the administration.

C. Any employee who is willfully absent from duty without leave shall forfeit compensation for the time of such absence and be subject to disciplinary action in accordance with the Separation Policy.

D. A leave, once granted, should remain in force for its duration unless both the employee and the Board wish to terminate such leave.
E. Any earned leave taken under this article for a given pay period must be taken in increments of 15 minutes after the initial one hour minimum.

F. The terms of leave granted pursuant to the Family and Medical Leave Act shall be provided in Board policy.

SECTION 2: SICK LEAVE

A. Any employee who is unable to perform their duty because of illness, or because of illness or death of father, mother, brother, sister, husband, wife, child, other close relatives or members of their own household, and consequently has to be absent from their work, shall be granted sick leave.

B. Each full time employee shall earn one (1) day of paid sick leave for each month of employment which shall be credited to the employee at the end of that month and which shall not be used prior to the time that it is earned and credited. However, the employee shall be entitled to earn no more than one (1) day of paid sick leave times the number of months of employment. Employees shall earn paid sick leave for employment in the summer school program as provided in Florida Statutes.

Paid sick leave shall be cumulative from year to year. In no case shall an employee be allowed to use unpaid sick leave until all earned sick leave is depleted.

C. Any employee whose personal illness extends beyond the period covered by accumulated sick leave pay should request a leave of absence. Unpaid sick leave shall be permitted for a maximum of twenty (20) consecutive work days. Leave beyond this period should be a Board approved Leave of Absence. If the employee is unable to or unwilling to complete the request for such Leave of Absence, the Employee Services Department may initiate the leave for up to the remainder of the employee’s contract year.

D. Sick leave earned in another governmental agency covered by the Florida Retirement System by a non-instructional employee may be transferred to Volusia County at the request of the individual. Such leave is credited to the individual’s leave account at the same rate sick leave is earned for each year of Volusia service.

E. Upon written request, which must be submitted within five (5) days after the end of the employee’s work year, an employee shall receive an annual payment for accumulated sick leave that is earned for that year and that is unused at the end of the employee’s work year according to the following schedule.

1. During the first three (3) years of service in Volusia County, the hourly rate of pay multiplied by sixty-five percent (65%) times the number of eligible hours of sick leave.

2. During the fourth through sixth (4-6) years of service in Volusia County, the hourly rate of pay multiplied by seventy percent (70%) times the number of eligible hours of sick leave.

3. During the seventh through ninth (7-9) years of service in Volusia County, the hourly rate of pay multiplied by seventy-five (75%) times the number of eligible hours of sick leave.
4. During the tenth and beyond years of service in Volusia County, the hourly rate of pay multiplied by eighty percent (80%) times the number of eligible hours of sick leave.

Hours for which such payment is received shall be deducted from the accumulated leave balance.

SECTION 3: PAID PERSONAL LEAVE

Six (6) days sick leave each year may be used as paid personal leave. These days may be taken as "no reason given."

Paid Personal Leave days must be requested in advance. Where emergency conditions exist, the leave may be requested after the fact, however, the immediate supervisor or designee MUST be notified of such emergency leave by noon of the first day of the leave. Except when emergency conditions exist, these leaves should be requested three work days in advance. While the principal/department head has the discretion to deny requests for personal leave, employees shall be notified by September 15th of any time periods during which the administration deems it problematic to grant requests for personal leave, e.g., the time period during which the FCAT is administered.

Paid Personal Leave days may not be taken for employment elsewhere. Paid Personal Leave days are not cumulative, as such, but only as sick leave days.

SECTION 4: ANNUAL LEAVE - 12 MONTH EMPLOYEES

   3. Employees with ten (10) or more years continuous service shall earn twelve (12) hours per month or one-hundred forty-four (144) hours per year of annual leave.
   4. A month, for inclusion of credit towards accrual, is defined as the employee being eligible for pay for one (1) day more than one-half (1/2) of a calendar month. Employees working less than eight (8) hours per day shall accrue leave on a prorated basis.

B. Provisions
   1. Twelve (12) month (260 day) employees shall accrue annual leave at the rates set forth in paragraph A above. Such employees shall be permitted to accumulate annual leave up to a maximum of 480 hours for the purpose of terminal pay. For the purpose of determining the annual leave available for use, annual leave may be accumulated to a total of 624 hours. Employees working less than eight (8) hours per day shall be permitted to accumulate annual leave on a prorated basis.

No hours in excess of this amount may be carried forward from September 30 of each year.
2. The various divisions may establish annual leave procedures pertinent to that division.

SECTION 5: MILITARY LEAVE - SHORT TERM

All regular full-time employees who are members of the United States Armed Services Reserves or members of the National Guard Reserves of the United States shall receive compensation up to a maximum seventeen (17) days absence from their regular work during any fiscal year if they are ordered by the Armed Services Reserves or National Guard to report for temporary active duty provided that an employee not receiving annual paid vacations should plan to render their military service during the time school is not in session. If this is impossible, requests for leave for temporary military service with military orders attached must be submitted to the Personnel Services Division sufficiently early to be approved prior to the commencement of the leave.

SECTION 6: MILITARY LEAVE - LONG TERM

An employee may be granted a military leave of absence without pay provided that:

A. they enlist in the Armed Service during the period our forces are engaged in combat; or

B. they are recalled to active service from a reserve status.

The School Board shall have the right to extend additional benefits to employees called to active duty. The decision of whether or not to extend such benefits is within the sole discretion of the School Board. The School Board shall notify the Association of any decision to extend such benefits.

SECTION 7: MATERNITY LEAVE

An employee is eligible for maternity leave without pay for a period not to exceed one (1) year. Such leave shall commence on a date determined by the employee and her physician. Leave should be requested on the standard leave form. The employee may return to duty upon certification by a physician that she is physically capable of performing her duties.

A. An employee is entitled, upon request, to use sick/annual leave for the purpose of short-term maternity leave.

B. Child Care Leave - An employee may be entitled, upon request, to personal leave without pay to begin subsequent to the birth of their child.

C. Adoption of Children - An employee may be entitled, upon request, to personal leave without pay to commence subsequent to receiving legal custody of an infant child or prior to receiving such custody if necessary in order to fulfill the legal requirements for adoption.

SECTION 8: TEMPORARY DUTY

A. Temporary duty is generally for the benefit of the school district and is initiated by the school or district office.
B. Employees may be assigned to be temporarily away from their regular duties and places of employment for the purpose of performing other services. Employees shall receive regular pay and shall be allowed expenses as provided by state law and district regulation.

Approval of "assignment for temporary duty" must be secured in the same manner that leaves are approved.

C. Temporary duty with pay shall be granted to any employee who is summoned to serve on a jury, subpoenaed to appear at a legal proceeding as a witness, if he/she is required by law to attend, or to make appearance in any court proceeding resulting from activities relating to the employee's employment with the school district. An employee who is excused from such service prior to the end of the working day shall be expected to return, when practical, to duty for the balance of the working day. In no case shall temporary duty with pay be granted for court attendance when an employee is engaged in personal litigation; however, employees who have accrued annual leave may be granted annual leave or may use paid personal leave for this purpose.

SECTION 9: PROFESSIONAL LEAVE

Request for Professional Leave to attend state and national meetings, conferences and workshops and business affairs of the Bargaining Agent for professional development related to job responsibilities are permitted according to the following guidelines:

A. Where a local unit of a state and/or national group exists, up to four (4) delegates named by the local unit may request Professional Leave with pay, without expenses, with not more than one (1) delegate from any work center. Delegates must be members of the state or national group. Substitutes shall not be provided for employees absent for such activities.

B. Members requesting Professional Leave must use the standard Leave Request form.

SECTION 10: LEAVE OF ABSENCE

A. Personal Leave without pay, not to exceed the balance of the current fiscal year may be granted an employee, when requested in advance and approved by the immediate supervisor. A valid reason must be given to justify leaves of absence.

B. Leaves are granted for no more than one (1) fiscal year or the remaining portion of the year.

C. A leave maintains an employee-employer relationship during the length of said leave. Granting of a leave to an employee during a particular fiscal year does not guarantee re-employment for the ensuing year. However, an employee with tenure may only be terminated pursuant to the terms of this collective bargaining agreement.

An employee who desires to return to employment following the termination of a leave within the year shall be given their position in the same school or office, provided this privilege is stipulated in advance and written on the Leave Request form. If the stipulation is not made, the employee will be reassigned to another position within the same geographic area when one becomes vacant. If the employee refuses the reassignment, they shall be terminated.

D. Any employee granted a leave of absence as provided in this Article shall be given an opportunity, unless prohibited by the Board's contract with the insurance carrier, to continue
insurance coverages in existing district insurance programs during the leave. Full premiums shall be paid by the employee on a monthly basis in advance of the month due directly to the insurance company.

E. Leave granted upon the request of an employee shall be for particular purposes or causes which shall be set forth in the written application for leave. The Board shall have the right to determine that the leave is used for the purposes or causes set forth in the application and, if not so used, the Board shall have the authority to cancel the leave and/or take disciplinary action.

F. An employee on personal leave for maternity or child care reasons shall not be denied the opportunity to substitute in the school district by reason of the fact that they are on such leave of absence.

G. An employee returning from leave of absence shall retain full credit for years of service prior to the leave plus all accumulated sick leave and annual leave earned prior to the leave of absence.

SECTION 11: WORKERS' COMPENSATION

In compliance with Florida Statute Section 1012.63 any employee who sustains an injury on the job shall be entitled to fully compensated illness-in-the-line-of-duty leave not to exceed ten (10) school days during any one school year and Florida Statute Section 1012.63 shall supersede Florida Statute Section 440.11 during that ten (10) day period. After the 10 days of illness-in-the-line-of-duty leave have been exhausted, Florida Statute Section 440.11 shall apply and Workers' Compensation shall be the sole source of recovery for an employee who sustains an injury on the job.

Workers' Compensation benefits are equal to two-thirds (2/3) of an employee's salary plus benefits up to a statutory maximum established by the State of Florida. If an employee is drawing workers' compensation benefits and has available leave they may supplement workers' compensation benefits with leave where the combination of workers' compensation benefits plus leave equals their regular salary. This must be done by a written request from the employee to Payroll.

The Board shall continue to provide employees on workers' compensation with group matching health insurance, life insurance, and retirement benefits.

If an employee has no earnings against which Payroll can deduct the employee's portion of group health insurance the Board shall notify the employee that they must send this payment directly to The School Board of Volusia County. If the employee chooses to let their group health insurance coverage cease the Board shall no longer make its match.

A board designated organization number shall be used for receiving employees transferred to a long-term workers' compensation status.

Transfer of an employee from their current organization to a board designated organization must be done by Notice of Personnel Action (NPA) and only upon securing approval for the transfer from the Risk Manager who shall be responsible for monitoring the board designated organization.

Transfer of an employee to the organization designated by the board frees their unit at the transferring organization to be filled by another employee.
When an employee is released to return to work the Board shall make every effort to place the employee in an equivalent position (subject to any medical restrictions) within the district. The Board has no obligation to return the employee to their original organization.

SECTION 12: FAMILY AND MEDICAL LEAVE ACT

1. Family and Medical Leave Act: All provisions of this article shall be interpreted so as to comply with the requirements of the Family and Medical Leave Act and any amendments thereto, and with such federal regulations that may be issued under the Act.

2. Employee Eligibility: Eligibility for these benefits shall be limited to those bargaining unit members that have been employed for at least the previous twelve (12) months by the Board, and worked at least 1,250 hours during that previous twelve (12) month period.

3. Terms of Leave: This leave shall be granted, in the following instances, for no more than a total of twelve (12) work weeks during the school year, July 1 through June 30. It shall be granted to eligible bargaining unit members for: (A) to care for the employee's child after birth, or following placement for adoption or foster care; (B) to care for the employee's spouse, son, daughter, or parent who has a serious health condition; or (C) for a serious health condition that makes the employee unable to perform the employee's job.

4. Definitions: The definitions contained in the Act apply to this article.

5. Group Medical Insurance: The Board shall continue an employee's group medical insurance in full effect during FMLA leave, to the same extent as when the employee worked. The employee shall be responsible for his or her share of insurance premium payment. Days of leave taken under the sick leave provision of the collective bargaining agreement shall be considered to be leave taken under the FMLA if taken for a serious health condition, for the purposes of this article, as shall any annual leave taken after the employee has exhausted his or her sick leave due to a serious health condition.

6. Length of Unpaid Medical or Child Care Leave: The length of any unpaid medical or child care leave shall be determined by the collective bargaining agreement, provided such provisions, when considered with sick leave and annual leave used as stated above in paragraph 6, meet the required twelve (12) week allotment called for by the Act.

7. Notice: If leave is taken to care for a newborn child or a child newly placed for adoption or foster care, the employee must provide notice of the leave in writing, to the personnel department and to his or her immediate supervisor, approximately thirty (30) days in advance, where possible. If a leave is needed for foreseeable medical care, it shall be requested, in writing at least thirty(30) days in advance, or as early as is practicable.

8. Medical Certification: (A) Illness of Others: When requesting leave for a serious health condition of the employee's spouse, child or parent, the employee, upon request by the school district shall submit a statement from the patient's doctor which certifies that it is necessary for the employee to care for the patient, and estimates the length of time the care is needed. (B) Illness of Employee: The Board may require a medical certification from eligible employees who request leave under the FMLA. Additional requests for medical certification shall be at the employer's expense and shall comply with the regulations under the Act.

9. Intermittent Leave For Planned Medical Treatment: Unpaid medical leave with FMLA benefits may be taken on an intermittent basis when the employee, the employee's spouse, child or parent
has a serious medical condition and it is foreseeable that the employee will need short periods of 
time off. Such intermittent leave days may be taken only when all sick leave and annual leave 
has been exhausted. Intermittent leave may be taken in increments of one or more days or partial 
days at work. Intermittent leave will be granted, subject to the previously mentioned terms, if the 
health care provider certifies that it is medically necessary. The Board may require medical 
certification of the need, and the schedule or time of the treatment. The employee must give the 
Board thirty (30) days written notice of the need for the leave, if possible. If it is not possible to 
give thirty (30) days advance notice, the employee shall provide as much notice as is practicable.

10. Employees must exhaust all sick leave prior to taking an unpaid leave covered by the FMLA,
where the reason for the leave is covered by section (B) or (C) of paragraph number 3.

11. Restoration: Upon return from an FMLA leave, the affected employee is entitled to be restored to 
the same position that the employee held when the leave started, or to an equivalent position with 
equivalent benefits, pay and other terms and conditions of employment.

It is the responsibility of the employee to arrange for continued insurance coverage if for any reason the employee is on unearned sick leave or Leave of Absence.

SECTION 2: TAX SHELTERED ANNUITY

The Board shall, upon request, reduce the salaries of employees for contributions to tax sheltered annuities approved by the Board for payroll reduction.

SECTION 3: TERMINAL PAY

A. Terminal pay for accumulated sick leave shall be in accordance with the following schedule. If termination of employment is by death of the employee, any terminal pay to which the employee may have been entitled shall, upon written request, be made to the beneficiary as identified with the Florida retirement systems or other beneficiary identified to the Board by the employee.

Service as referenced in this Section is defined as employment with the Board.
Rather than receive terminal leave pay, a staff member who resigns may choose to leave accumulated sick leave days on deposit.

1. During the first three (3) years of service in the Volusia County School District, the hourly rate of pay is multiplied by thirty-five (35) percent times the number of hours of accumulated sick leave.

2. During the fourth through sixth (4-6) years of service in the Volusia County School District, the hourly rate of pay is multiplied by forty (40) percent times the number of hours of accumulated sick leave.

3. During the seventh through ninth (7-9) years of service in the Volusia County School District, the hourly rate of pay is multiplied by forty-five (45) percent times the number of hours of accumulated sick leave.

5. For retirement, or death, terminal pay during or after the thirteenth (13th) year of service in the Volusia County School District, shall be at the hourly rate of pay multiplied by one hundred (100) percent times the number of hours of accumulated sick leave.

B. Upon Death of an employee, the beneficiary as identified with the Florida retirement systems or other beneficiary identified to the Board by the employee shall receive payment for accumulated annual leave.

Upon termination of employment or upon retirement, an employee shall be paid a lump sum payment for accumulated annual leave. The employee shall not use accumulated annual leave to extend a termination date.

C. Terminal sick leave and/or terminal annual leave shall be calculated only from the appropriate step on the salary schedule in effect on the day of separation.

ARTICLE XVIII
POLITICAL ACTIVITY

The political activity of all employees shall be governed by Federal Law, Florida Statutes and Board policy.

ARTICLE XIX
GRIEVANCE PROCEDURE

SECTION 1 - GRIEVANCE DEFINED

A. A "grievance" is a claim or complaint by an employee or group of employees or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this Contract.

B. A "complaint" is a claim by an employee or group of employees or the Association that there has been a violation, misinterpretation, or misapplication of Board Policy and State
Law. The complaint procedure shall be limited to resolution at the Informal Level, Level 1 and Level 2 of the grievance procedure.

C. In no case shall a grievant file a grievance and a complaint based upon the same event or occurrence.

D. Nothing contained in the grievance procedure shall be construed to deny the Board, the Superintendent, the Association or any employee the rights guaranteed to them under the laws of the State of Florida and/or the United States of America.

SECTION 2 - HEARING LEVELS

A. Informal Level - When a cause for complaint occurs, the affected employee shall request a meeting with their immediate supervisor within 20 days of the date that the alleged violation occurred or the grievant had knowledge or should have had knowledge, whichever is later, in an effort to resolve the complaint. Such meeting shall take place within ten (10) working days of the request. The Association may be notified and a representative thereof present with the employee at such meeting. The immediate supervisor shall have five (5) work days after the informal meeting to respond verbally to the complaint. If the response to the Informal Action is unacceptable to the complainant, the formal procedure may be initiated.

B. Formal Level 1: If a complaint is not resolved in a conference between the affected employee and their immediate supervisor, the complaint may be formalized as a grievance. A formalized grievance shall be submitted, in writing, within seven (7) days following the verbal response. The written grievance shall contain a full and complete statement of the alleged facts upon which the grievance is based, a reference to the specific section(s) of the Contract which was (were) allegedly violated, and a suggested remedy. A copy of such grievance shall be filed by the grievant with the immediate supervisor, Superintendent and the Association. If either party to the grievance requests a meeting, the immediate supervisor shall meet with the grievant and his representative, if any. The immediate supervisor shall indicate the disposition of the grievance in writing, furnishing a copy thereof to the grievant, the Superintendent and the Association within five (5) work days of receipt of the grievance if no meeting was requested.

C. Formal Level 2: If the grievant is not satisfied with the disposition of the grievance at Level 1 or if no disposition has been made within the time lines established in Formal Level 1, the grievance shall, within five (5) days, be transmitted by the grievant to the Superintendent or their designee. Within ten (10) days after the grievance has been so submitted, the Superintendent or their designee shall meet with the Association and the grievant on the grievance. The Superintendent or their designee within seven (7) days after the conclusion of the meeting, shall render a written decision thereon with copies to the Association and the grievant.

D. Formal Level 3: If the Association is not satisfied with the disposition of the grievance at Formal Level 2 or if no disposition has been made within the period above provided, the Association may submit the grievance to arbitration before an impartial arbitrator. This action must be taken within twenty (20) days of receipt of the Formal Level 2 decision. If the parties cannot agree as to the arbitrator within five (5) days following the demand for arbitration, the arbitrator shall be selected by the Federal Mediation and Conciliation Service in accord with its rules which shall likewise govern the arbitration proceeding.
Neither the Board nor the Association shall be permitted to assert in such arbitration proceeding any ground or rely on any evidence not previously disclosed to the other party. Both parties agree to be bound by the award of the arbitrator. The fees and expenses of the arbitrator shall be shared equally by the Association and the Board. However, each party shall be responsible for compensating and paying the expenses of its own representatives, attorneys and witnesses.

SECTION 3 - TIME LINES

A. All references to days in this Article shall mean work days of the members of the bargaining unit. Paid holidays are not "work days." During the summer break work days shall be those days the Central Office is open.

B. The number of days indicated at each step should be considered as the maximum, and every effort should be made to expedite the process. However, the time limits specified in any Level of this procedure may be extended by mutual agreement of both parties.

C. Additional meetings at any level may be held if agreed upon by both parties.

D. Failure of the grievant to follow the time lines at any level constitutes withdrawal of the grievance.

SECTION 4 - AGREEMENTS

A. Should attendance at any grievance referenced in this article require that an employee or an Association representative be released from their regular assignment, they shall be released without loss of pay or benefits.

B. There shall be no reprisals against any of the participants in the procedures contained herein by reason of such participation.

C. If only one party requests the presence of a court reporter, that party shall bear the costs of the reporter.

D. If only one party requests the postponement of an arbitration hearing, that party shall bear the cost of such postponement, if any.

E. All grievance forms shall be mutually developed and agreed to by the Board and the Association.

F. As used in this Article, the term employee may also mean a group of employees asserting the same grievance. In such event, one employee shall be designated by the group to act as spokesperson and be responsible for processing this grievance.

G. A dispute involving the interpretation or application of a provision of this Contract which gives a right to the Association, apart from rights granted to an employee, may be presented by the Association as a grievance. Such grievance shall be initiated at Step 2 of this Procedure, in accordance with the provisions set forth therein, within ten (10) work days of the occurrence of the event giving rise to the grievance.

H. A grievance may be withdrawn at any level without prejudice.
SECTION 5 - POWER OF THE ARBITRATOR

It shall be the function of the arbitrator and the arbitrator shall be empowered, as defined in F.S. 447, to make a decision in a case of violation of specific articles and sections of the Contract.

SECTION 6 - ELECTION OF REMEDIES

Any employee covered by this agreement who is notified of a charge of misconduct which could result in termination shall, at the option of the employee, have the right to request a hearing before the Board, as provided in Chapter 120, Florida Statutes (if such hearing is requested the Board specifically reserves the right to hear the matter or to request the appointment of a hearing officer), or the employee may elect to file a grievance under this agreement, after adverse action by the Board. If the employee chooses to contest the charges, the employee must, within ten (10) days after receiving notice of the charges, elect in writing by registered mail to the Superintendent and VESA President, to proceed to a full hearing before the Board, or to utilize the grievance procedure of this agreement, after adverse action by the Board. Under no circumstances may the employee utilize the grievance procedure after participation in a full hearing before the Board or a hearing officer.

ARTICLE XX
CHILD ATTENDANCE IN SCHOOL WHERE EMPLOYEE (PARENT) IS ASSIGNED

The employee (parent) may place their child (using current definitions of child) at the school where the employee (parent) works (so long as the child is properly suited for the school, using usual criteria such as grade levels and programs offered) or at the school where the child would be assigned using the Board's usual procedures. The employee (parent) would be obligated to apply for such a transfer using Board's usual procedures and the Board would not provide transportation. The employee (parent) assumes responsibility for such child before and after school hours.

ARTICLE XXI
EMERGENCY DAYS

During times of emergencies, Volusia County School District employees are expected to maintain public services and to meet new service needs brought about by the emergency conditions. Service demands may go beyond the scope of regularly assigned duties, calling on staff to assume new responsibilities and remain on duty for extended periods of time. The Volusia County School District and the Volusia Educational Support Association, in the interests of maintaining a safe environment for the students during times involving critical incidents such as severe weather, hazardous material spills, fire, or other emergency situations, agree to the following:

1. Should an event such as is stated above occur during the time when the District is responsible for the school children, members of the bargaining unit will cooperate with the administration in taking the steps necessary to reasonably provide for the students’ safety. If such actions require service beyond the regular work day, the administration shall work with bargaining unit personnel to see that while first providing for the security of the students, reasonable requests by personnel to insure the safety of their own families will be accommodated. The District will make reasonable efforts, when possible, to provide time off prior to the onset of a potential disaster for employees designated as essential to secure their homes and see to the safety of their families. Since it may not always be possible, it is imperative that employees have an emergency plan in place to address their family’s safety in their absence. Scheduled or approved leave is subject to cancellation.
2. Any position may be designated by the administration as an Essential Position (EP).

Essential Position: EP personnel must be available to report to duty for emergency preparations and may be required to remain on duty throughout an emergency event. Such employees will support the maintenance of critical services and/or recovery efforts. EP personnel are required to advise their supervisor of their location and contact information throughout the emergency. If an employee has unique personal circumstance that would prevent him/her from serving in an emergency, the employee shall discuss these circumstances with the supervisor as soon as possible in order to allow the supervisor to make other arrangements where the circumstances allow.

All other personnel must remain available during an emergency. Employees will report to their supervisor or designated point of contact at their next report time.

3. In the event that the superintendent officially closes a school, district office, or a combination of work centers to employees;
   
a. Employees shall be paid for their regularly scheduled hours. Should the superintendent reschedule the workday for a later date, the employee shall be deemed to have been compensated in advance, and will receive no additional compensation.

b. In the event that an employee is called in to work by their supervisors on emergency days when the work site is closed, the employee shall be compensated, in addition to the compensation discussed in the prior paragraph, as follows:

   1. For hours worked during regular work hours, the employee shall receive their regular rate of pay.

   2. For hours worked after regular work hours not in excess of forty (40) hours paid per week, the employee shall receive their regular hourly rate.

   3. For hours worked after regular work hours in excess of forty (40) hours paid per week, the employee shall receive one and one half (1½) their regular hourly rate.

   4. Compensatory time may be provided instead of the additional pay provided under paragraphs 1, 2 & 3 above, if the administrator and employee agree.

4. Should either party wish to discuss actions taken during an event as stated above, the parties shall meet to discuss the issues.
ARTICLE XXII
TERM OF AGREEMENT

A. It is agreed and understood that this Agreement constitutes the complete understanding between the parties and concludes all collective bargaining during its term.

B. This entire Agreement may be reopened for negotiations if not approved by the School Board of Volusia County or ratified by the Bargaining Unit.

C. The Agreement shall be effective subject to ratification by the Bargaining Unit and approval by the School Board of Volusia County and shall continue through June 30, 2006.

D. The Board and the Association agree to reopen negotiations on or before May 1, to negotiate salary and benefits, two issues proposed by the Association and two issues proposed by the School Board.

E. If either party so desires to alter, or renew this Agreement upon its expiration, a written notice must be submitted to the other party prior to March 1 of the year in which the Agreement expires. If such notice is given, negotiations shall be initiated on or before May 1, 2006. Negotiation sessions shall be held at mutually agreed upon times and places.

F. The provisions of this Agreement shall be binding upon the parties hereto and upon their successors.

In consideration of the mutual covenants, this agreement is made and entered into the 14th day of January, 2004, by and between the School Board of Volusia County, Florida and the Volusia Educational Support Association.

APPENDIX C
SICK LEAVE BANK PROCEDURES

Volusia County School Board Voluntary Sick Leave Bank Covering Members of the Volusia Educational Support Association Bargaining Unit.

Purpose:

To enable employers to provide protection in cases of long-term catastrophic illness and to encourage employees to "save" sick leave for a valuable future economic benefit (terminal leave).

A. To become a member of the sick leave bank, an employee must have accumulated ten (10) sick leave days. Following the accumulation of ten (10) sick leave days, the employee may join the sick leave bank by donating one (1) sick leave day to the sick leave bank.

B. To utilize "bank days" the member must have been a member of the sick leave bank for at least ninety (90) days and must first use all other accumulated sick leave days. A member must be credited with five consecutive days of unpaid leave before drawing from the bank.

C. The purpose of this Sick Leave Bank is to provide a mechanism to cushion the financial impact of serious illness or injury. Although by no means an exclusive list, typical successful claims would be hospitalization for a heart attack, cancer, automobile accident or major surgery. The Sick Leave Bank is not intended to provide benefits to an employee for such things as cosmetic surgery, elective surgery that could be scheduled during a non-work period, or other similar claims. Upon approval of application by the Sick Leave Bank Committee, a member shall be eligible for two (2) times the number of days accumulated at the beginning of the illness to a maximum of fifty (50) days subject to the following provisions:

1. Drawing of sick leave days is based on the availability of sick leave days in the bank.

2. All cases shall be re-examined by the Sick Leave Bank Committee when the twenty-fifth (25th) continuous day of benefits has been reached. At this time the Committee may request additional medical certification.

3. The employee is not required to repay the number of days used from the Sick Leave Bank.

4. Any sick leave drawn from the bank by a participating employee must be used for said employee's personal illness, accident or injury.

D. Following any use of the sick leave bank provisions, the employee shall have to rejoin the sick leave bank as indicated in "A" above.

E. Days from the bank may only be used for extended personal, physical or mental disability.

F. The bank shall be administered as follows: The VESA Sick Leave Bank Committee.

G. In cases of extreme hardship, the bank administrators may grant additional days voluntarily given by other sick leave bank members.
H. Following establishment of the Sick Leave Bank, if the balance in the bank is diminished below fifty (50) days all participating members shall contribute one (1) additional sick leave day in order to continue membership. Such special assessment shall be at the rate of one (1) day per member, not to exceed two (2) days for special assessment purposes per year. Assessment shall be automatic upon notification. If an employee is unable to contribute the day, that person shall be placed on suspension from the benefits of the bank until able to contribute this day. Special Assessment days are days that are assessed above and beyond the initial day contributed for membership.

I. Alleged abuse of the Sick Leave Bank shall be investigated by the Sick Leave Bank Committee. If an employee is found to have abused the use of the Sick Leave Bank, the employee shall repay the days drawn from the bank and be assessed appropriate penalties.

J. The bank administrators shall determine the eligibility of membership in the sick leave bank.

K. A list of all sick leave bank members shall be provided to VESA upon written request.

L. Forms for enrollment shall be available through the VESA office.

M. The Sick Leave Bank can be terminated only by mutual agreement of the Bargaining Unit and the Board. Upon discontinuance, any and all sick leave days in the bank shall be distributed to the participating members at the time of such discontinuance in units of not less than one-quarter (1/4) day with any remaining days to be disposed of at the sole discretion of the Sick Leave Bank Committee.
NOTE: The day/days given are NOT bank days. These days are personal sick leave days belonging to the individual donating the days. According to the contract between the School Board of Volusia County and the Volusia Educational Support Association (VESA), the VESA sick leave bank administrators may grant additional days voluntarily given by the other bank members in cases of extreme hardship.

APPENDIX E
MEMORANDUM OF AGREEMENT

The School District of Volusia County (District) and the Volusia Education Support Association (VESA) mutually recognize the value of open and continuous communication. The parties agree that it is beneficial to all if avenues for dialog are established to address concerns as they arise, in order to facilitate an early exchange of information and resolution of the concern. While continuing to maintain an open door policy is helpful, it is also believed by the parties that an established continuous process for dialog between the parties is necessary. Therefore, the parties agree as follows:

1) The Superintendent and VESA shall establish a joint labor management committee. The committee shall consist of three (3) members appointed by the Superintendent, and three (3) members appointed by the president of VESA. The committee may call upon additional support as necessary.

2) The committee shall meet on a monthly basis for the first six (6) months, and then pursuant to a schedule established by the committee.
