- 3.11 Delivery of the City's services in the most efficient, effective, and courteous manner is of paramount importance.

- 3.12 Should the City exercise its management right and decide to contract out existing or future bargaining unit work, the City agrees to notify the Union of its decision no less than fourteen (14) calendar days prior to the implementation of the decision and to meet with the Union upon request. - (c) Employees assigned to standby duty on a 24 hour basis shall be paid one (1) additional hour of pay for every 24 hours assignment at his/her regular straight time hourly rate, unless the day is a holiday, in which case the employee will be paid a total of two (2) additional hours of pay for the 24 hour assignment.
- (d) Employees called in to work while on standby shall be paid one and one-half (1-1/2) times their regular rate of pay for all hours actually worked. These hours shall be computed starting from the time the employee left his/her home to the time he/she returns home from work.

Notwithstanding any exchange of standby assignments, the employee initially assigned the standby (and not the employee with whom the standby is exchanged) shall be entitled to the standby pay set forth in sections 10.6(b) and (c). Whether to grant written approval shall be at the discretion of the Department Director.

- 28.4 If the aggrieved employee has a reasonable belief that disciplinary action may result from an investigatory or disciplinary interview, the employee may request Union representation, in which event the grievant will notify the City, and the grievant will be responsible for notifying the Union. If an employee makes such a request, the City may, at its discretion, (1) grant the request and postpone the meeting until the union representative may be present, (2) discontinue the meeting, or (3) offer the employee the choice of continuing the meeting unaccompanied by a union representative or having no meeting at all. If a meeting is for the purpose of simply notifying the employee of a previously made disciplinary decision, and no questions will be asked nor will the employee be offered any options to the discipline, the employee does not have the right to union representation.
- 28.5 Every effort will be made by the parties to settle all grievances as soon as possible. The time limits set forth shall be strictly complied with, and may be extended only by mutual agreement of the parties, in writing. The City is not required to consider, respond to, or act upon, any grievance which is not filed within the time set forth in this Article. A grievance shall be considered settled at any point when the employee fails to file the necessary written notice to invoke the next step of the grievance procedure. All time limits shall be calendar days. If any deadline under this Article shall fall on a Saturday, Sunday or observed holiday,

as defined in Article 17.1, the deadline shall be the next calendar day which is not a Saturday, Sunday or observed holiday.

28.6 If the City fails to answer any grievance in the time provided, the grievance shall be deemed denied. A grievance not advanced to the next higher step within the time limit provided shall be deemed withdrawn and settled on the basis of the decision most recently given.

28.7 To be subject to review at any level of the grievance procedure, a grievance must be in writing, and must be filed using the grievance form mutually agreed to by the parties (see Appendix "F"), and must contain the following information:

- (a) Aggrieved employee's name and signature.
- (b) Aggrieved employee's classification.
- (c) Date grievance was filed in writing.
- (d) Date and time action or conduct giving rise to the grievance occurred.
- (e) Where action or conduct giving rise to the grievance occurred.
- (f) Description of incident, action or conduct giving rise to the grievance, including identification of every person involved if possible.
- (g) Article and section of the Agreement alleged to have been violated and an explanation of how it was violated.
- (h) Desired remedy to resolve grievance.

28.8 If a meeting, hearing or arbitration is scheduled during the grievant's shift, attendance at such will be with pay. However, if the meeting, hearing or arbitration is scheduled for a time other than the grievant's normal shift then attendance will be without pay. This policy shall also apply to attendance by the grievant's union representative.

28.9 Grievances shall be processed in accordance with the following procedures:

Step 1. The grievant shall present, in writing, his/her grievance to his/her supervisor within ten (10) calendar days of the occurrence of the action giving rise to the grievance. The only exception to this time limit is where an employee, through no fault of his own, was not aware of the occurrence of the action giving rise to the grievance, and in that case, the grievance must be filed within ten (10) calendar days after the grievant became aware of the occurrence, or, if earlier, within ten (10) calendar days of when the grievant should have become aware of it, if he/she had used due diligence. In no case, may a grievance be filed more than fifteen (15) calendar days after the occurrence of the action giving rise to the grievance. Discussions at the first stage of the grievance procedure will be informal for the purpose of settling differences in the simplest and most effective manner. The supervisor shall schedule a meeting with the employee within ten (10) calendar days after the

grievance is received. The supervisor shall investigate and give a written response to the employee within seven (7) calendar days after the meeting.

Step 2. If the employee is not satisfied with the answer received in Step 1, and chooses to proceed further, he/she must file an appeal in writing within seven (7) calendar days after receipt of the supervisor's response. The appeal shall be filed with the division supervisor. The division supervisor shall schedule a meeting with the grievant within ten (10) calendar days after receipt of the appeal. The supervisor shall answer the grievance in writing within fourteen (14) calendar days after the meeting. (If a division supervisor does not exist then this step is skipped)

Step 3. If the employee is not satisfied with the answer received in step 2, and chooses to proceed further, he/she must file an appeal in writing with the department director or his/her designee within seven (7) calendar days after receipt of the division supervisor's answer. The department director or his designee shall investigate the grievance and shall schedule a meeting with the grievant within ten (10) calendar days after receipt of the appeal. The department director or his/her designee shall notify the grievant in writing of his/her decision no later than twenty-one (21) calendar days after the meeting.

Step 4. If the employee is not satisfied with the answer received in step 3, and chooses to proceed further, he/she must file an appeal in writing with the City Manager or his/her designee within seven (7) calendar days after receipt of the department director's answer. The City Manager or his/her designee shall investigate the grievance and may conduct such meeting as he/she deems necessary. The City Manager or his/her designee shall notify the grievant in writing of his/her decision no later than forty-five (45) calendar days after receipt of the appeal.

Step 5. If a grievance as defined in this Article has not been satisfactorily resolved within the grievance procedure, the grievant may request arbitration in writing to the office of the City Manager no later than fourteen (14) calendar days after the date of the response from the City Manager in Step 4 of the Grievance Procedure. The date of the response of the City Manager or his/her designee shall be the date the decision is hand delivered or telefaxed to the grievant. If the grievant was represented by the Union during the grievance, the date of the response of the City Manager or his/her designee shall be the date the decision is hand delivered or telefaxed to the Union.

28.10 Upon appeal to arbitration, the employee, Union, or Employer may submit to the other the names of two (2) individuals, either of whom is acceptable to the Union, employee, or Employer to arbitrate the grievance. If within ten (10) calendar days after the request for arbitration, the two (2) parties involved in the selection do not mutually agree upon the selection of one (1) of the persons listed, or of some other person qualified to act or arbitrate, then the Union, or employee shall request the Federal Mediation and Conciliation Service to submit a panel of five (5) arbitrators. The request to the FMCS must be made no more than 30 calendar days after the request for arbitration or arbitration is waived. The arbitrators shall be selected from such panel by alternately striking names from the list (the grievant shall strike first), until the last name is reached.

28.11 The powers of the arbitrator shall be limited as follows:

- 1) The arbitrator shall not have the power to add to, subtract from, modify, or alter the terms of this Agreement;

- 2) The arbitrator shall have no authority to rule on jurisdictional disputes between groups of employees or Unions representing groups of employees;
- 3) The arbitrator shall have no power or authority to establish or change wage scales, rates for new jobs, or to change any established pay policies or the pay plan;
- 4) The arbitrator shall have only the power to rule on grievances arising under this Agreement as defined under Article 28, Section 28.1;
- 5) The arbitrator shall have no power to arbitrate any matter that arose before the effective date of this Agreement, or after the expiration of this Agreement;
- 6) The arbitrator shall promptly hear the matter and shall issue the decision within thirty (30) days from the close of the arbitration.

28.12 The decision of the arbitrator shall be final and binding on the City, the Union, and all persons, provided, however, that the arbitrator's decision is not outside or beyond the scope of the arbitrator's authority or violates Chapter 684 of the Florida Statutes.

28.13 Costs for the arbitrator and the hearing will be borne by the losing party. Transcripts will be paid for by the party requesting it. Each party will pay for their own representatives and witnesses.

28.14 No more than one grievance shall be placed before an arbitrator at any one hearing unless the City and the Union agree in writing to waive this provision.

28.15 Any step of the grievance procedure may be waived upon mutual agreement between the grievant and the City in writing.

28.16 In the case of a grievance arising from discipline of a non-probationary employee, other than discharge, demotion, or suspension, the decision of the City Manager at Step 4 of the grievance procedure shall be final and binding and no arbitrator shall have authority to review or alter any decision of the City Manager concerning discipline of non-probationary employees, other than discharge, demotion, or suspension.

28.17 Discipline of newly hired probationary employees, up to and including discharge, is not subject to the grievance procedure. No employee, or other person or entity, may file a grievance concerning the discipline, including discharge, or other employment action taken against any probationary employee and the City is not required to consider, respond to, or act upon any such grievance.

## **ARTICLE 29 RETIREMENT**

- 29.1 Retirement benefits and employee contributions for employees covered by this Agreement shall be as provided in the City of Jacksonville Beach General Employees' Retirement Plan (the "Plan"), except as provided below. All changes to the existing Plan shall take effect November 25, 2013 or upon implementation of this Agreement, if later (the "effective date").
- 29.2 The maximum benefit shall be 75% of final average compensation or \$90,000 annually, whichever is less; provided, any employee who has accrued a benefit in excess of \$90,000 on the effective date shall retain that accrued benefit if not greater than 75% of final average compensation, but shall not accrue any additional benefit after the effective date.
- 29.3 Compensation for pension purposes on and after the effective date shall be base pay plus longevity pay, and shall exclude overtime pay and all other compensation.
- 29.4 The normal retirement date for employees with less than 10 years of credited service on the effective date and employees hired on or after that date shall be age 55 with 30 years of credited service or age 62 with 10 years of credited service, whichever is earlier. Employees with 10 or more years of credited service on the effective date shall retain the current normal retirement date of age 60 with 5 years of credited service, or 30 years of credited service regardless of age.
- 29.5 The vesting period for employees with less than 5 years of credited service on the effective date and employees hired on or after that date shall be 10 years, including credited service before and after the effective date. The deferred benefit for employees with less than 10 years of credited service on the effective date and employees hired on or after that date who attain 10 years of credited service and separate from city employment prior to the normal or early retirement date shall be payable at age 55 with 30 years of credited service, age 62 with 10 years of credited service, or age 65 with 5 years of service, whichever is earliest.
- 29.6 The above changes shall not apply to any employee who has reached age 60 with 5 years of credited service or 30 years of credited service regardless of age on the effective date.
- 29.7 The DROP shall be closed to new members on the effective date, and replaced with a BACK-DROP. Employees who are participating in the DROP on the effective date may continue to participate in the DROP under the terms in effect on the date they entered the DROP. Employees who reach the normal retirement date on or after the effective date, and employees who have reached the normal retirement date before the effective date but are not participating in the DROP on that date, and continue employment beyond the normal retirement date may elect the BACK-DROP. Under the BACK-DROP, an employee may receive a lump sum payment equal to the pension benefits the employee would have received had he/she retired on their normal retirement date, with interest at the rate of 3%.

29.8 Commencing on the effective date, the employee contribution shall be 7.95% of compensation.

**ARTICLE 30**  
**SPECIAL MEETINGS**

- 30.1 The City and the Union agree to meet and confer on matters of interest upon the written request of either party. The written request shall state the nature of the matters to be discussed and the reason(s) for requesting the meeting.
- 30.2 Discussion shall be limited to matters set forth in the request or other subjects mutually agreed to, but it is understood that these meetings shall not be used to renegotiate this Agreement.
- 30.3 Such special meetings shall be held within 10 calendar days of the receipt of the written request and at a time and place mutually agreeable to the parties.

**ARTICLE 31**  
**SAVINGS CLAUSE**

- 31.1 In the event any article, section, or portion of this Agreement should be held invalid or unenforceable by any court of competent jurisdiction, such decision shall apply only to the specific article, section, or portion thereof specified in the court's decision. Upon request of either party, the parties agree to meet for the purpose of negotiating a substitute for that specific article, section, or portion thereof. All other articles, sections and portions of this Agreement shall remain valid and enforceable.
- 31.2 If any provisions of this Agreement are found to be in conflict with the statutory powers of the City Manager or the City, said statutory power of the City Manager or the City shall take precedence.

**ARTICLE 32**  
**ENTIRE AGREEMENT**

- 32.1 The parties acknowledge that during negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understanding and Agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the City and the Union, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
- 32.2 This Agreement is complete in writing. It may be amended only by an instrument in writing, signed by the City and appropriate union representatives. Such an amendment may be effective during the term of this Agreement and may extend the term of this Agreement. This Agreement does not operate to include, nor does it obligate the City to continue in effect, any working conditions, benefit or past practice which is not covered or contained in this Agreement.
- 32.3 No wage or benefit increases are automatic unless expressly provided in this Agreement, but may be the subject of a timely request for collective bargaining.

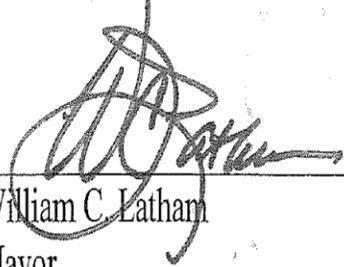

**ARTICLE 33**  
**DURATION OF AGREEMENT**

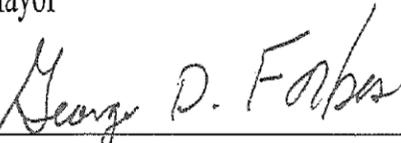

- 33.1 This Agreement shall commence and become effective on November 1, 2013, and shall continue in full force and effect until midnight of the September 30, 2016. If either party desires to negotiate a successor agreement, it may do so by giving the other party written notice to that effect.

## APPENDIX B

### POSITION CLASSIFICATION AND PAY PLAN

#### A. Appointments and Starting Rates

- 1) The minimum salary established for a position is considered the normal appointment rate for new employees.
- 2) Appointments below or above the minimum salary may be authorized by the City Manager if the applicant's training, experience or other qualifications are substantially above those required for the position. Exceptions are as noted in the trainee category.
- 3) When an employee is promoted from a lower to a higher pay grade, the promotion shall always include a minimum of a five percent (5%) salary increase, (this provision shall apply to promotions only and not to transfers or qualification advancements).

#### B. Administration of the Pay Plan

- 1) The Pay Grade Schedule provides pay grades and salary ranges in hourly and annual amounts. Minimums, maximums and midpoints are identified.
- 2) An employee may receive a salary increase by means of a merit salary advancement, promotion or reclassification, provided there is an availability of funds.
- 3) The rate of pay of an employee within the pay grade will depend on merit. There are no provisions in the pay plan for automatic salary advancement as all merit increases are to be based upon work performance and other pertinent factors as evaluated by the employee's supervisor.
- 4) The City Manager may approve special salary increases based on evaluation of performance.

#### C. Merit Increases

- 1) A merit salary advancement is a salary increase within the same pay grade and is not considered to be automatic but based upon an evaluation of performance of an individual.
- 2) An employee is eligible for a merit salary advancement on the anniversary date of his/her employment in the position, as warranted by performance, provided that funds are available for the increase.

- 3) Rules guiding the performance evaluation system determine whether there will be no increase or the increase will be 2% to 3% of the midpoint within the employee's current pay grade. Recommendations for no increase or salary decrease must be justified.
- 4) Merit increases in excess of 2% of the midpoint within the applicable pay grade may be justified for employees deserving special recognition and must be approved by the City Manager,

D. Probationary Increases

Upon satisfactory completion of the probationary period as a new employee or following a promotion, the employee shall be eligible for a merit salary advancement of 3% to 5% over the employee's current rate of pay.

E. Apprentice Career Development Program

Employees participating in the Apprentice Lineworker or Apprentice Relay Technician Career Development Program will progress through the salary grade assigned to the job classification commensurate with their completion of all education, training and performance requirements of the program as well as annual performance evaluations.

At the beginning of the 5<sup>th</sup> year; upon satisfactory completion of the apprenticeship program, apprentices will be eligible for a qualification advancement to grade 202. Apprentices will remain in grade 200 until satisfactory completion of the program. Apprentices who successfully complete the program, demonstrate competency and maintain satisfactory performance, as determined by the City, shall be eligible for a 10% salary increase upon qualification advancement.

This schedule eliminates pay increases upon satisfactory completion of the 6 month probationary period and replaces merit increases.

F. NERC Certified Operators

Electric System Operators who obtain NERC certification shall receive a qualification advancement to grade 202. Electric System Operators who possess NERC certification and demonstrate competency in system operation through testing/training, and maintain satisfactory performance, as determined by the City, shall be eligible for a salary increase of 15% upon qualification advancement.

G. Lead Worker Category

A Lead Worker position is defined as a work assignment where duties of a supervisory nature are assigned over a group of positions classified the same as that of the Lead Worker. The assignment is typical in laboring or trade occupations where the foreman or supervisor must visit several locations during the hours of a work day and work crews are left on the job without direct supervision.

The assignment of a Lead Worker should be made with care and be monitored periodically to assure that the employee is functioning in this capacity.

When assigned as Lead Worker the employee should receive up to a three percent (3%) increase above present pay while on the assignment. When the assignment is removed, the special pay provision will be removed. All Lead Worker assignments must be approved by the City Manager prior to any compensation payment.

H. Training Category

In the event an applicant does not meet the minimum qualifications but is otherwise qualified for the position, the hiring authority may request the appointment as a trainee. In such cases the employee would be hired at a rate of 10 to 30 percent below the minimum salary until the minimum qualifications have been satisfied. This category is used to train people on the job who have a potential to do the work but lack some of the skills or experience needed. The normal time a person would spend in this category would usually be a minimum of six months and a maximum of eighteen months.

I. EXCEL (Excellent City Employees with Longevity) Program

- 1) An employee may be eligible for a lump sum award of 2% to 3% of the midpoint within the employee's current pay grade, based upon the performance evaluation, once the individual has achieved progression to the maximum pay in the assigned pay grade. EXCEL awards will be provided in one lump sum and will not be added to the employee's base pay. Appropriate tax exclusions will be made.
- 2) EXCEL lump sums may be awarded once every year. An EXCEL award shall not be given during the same year as a merit increase. Exception is granted if the individual is recommended for an increase and in order to award the increase it is necessary to combine the merit increase with a lump sum EXCEL amount so that the employee's pay rate does not exceed the maximum rate for the pay grade.

J. Effective Date

The Position Classification and Pay Plan shall be effective on November 1, 2013 and shall remain in force and effect until October 31, 2014.

## **II Introduction**

Alcohol and drug abuse have become one of the nation's greatest problems. Unfortunately, we are not immune to such problems in the workplace. The City will not accept any risk that the safety of our employees, the safety of the general public, the quality of our services or work productivity may be impaired by the abuse of alcohol or use of illegal drugs.

This policy is implemented pursuant to Executive Order 12584 (Drug Free Workplace Act), the drug free workplace program requirements set forth in ss440.102 of the Florida Workers' Compensation Act, the Florida Administrative Rules 59A-24, Drug Free Workplace Standards (440.102), 49 C.F.R. Part 391 - Department of Transportation Controlled Substance Testing, 49 C.F.R., Part 40- Department of Transportation Procedures for Workplace Drug Testing Program and ss316.302 Florida Statutes, traffic and safety for commercial motor vehicles.

### **III POLICY**

It is the policy of the City to maintain a drug-free workplace. As a condition of continued employment, all employees must refrain from using illegal or unprescribed drugs on or off the job and abide by the terms of this policy. It is a condition of employment that employees do not report to work with the presence of drugs or alcohol in their bodies. The use, sale, manufacture, distribution, purchase, possession, dispensing, or being under the influence of illegal drugs, or non-prescribed controlled substances on or off the job is strictly prohibited.

The use, sale, distribution, possession or being under the influence of alcohol during the employee's working hours, in any work area on City property, while on City business or while operating a City owned or leased vehicle (or any vehicle being used for City business) is strictly prohibited.

In order to detect the use of these substances, as described above, employees will be directed to submit to urinalysis drug tests, blood tests, breath or saliva tests. Employees who refuse to be tested or who test positive for drugs or alcohol will be subject to discipline, up to and including termination of employment, and any illegal drugs found on City property will be turned over to appropriate law enforcement authorities. Pursuant to the Federal Highway Administration Controlled-Substance Testing Regulations, a person who tests positive for the use of controlled substance for which the City is testing is medically unqualified to operate a commercial motor vehicle. Furthermore, if a driver refuses to be tested, such refusal will be treated as a positive test and the driver will not be permitted to operate a commercial motor vehicle. An employee injured on the job who refuses a drug test or whose test is confirmed positive will forfeit all workers' compensation medical and indemnity benefits in addition to any disciplinary action.

The use of alcoholic beverages by City employees on City premises or on City assignment may take place only when part of an approved city function. The authorization of alcoholic beverages at such functions does not relieve employees from the responsibility of exercising moderation and judgment so as not to represent a danger to themselves, other employees, the general public, or the City's reputation.

Employees with substance abuse problems are urged to discuss a rehabilitation option with their Employee Assistance Provider and/or a local drug and alcohol rehabilitation program. A representative sampling of such local programs and their respective contact information is attached to this policy. Employees who voluntarily come forward and admit (without being directed to submit to testing and absent any misconduct or injury or property damage) to being a user of illegal drugs shall be offered the opportunity for counseling or rehabilitation.

Employees who wish to contact the City Employee Assistance Program directly are encouraged to do so. This is a confidential service that can be utilized without City involvement. Information regarding this assistance program is attached and if you have any questions please contact the Personnel Department or your supervisor.

This policy is part of the collective bargaining agreement and employees retain the right to appeal any alleged violations of the collective bargaining agreement to the Public Employees Relations Commission or applicable court.

## VI RULES

### A) Prohibition

- 1) Use or possession of any illegal drug is prohibited.
- 2) Possession of alcohol while on City premises or on duty is prohibited.
- 3) Being under the influence of any illegal drug or alcohol while on duty is prohibited.
- 4) Sale, manufacture, distribution, or dispensation of any illegal drugs is prohibited.

EXCEPTION: Use or possession of a controlled drug that is prescribed to an employee is permitted as prescribed for and used by that employee only. Such prescriptions can have a direct impact on vigilance, judgment, coordination, vision, hearing and alertness. Therefore, an employee who must use prescribed drugs during work and whose physician advises that performance or behavior could be negatively affected by such use, must report this fact to their supervisor, Department Director or the Personnel Director before they report to duty.

Possession or use of alcohol while on City premises is allowed only during social and recreational events where alcohol is permitted. This does not relieve employees from the responsibility of exercising moderation and judgment so as not to represent a danger to themselves, other employees, the general public, or the City's reputation.

### B) Circumstances Warranting Testing

1) If the City has "Reasonable suspicion" that an employee has consumed or is under the influence of alcohol or illegal drugs the employee will be asked to undergo a urinalysis and/or blood test as directed. Reasonableness will be established when two managerial/supervisory employees concur that there is a reasonable suspicion that an employee is using, under the influence of, in possession of illegal drugs or alcohol while on duty, or that the employee is abusing illegal drugs or alcohol which is affecting job performance or represents a threat to the safety of the employee, his co-workers, or the public. In circumstances where it is not feasible to have two managerial/supervisory employees concur that there is reasonable suspicion, (no other supervisor is available or time is critical in ordering the test) testing may be ordered by one supervisor/manager. This will include incidents where employees are involved in an accident involving personal injury or property damage.

2) After-care monitoring. Anytime within two years after an employee has tested positive for the presence of illegal drugs or alcohol or admitted inappropriate or illegal usage after completing initial rehabilitation, whichever is later is subject to follow-up testing. After an employee tests positive for the presence of alcohol or drugs or admits the inappropriate or illegal use of alcohol or drugs, the employee shall submit to random follow-up testing at least once a year, at the City's direction, for a 2-year period commencing upon completion of the drug rehabilitation program.

3) Routine Medical (Fitness for Duty) Examinations. Employees who are otherwise routinely scheduled for medical examinations will be tested for illegal drugs and alcohol as part of the medical examination.

4) Random Drug Testing. Limited to employees operating vehicles which have been identified to fall under Department of Transportation Alcohol and Drug Testing Rules.

5) Post Accident Testing. All employees operating vehicles which have been identified to fall under DOT Alcohol and Drug Testing Rules if ticketed for a moving violation as a result of a reportable accident.

### C) Tests

1) Whenever an employee is required to be tested they shall provide urine or blood specimens as directed by the City contracted collection/testing facility.

2) Testing/collection shall be conducted at a City contracted facility. Testing will be conducted in accordance with U.S. Department of Health & Human Services and NIDA guidelines. Post accident testing will also be conducted in accordance with the Florida Workers' Compensation guidelines and positive test results will be reported to the insurance carrier.

3) The type of tests to be conducted will be determined by the City in compliance with applicable Federal and State Laws. A listing of the drugs for which an individual will be tested shall be provided *immediately prior to the test* and shall include but not be limited to the following:

- Alcohol/Beer (booze, drink, hard liquor, wine)
- Amphetamines (binhetamine, desoxyn, dexedrine)
- Barbiturates (phenobarbital, tuinal, amytal)
- Benzodiazepines
- Cannabinoids (marijuana, hashish, hash, hash oil, pot, joint, roach, leaf, grass, weed, reefer)
- Cocaine/Cocaine metabolite (coke, blow, nose candy, snow, flake, crack)
- Opiates (opium, dover's powder, paregoric, parepectolin, codeine, morphine, heroin, demoral)
- Phencyclidine
- Myethaqualone
- Synthetic Narcotics
- Designer Drugs and Metabolites of any of the above listed drugs

The City reserves the right to test for additional drugs upon advance notice.

4) When an employee tests positive on an initial test a confirming test will be included in the testing procedure.

5) Any employee scheduled for testing has the right to consult the testing laboratory for technical information regarding prescription and nonprescription medication.

6) The City shall pay for the costs of any tests it requires.

7) Any employee who refuses to submit to substance abuse testing will be subject to discharge.

8) Employees required to be tested shall be driven to the testing facility by the City. Under no circumstances is an employee suspected of drug or alcohol abuse to be allowed to drive himself/herself to a test facility. Picture identification is required at the testing site.

#### D) Confidential History of Medication

Prior to any drug or alcohol testing, employees will be provided confidential "History of Medication" forms on which to report to an independent Medical Review Officer ("MRO") the use of prescription and non-prescription medications before being tested. Individuals testing positive for drug or alcohol use will be given an additional opportunity to provide this information to the MRO after being tested. A list developed by the Agency for Health Care Administration, of the most common drugs or medications (by brand name or common name, as well as by chemical name) which may alter or affect a drug test, is attached to this policy. The Medical Review Officer may also be consulted for technical information concerning prescription or non-prescription medication.

#### E) Explanation of Test Results

An employee who receives a positive confirmed drug test result may contest or explain the result to the MRO within five (5) working days after written notification of the positive test result. If an employee's explanation or challenge is unsatisfactory to the MRO, the MRO will report the positive test result to the employer. The employer then has another five (5) working days to contact the employee again to advise him/her of the test result and the employee's right to appeal. The employee may contest the test result as provided by the Rules of the Division of Workers' Compensation by filing a timely claim for benefits with a Judge of Compensation Claims or, if no injury has occurred, with a court of competent jurisdiction. Any such challenge must be filed within 30 days after the individual receives notice that his or her explanation of the test result was unsatisfactory. In addition, at the individual's own expense, employee may request to have a portion of the specimen retested at a state approved testing facility. If the individual contests the test result, the laboratory must be notified by the employee. The employee must also notify the laboratory of any administrative or civil action filed pursuant to Florida Statute Chapter 440.

#### F) Confidentiality

All information gathered as a result of a drug test on employees shall be considered confidential and maintained separately from personnel records. Information may be released only under a "need to know" basis or if authorized by law. Any individual found to violate this confidentiality, will be subject to disciplinary action up to and including discharge.

## G) Arrest or Conviction for Drug-Related Offenses

Any employee who is either arrested, indicted or convicted of a drug or alcohol related violation must report this information to his or her Supervisor no later than five (5) days after such arrest, indictment or conviction.
