When an employee is excused from jury duty he shall be obligated to return to the store for his normal day's work whenever reasonably possible.

The immediate family is defined as the spouse, child, sister, brother, parent or spouse’s parent. In the event of the death of a member of the employee’s family, other than the immediate family, the employee shall have one (1) day off without loss of pay to attend the funeral.

Part-time employees shall be entitled to up to three (3) days bereavement leave for days actually scheduled, for four (4) hours each day, however, not beyond the day of the funeral in the case of death of a spouse or child. In the case of death of a parent, brother or sister, one (1) day shall be granted.

**ARTICLE 13 ** SENIORITY

A. Seniority for full-time employees shall be continuous from the first (1st) day of hire within the bargaining unit. All new employees shall be on probation for a trial period of thirty (30) days, after which they shall be placed on the seniority roster and their seniority date from date of hire. Effective October 26, 1986, the probationary period shall be sixty (60) days for employees new to the industry.

B. Seniority for full-time employees shall be measured on the basis of service within the Metro Group, formerly designated as the Eastern Region, covered by this Agreement, except that as to the Borough of Richmond which shall have separate seniority. Layoffs and rehiring of such employees shall be based upon seniority within classification within the unit. Seniority for Journeyman B will be within the current journeyman apprentice classification. Promotions within the Employer unit shall be based on fitness and ability with seniority a factor only when all other things are equal.

C. Full-time employees with more than one (1) year’s seniority if laid off, through no fault of their own, shall be given preference for available part-time employment before new part-time employees are hired. Such employees shall be paid the hourly rate equivalent to the full-time
hourly rate of pay previously received. Rights under this Article shall continue for a period not exceeding one (1) year from the date of layoff, except as provided in Paragraph (T) of this Article.

D. When a full-time employee is rehired within the one (1) year period of layoff as provided for in Paragraph C, his seniority rights shall be restored on the first of the month following his re-employment. During the period of layoff, all fringe benefits shall be cancelled and the period of layoff shall not be counted as months of employment in relation to fringe benefit credits, or in relation to progression on the wage scale.

E. When a part-time employee is rehired within ninety (90) days of layoff, his seniority Rights shall be restored on the first (1st) day of the month following his re-employment, and if he qualifies as required he shall be granted vacation and welfare benefits.

F. Any full-time employee who is laid off and fails to report for work when recalled from the layoff within seven (7) days (unless excused for a longer period by the Employer’s employment office) after the Employer has deposited in the United States mail, postage prepaid, a registered letter directed to the Union and to such employee at his last known address as shown by the records of the Employer, shall terminate his seniority.

G. When two (2) or more employees are hired on the same in the same seniority area, the Employer will notify the Union of their seniority status by providing the highest seniority to the lowest social security number.

H. The Employer agrees to give one (1) weeks' notice to the full-time employees and the Union prior to layoff because of lack of work, and the full-time employee agrees to promptly notify (within one [1] week) the Employer of his choice of accepting part-time work in lieu of layoff.

I. Any discharged employee who is reinstated through the grievance or arbitration procedure of this Agreement shall have his seniority status made whole upon his return to work.

J. Separate seniority lists of full-time employees by classification and part-time employees shall be made available to the Union.

K. Layoffs of part-time employees shall be based upon seniority. Part-time seniority shall be measured on a store unit basis. Part-time employees transferred from one (1) store to another within the bargaining unit shall carry with them their accumulated seniority. Seniority rights under this paragraph shall continue for a period not exceeding ninety (90) consecutive calendar days from the day of layoff.

L. In the event of a store closing, part-time seniority shall prevail within classification and job assignment within a District Manager’s area, provided the employee is qualified and available to work the hours of the least senior employee replaced.
M. The Employer will furnish the Union weekly with a list of newly hired and terminated employees.

N. A separate seniority list covering the classification of Meat Department Head shall be prepared by the Employer and made available to the Union. On demotion, pursuant to section (I) above a Meat Department Head, he shall be returned to his former job as Ice Box Man or Journeyman Butcher, as the case may be, and slotted into the seniority list of full-time employees. Such employee shall be credited with service as Meat Department Head in the computation of his seniority. In all other respects this Article shall apply to Meat Department Heads as a separate classification.

O. All full-time employees hired prior to December 31, 1985, shall not be severed (except for just cause) during the period of this Agreement. It is the intention of this provision to guarantee full-time employment to these full-time employees but not to establish a guarantee against reclassification.

P. When full-time openings become available, part-time employees will be given first (1st) consideration to fill the full-time openings.

ARTICLE 14 TRANSFERS

A. In the event a full-time employee is permanently transferred to another store, the Union and the employee shall be notified in writing at least one (1) week in advance of said transfer. Any such transfer for a period in excess of two (2) weeks shall be considered a permanent transfer. When a full-time employee is transferred from one (1) division to another (whether or not it involves a transfer from the jurisdiction of one (1) Local Union to another), he shall be credited in the new division with the seniority accrued in the Company. The Employer will consider the request of full-time employees for transfers within the respective bargaining unit of each Local. A temporary transfer of an employee in any given day to more than one (1) store shall be avoided except in case of extreme emergency. Such temporary transfer shall be successively made on the basis of classification (i.e., Journeyman Butchers, Apprentices, Wrappers), and unit seniority in the store.
