CARPENTERS' MASTER AGREEMENT
Between
ASSOCIATED GENERAL CONTRACTORS OF CALIFORNIA, INC.
and
CARPENTERS' 46 NORTHERN CALIFORNIA COUNTIES CONFERENCE BOARD
of the
UNITED BROTHERHOOD OF CARPENTERS AND JOINERS OF AMERICA (AFL-CIO)

PREAMBLE

This Agreement represents a new beginning of cooperation between signatory employers and the Union in a mutual effort to retain and regain the major portions of the work within the geographic area for unionized construction. The successes of the Agreement will be judged on the ability of the signatory contractors to be successful in obtaining contracts where union employees will be employed.

CARPENTERS MASTER AGREEMENT (AGC)
46 Northern California Counties
2003-2008

SECTION 1

THIS MASTER AGREEMENT, made and entered into this 1st day of July, 2003, by and between the ASSOCIATED GENERAL CONTRACTORS OF CALIFORNIA, INC. This Agreement amends, modifies, supplements, changes, extends and renews the Agreements dated June 16, 1971, July 18, 1974, June 16, 1977, June 16, 1980, September 1, 1982, January 1, 1986, April 1, 1988, June 16, 1992, June 16, 1996, August 1, 1999 and is effective July 1, 2003*.

*Effective date of July 1, 2003, effective for signatory employers signed to the new agreement prior to July 1, 2004. All employers not signatory prior to July 1, 2004, effective date shall be July 1, 2004.

SECTION 2
TERM OF AGREEMENT

This Agreement shall remain in full force and effect from the 1st day of July, 2003, through the 30th day of June, 2008, and shall continue thereafter unless either party, not more than ninety (90) days nor less than sixty (60) days prior to the 30th day of June, 2008, or not more than ninety (90) days nor less than sixty (60) days prior to the 30th day of June of any subsequent year in which the Master Agreement may terminate, serves written notice on the other of its desire to change, modify, amend, supplement, renew, extend or terminate this Agreement.

All notices required to be given to the Union shall be addressed to it at 255 Hegenberger Place, Oakland, California 94621.
While this Agreement continues in effect, neither party will make demands upon the other party for any changes in conditions or benefits or for any new or additional conditions or benefits except at the time and in the manner provided above. Notice to the Employer shall be deemed notice to all individual employers.

The parties to this Agreement recognize the necessity of assuring the competitive position of the parties within the industry during the term of this Agreement. Consistent with that recognition, the parties will continually monitor the effectiveness of this Agreement relative to specific geographic or market areas and will endeavor, by mutual agreement, to initiate such modifications to the Agreement during its term as may be necessary to assure the work opportunities of the employees and the competitive position of the individual employers.

SECTION 5
RECOGNITION OF EMPLOYER

The Union hereby recognizes the Employer as the sole and exclusive bargaining representative for their respective members, present and future, who are or hereafter become members.

SECTION 6
EMPLOYER MEMBERSHIP

This Agreement is made for and on behalf of and shall be binding upon all persons, firms or corporations under any name or style of doing business in the construction industry that, at the time of the execution of this Agreement are, or during the term hereof become, members of the Employer, in the area covered by this Agreement. A list of such individual employer members shall be furnished to the Union upon the execution of this Agreement, and thereafter shall be furnished to the Union not less often than once a month.
All individual employers shall be and remain liable under this Agreement for and during the term thereof, irrespective of whether such individual employers shall resign from membership in the Employer or withdraw from the Multiemployer Bargaining Section prior to the expiration date of this Agreement, and such liability shall be deemed to have survived the termination of said membership or withdrawal and remain in force for and during the term of this Agreement. Such individual employers shall be bound by any amendments, modifications, supplements, changes, extensions or renewals of or to this Agreement unless such individual employer gives written notice to the Employer and the Union not more than ninety (90) days nor less than sixty (60) days prior to July 1, 2003, or July of any year in which this Agreement may terminate.

SECTION 7
RECOGNITION OF UNION

The employer and each individual employer expressly acknowledge that they and each of them have satisfied themselves that the Union and/or each of its constituent bodies represents a majority of employees employed to perform bargaining unit work and agrees that the Union and/or each of its constituents is the collective bargaining representative of such employees. The Employer, on behalf of itself, each of its members and each individual employer specifically agrees that it and they are establishing or have established a collective bargaining relationship by this Agreement within the meaning of Section 9 of the National Labor Relations Act of 1947, as amended. The Union is recognized as the sole and exclusive bargaining agent for itself, the NCCRC and all of its affiliated local unions.

SECTION 8
INDEPENDENT AGREEMENT

In the event the Union establishes special conditions for work covered by this Agreement, those special conditions shall be made available to the Employer or individual employers who wish to perform the designated work in the same locality as provided for in that immediate Area Agreement.

The Union will promptly notify the Employer in writing of any amendment, modification, exception or addendum to this Agreement which might be negotiated in any area covered by this Agreement between the Union, any individual employer or group of individual employers.

SECTION 9
LIABILITY OF THE PARTIES

This Agreement is made for and on behalf of, and shall be binding upon all persons, firms and corporations, who at the time of execution of this Agreement are members of the Employer, or subsequently become members of the Employer as defined in Section 6 (Employer Membership). This Agreement is binding upon each individual employer regardless of whether or not the individual employer changes the name or style or address of the business. Each individual employer, corporate or other legal entity, or its successor as per Section 6 (Employer Membership), shall be liable, subject to, and bound by this Agreement. It is agreed that the wages, hours and working conditions of this Agreement are the wages, hours, and working conditions in the area covered by this Agreement.

Except as may be provided in Section 2 (Term of Agreement) of this Agreement, each employer individually signatory hereto waives any right that he or it may have to terminate, abrogate, repudiate, or cancel this Agreement during its terms, during the term of any future modifications, changes, amendments, supplements, extensions, or renewals of or to said Master Agreement, or to file any Petition before the National Labor Relations Board seeking to accomplish such termination, abrogation, cancellation or repudiation.
SECTION 10
GENERAL SAVING CLAUSE

It is not the intent of either party hereto to violate any laws, rulings, or regulations of any governmental authority or agency having jurisdiction of the subject matter or of this Agreement, and the parties hereto agree that in the event any provision of this Agreement is finally held or determined to be illegal or void as being in contravention of any such laws, rulings or regulations, nevertheless, the remainder of this Agreement shall remain in full force and effect unless the parts so found to be void are wholly inseparable from the remaining portion of this Agreement. The parties agree that if and when any provisions of this Agreement are held or determined to be illegal or void they will then promptly enter into lawful negotiations concerning the substance thereof.

It is the intent of the parties to this Agreement that each and every, all and singular, of the provisions of this Agreement be fully in accordance with Federal and State Law. Its interpretation and the interpretation of each of the provisions of this Agreement are therefore intended to apply no broader than that permitted by law.

SECTION 11
NO DISCRIMINATION

It is mutually agreed by the Employer and the Union to fully comply with all the provisions of Title 7 of the Civil Rights Act of 1964, Presidential Executive Orders No. 10925, 11114 and 11246, and California Fair Employment Practices Act, and Americans with Disabilities Act of 1991 to the end that no person shall, on the grounds of age, sex, race, color, disability as defined by the Americans with Disabilities Act, national origin or Vietnam Veteran status, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination by not having full access to the contents of this Agreement.

SECTION 12
UNION SECURITY

(1) Every person performing work covered by this Agreement who is a member of the Union and in the employment of an individual employer on work covered by this Agreement on the effective date of this Section 12 shall, as a condition of employment or continued employment, remain a member in good standing of the Union or the appropriate Local Union of the Union. Every other person covered by this Agreement and employed to perform work covered by this Agreement shall be required, as a condition of employment, to apply for and become a member of and to maintain membership in good standing in the Union or the appropriate Local Union of the Union which has jurisdictional jurisdiction of the area in which such person is performing work on the expiration of eight (8) days of employment, continuous of cumulative, on such work following the beginning of such employment or the effective date of this Section 12, whichever is later. Membership in any Local Union shall be available to any such person on the same terms and conditions generally applicable to other members. If Federal law is hereafter amended to permit a lesser requirement for union membership or union membership as a condition of employment than provided in this Section 12, the Employer and the Union will promptly enter into negotiations with regard to such subject.

(2) The individual employer shall not be required to discharge any employee pursuant to this Section 12 until a written notice from the appropriate Local Union of the Union of such employee’s non-compliance with this Section 12, stating all pertinent facts showing such non-compliance, shall have been served upon such individual employer and two (2) working days shall have been allowed for compliance therewith.

(3) No person (owner, partner, or officer of any individual employer) shall be permitted to perform work covered by this Agreement unless such person is covered by all the provisions of this Agreement including the payment of
all Trust Fund contributions; provided, however, that not more than one (1) owner may be permitted to work with the tools under the same conditions with the exception of Section 12 (1). This section shall not be interpreted so as to diminish work opportunity for employees covered by this Agreement.

Membership in good standing shall be defined as the tendering of uniform initiation fees and dues, including work fees.

SECTION 13

UNION REPRESENTATIVE

Union representatives shall be permitted at all times upon any place or location where any work covered by this Agreement is being, has been or will be performed. Where there are visitation restrictions imposed at the jobsite by entities other than the individual employer, the individual employer will use his best efforts to provide access to the site by the union representative.

SECTION 14

STEWARDS

(1) A steward shall be a working journeyman employee, appointed by the Local Union or NCCRC of the Union, who shall, in addition to his/her work as a journeyman be permitted to perform, during working hours, such of his/her Union duties as cannot be performed at other times. The Union agrees that such duties shall be performed as expeditiously as possible and the Employer agrees that stewards shall be allowed a reasonable amount of time for the performance of such duties. The Union shall notify the individual employer of the appointment of each steward. Unless notified to the contrary, the first journeyman on the job shall act as job steward until the Union appoints a successor. In no case shall a foreman be a steward.

(2) No steward shall be discharged or laid off except for just cause. In the event of layoff or discharge of a steward, the Union shall be given notice in writing at least two (2) working days prior to the effective date of such discharge or layoff. Such notice shall contain the reasons for layoff or discharge.

The steward shall be the last employee other than the foreman to be laid off for lack of work but may be transferred to another job providing the Union is given prior notice for the transfer.

(3) Application or violation of this Section shall be subject to Section 51 “Grievance Procedure.”

SECTION 15

NO STRIKE

Except as provided in this Section, there shall be no strike, lockout or work stoppage by any party hereto or any individual employer. The Union may withhold workers or picket the job of any individual employer who fails to pay wages or is in violation of the Piece Rate Prohibition or Trust Fund Contribution provisions of this Agreement. The Union may withhold workers of any subcontractor who fails to pay wages or is in violation of the Piece Rate Prohibition or Trust Fund Contribution provisions of this Agreement. The Union, with five (5) days written notice to the individual employer may withhold workers or picket the job of any individual employer for violation of the Hiring Hall (Section 49), Union Security (Section 12) or Subsistence (Appendix A) provisions of this Agreement only if no dispute exists between the Employer and the Union concerning such alleged violation.
SECTION 16
JURISDICTIONAL DISPUTES

There shall be no cessation or interference in any way with any work of the Employer or any individual employer by reason of Jurisdictional Disputes between the Union and any other union affiliated with the AFL-CIO or the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America with respect to jurisdiction over any of the work covered by this Agreement. Such disputes will be settled by the Unions themselves, or submitted to the International Presidents of the Unions involved in the dispute, for determination. Until such determination is made and confirmed by the disputing Unions, the work shall proceed as originally assigned by the individual employer. Craft jurisdiction is neither determined nor awarded by classifications or coverage descriptions appearing in this Agreement. The individual employer shall be bound by an agreement between the General Presidents.

SECTION 17
PICKET LINES

The parties to this Agreement recognize that it is vital to the Unionized segment of the Construction Industry that the work opportunities of the employee and the individual employer signatory to this Agreement proceed without interruption because of disputes involving employers and/or unions not signatory to this Agreement.

The Union will not discipline, the individual employer will not permanently replace and the parties both agree not to threaten or cause to be denied the rights of individual workers to respect primary picket lines established at or on the jobsite of the Individual Employer.

SECTION 18
EFFICIENCY

It is agreed that the carpenters, through their field representatives, use their efforts to encourage greater efficiency on the job and that they refrain from the solicitation of premium payments for employees represented by the Union. The employees and the Union shall use their efforts to encourage greater efficiency compatible with sound construction practices on the job and shall refrain from the solicitation of premium payments for employees. Except as provided in Section 50 (Work Preservation, Contracting and Subcontracting) hereof, neither party to this Agreement shall by working rules or other means or device, impose or direct any work limitations affecting quantity restrictions, quotas or units of production, either maximum or minimum, relating to work covered by this Agreement.

No rules, customs or practices shall be permitted that limit production or increase the time required to do any work, there shall be no limitation or restriction of the use of machinery, tools or other labor-saving devices supplied by the individual employer.

SECTION 19
SAFETY

The Union shall cooperate (1) with the individual employer and with each other in carrying out all of the individual employer’s safety measures and practices for accident prevention and (2) employees shall perform their duties in each operation in such a manner so as to promote efficient operation of each particular duty and of any job as a whole. The Union and the Employer recognize that drug and alcohol abuse creates an unsafe and inefficient work place. The individual employer must post the name and address of their doctor and the compensation insurance carrier on the jobsite.
All Federal and State safety rules, regulations, orders and decisions shall be binding upon the individual employers and their employees and shall be applied to all work covered by this Agreement. No worker shall be required to work under unsafe conditions.

The individual employer shall be solely responsible for implementation and maintenance of such safety laws, rules, regulations, standards, orders and decisions. Neither the Union nor any Local Union or NCCRC is responsible for such implementation or maintenance.

All safety equipment required by State or Federal regulations, including hard hats, shall be provided and maintained by the individual employer without cost to his employees. Upon termination, the employee shall return such equipment to the individual employer.

SECTION 20
PRE-JOB CONFERENCES

(1) The individual employer shall at his option or at the option of the Union or NCCRC call for a pre-job conference. If the Union or NCCRC desires, it shall be entitled to a pre-job conference solely with the individual employer. The individual employer may include his subcontractors at such conference.

(2) The individual employer shall advise the Union or NCCRC in writing, at all times of the names (including trade names and names of individual proprietors or partners who signed the subcontract) and addresses of all subcontractors or his subcontractors employed or to be employed or contracted with for services to be performed under this Agreement. Such written notice shall be made at the pre-job conference or ten (10) days prior to the commencement of work by any such subcontractor.

(3) The individual employer shall, upon request of the Union or NCCRC, submit letters of past or present work assignment for purposes of clarifying questions of Union jurisdiction.

SECTION 21
AUDIT

Each individual employer upon request of the Union, the Employer, or any Trust Fund specified in this Agreement, shall permit the Trust Fund Auditors to review any and all records relevant to the enforcement of the provisions of this Agreement and to enter upon the premises of such individual employer during business hours at reasonable time or times to examine and copy such books, records, papers or reports of such individual employer as may be necessary to determine whether or not the individual employer is making full payment of all sums required by this Agreement. The decision as to the relevancy of records shall be made by the Joint Delinquency Subcommittee and their decision shall be binding on all parties. Such review shall be permitted not less than ten (10) working days after demand. If the individual employer cancels an audit appointment without appropriate two (2) hours' notice to the auditor, the cost of such lost time by the auditor shall be borne by the individual employer.

The cost of audit shall be borne by the individual employer if a shortage disclosed by the audit exceeds $4,500.00 and is not the result of clerical error.

Trustees of the Trust Funds specified in this Agreement are authorized to determine the appropriate formula to be applied to compute appropriate Trust Fund contributions. The individual employer shall be required to comply with such Trust Fund formula and make payments to the Trust Funds immediately upon being advised of the amount due.

Any legal action to compel audit entry shall be filed in the City and County of San Francisco, and the individual employer agrees that venue is properly in the City and County of San Francisco.
Any individual employer who refuses audit entry shall pay all the legal fees and costs necessary for compliance of audit entry.

The Union has the right to withhold workers from any individual employer who refuses to make available relevant records necessary for the completion of the audit.

Information derived from the audit shall be confidential and used solely for the enforcement of this Agreement.

SECTION 22
WORK DAY

The work day shall be eight (8) hours worked between the hours of 8:00 A.M. and 4:30 P.M.

Upon submission of prior written notice by the individual employer to the appropriate District office of the NCCRC, the regular work day may be changed to eight (8) consecutive hours (exclusive of the lunch period) between 7:00 A.M. and 5:00 P.M. The regular work day may be changed to eight (8) consecutive hours (exclusive of the lunch period) between the hours of 6:00 A.M. and 3:00 P.M. by written approval of the appropriate District office of the NCCRC. Once the regular work day is changed, it shall be for no less than five (5) consecutive regular work days and may be changed only by written notification from the individual employer to the appropriate District office of the NCCRC.

The rate of pay for all hours worked other than the regular established work day shall be governed by Section 26, "Overtime."

Any employee who works more than five (5) hours without a meal period shall be paid for all work in excess of said five (5) hour period (at applicable overtime rate) until a meal period is provided (such pay shall be reckoned by the hour and half-hour).

All pay shall be reckoned by the day and half-day as follows: Employees who start work at the regular work day or shift shall receive four (4) hours pay or pay for actual hours worked, whichever is greater, regardless of the reason for the inability to complete the regular work day or shift. If the employee voluntarily quits, the employee shall receive pay for actual hours worked.

SECTION 23
SHIFT WORK

Shift work can only be established upon prior notice from the individual employer to the Union and shall be performed as follows:

Except as provided below, where multiple shifts are worked, if the individual employer elects to work the day shift between the hours of 6:00 A.M. and 5:30 P.M., that shift shall work eight (8) hours and for such work they shall be paid the regular straight time rate for eight (8) hours; the second shift shall work seven and one-half (7-1/2) hours, and for such work they shall be paid the regular straight time rate for eight (8) hours; if a third shift is worked, they shall work seven (7) hours and for such work they shall be paid eight (8) hours regular straight time pay. No multiple shift shall be established or started for less than three (3) consecutive work days.

On tenant improvement or renovation projects in occupied buildings with a total contract value of five (5) million dollars or less, the individual employer may perform multiple shift operations on the basis of eight (8) hours pay for eight (8) hours work on all shifts at the regular straight time rate.
Overtime rates shall be paid for all hours worked on the second or third shift if less than three (3) consecutive days are worked. The provisions of this Section 23 with regard to rates of pay for shift work shall apply solely to the portion of the job which requires shift operations.

When it is a condition of securing the work, a special single shift may be established that will be for no less than three (3) consecutive days, for off hours between Monday and Friday, and will allow for eight (8) hours pay for eight (8) hours work. Work in excess of eight (8) hours per day shall be subject to the overtime provisions of this Agreement.

All work in excess of eight (8) hours on Saturday and all work on Sundays and holidays shall be double time.

Payments or contributions to each of the Trust Funds provided for in this Agreement shall be based on hours worked or paid for, which include contributions for eight (8) hours per shift. No payment or contribution shall be computed at the rate of time and one-half or double the required rate of payments or contributions per hour, nor shall any such payments or contributions be considered part of the hourly wage rate for the purpose of computing overtime, either under this Agreement, the Fair Labor Standards Act, the Walsh-Healey Act or any other law.

On shift work (a) workers working a shift who come off work on Saturday morning at 8:00 A.M. are to be considered working Friday; (b) workers working a shift who come off work on Sunday morning at 8:00 A.M. are to be considered working Saturday; and (c) workers working a shift who come off work on Monday morning at 8:00 A.M., are to be considered working Sunday.

All regularly scheduled shift work performed on Saturday, Sunday and Holidays, shall be in accordance with the overtime rates herein specified. All such work shall be performed under terms and conditions of this Section 23 as to hours worked and rate of pay.

SECTION 24
WORK WEEK

The regular work week shall consist of forty (40) hours of work Monday through Friday. In the event that work cannot be performed Monday through Friday because of inclement weather or major mechanical breakdown, employees may voluntarily make up such day on Saturday and shall be paid at the applicable straight time rates. As a courtesy, the individual employer shall advise the appropriate District Office of the NCCRC whenever it intends to implement the Saturday make-up day. (The Regional Council district office phone numbers are as follows: Central (510) 490-9700, Northern (916) 488-1002, and Southern (408) 779-0312.)

SECTION 25
HOLIDAYS

The following are recognized holidays: New Year’s Day, Martin Luther King’s Day, Washington’s Birthday, Decoration Day (Memorial Day), Independence Day, Labor Day, Thanksgiving Day, the Friday following Thanksgiving Day, and Christmas Day. If any of the above holidays fall on Sunday, the Monday following shall be observed as the holiday.

2006: Friday February 17th; Friday, May 26th; Monday, July 3rd; Friday, September 1st.
2007: Friday, May 25th; Friday, August 31st; Monday, December 24th; Monday, December 31st.
On Residential projects as described in Appendix C, "Residential Addendum" the work week shall remain as contained therein.

Designated Off Days on all public works shall be governed by Section 26 "Overtime".

**SECTION 26**

**OVERTIME**

A. On all building construction, the first two (2) hours prior to the start of the regular or approved day or the first four (4) hours after the end of the approved or regular work day, not to exceed a total of four (4) hours in any one work day shall be paid at time and one-half.

Time and one-half shall be paid for the first eight (8) hours worked on designated off days and/or Saturdays.

All other time shall be paid at double the straight-time rate.

B. On all heavy highway and engineering construction, including but not limited to the construction, improvement, modification, and demolition of all or any part of streets, highways, bridges, viaducts, railroads, tunnels, airports, water supply, irrigation, flood control and drainage systems, sewers and sanitation projects, dams, power houses, refineries, aqueducts, canals, river and harbor projects, wharves, docks, breakwaters, jetties, quarrying of breakwater or riprap stone, or operations incidental to such heavy construction work: all overtime worked, other than on Sundays and holidays shall be at time and one-half the regular straight time rate. All overtime worked on Sundays and holidays covered by this Agreement shall be at double the regular straight time rate.

**SECTION 27**

**PARKING**

In the event free parking facilities are not available within 1320 feet (measured by the most direct route on a dedicated vehicular public thoroughfare) of a jobsite, the individual employer will provide such facilities and the individual employer shall have the right to designate parking areas to be used. Where, because of congested parking conditions, it is necessary to use public facilities, the individual employer shall reimburse the employee for the cost of such parking upon being presented with a receipt or voucher certifying the cost thereof, such reimbursement to be made on a weekly basis or at the conclusion of the project, whichever occurs earlier. Designated parking area shall be drained and hard surface.

**SECTION 28**

**TOOLS**

Carpenters and apprentices shall furnish their own tools, but shall not furnish, rent or lease horses, ladders, mitre boxes, electric drills, automotive equipment to be used for the purpose of hauling or delivering individual employer’s materials or equipment, or any kind of power operated machines or saws. Each employee shall arrive on the job with tools in proper condition. To implement this section, the individual carpenter shall provide a tool box with a lock. If necessary the employee shall be allowed a reasonable amount of time during the work week to sharpen tools on the individual employer's time.

The individual employer shall provide a reasonably secure place where his employees may keep their tools. Where ten (10) or more carpenters are employed on any one (1) job or project the individual employer shall provide a separate tool
house, or a separate compartment of a tool house under lock and key, for the exclusive use of carpenters. Failure on the part of the individual employer to comply with the provisions hereof shall be referred to the Joint Adjustment Board. If any individual employee's full kit of working tools is lost by reason of fire or theft while in the individual employer's care, the individual employer shall reimburse the employee for such loss up to a maximum of $500.00. Within two (2) working days from the date of claim for loss of tools as provided herein, the individual employer shall acknowledge liability therefore or reject the claim.

SECTION 29
PICK-UP TIME

A carpenter shall be entitled to pick-up time, which shall not be less than five (5) or more than fifteen (15) minutes at the end of each work day, the particular amount of such pick-up time depending upon accessibility of the area to which the employee is assigned. The amount of pick-up time shall be determined by mutual agreement at a job site conference between representatives of the individual employer and the Union.

SECTION 30
SHOW UP TIME, TERMINATION PAY AND DISCHARGE

Other than on the first (1st) day of dispatch, in which case two (2) hours shall apply, workers who report for work, for whom no employment is provided, shall be entitled to four (4) hours pay, except where bad weather conditions beyond the control of the individual employer prevents employment.

Payments of contributions to each of the Trust Funds provided for in this Agreement shall be made with respect to payments required by this Section 30.

Except as hereinafter provided, carpenters who start work, but are discharged between the hours of 8:00 A.M. and 12:00 noon, shall receive (4) hours pay; carpenters starting work at 8:00 A.M. who are discharged between the hours of 12:00 noon and 4:30 P.M. shall receive pay only for hours worked.

Carpenters discharged on the first (1st) day of employment for inefficiency, insubordination or intoxication, shall receive pay only for hours worked. Carpenters who voluntarily quit shall receive pay only for hours worked.

DISCHARGED EMPLOYEE: Employees receiving notice of termination for any reason shall be allowed a reasonable time (not less than fifteen (15) minutes) before the end of the regular work day to assemble their tools in addition to the normal pick-up time prevailing on the job.

After forty (40) hours of employment, the individual employer may discharge any employee for just cause only. Just cause is subject to Section 51, the grievance and arbitration provision of this Agreement. The individual employer during the first forty (40) hours of employment may reject or discharge any employee for any reason.

Discharge for cause shall be in writing to the employee.

SECTION 31
PAYMENT OF WAGES

An employee who works the full designated work week shall receive on the last day of that work week pay for not less than the number of hours worked on the Monday of that same work week.
Each individual employer shall provide with each payroll check an itemized check stub showing separately the date of issuance, each contribution and deduction made from the payroll period covered by the check or a separate statement showing the name of the employee, the name and the individual employer’s contractor’s license number and/or address and the employee’s social security number. There shall be no cash payment of any nature or kind whatsoever. Payment by cash or second or multiple checks or combination thereof and the payment of excessive premium rates, excessive travel time or bonuses shall be prima facie evidence of an attempt to violate the provisions of this Section 31.

Should an individual employer compensate an employee with a check for which payment is refused by the individual employer’s bank because of insufficient funds, or should an individual employer fail to pay his employees on the regular established pay day for his job, the obligation of the individual employer to the individual employee shall continue at the employee’s regular straight time rate for a period not to exceed forty (40) hours, notwithstanding the above, unless the refusal of payment by the bank is due to the bank’s error or omission or to circumstances which are beyond the control of the individual employer. Any question concerning responsibility of the individual employer on whether the omission is beyond his control shall be subject to the grievance procedure of this Agreement. Nothing herein shall, however, prevent the individual employer from changing his payroll date upon five (5) days notice to the appropriate Local Union of the Union that the employee’s pay date is being changed.

If terminated by the individual employer for any reason the employee shall be paid immediately in full. His pay status shall continue for each calendar day until pay is received; provided, however, that not more than eight (8) hours pay shall be charged for any calendar day with a maximum of five (5) days.

SECTION 32
PROHIBITION OF PIECE WORK

No person shall be employed in work covered by this Agreement at piece rates or under any system of bonus pay. Payments by cash or second or multiple checks or combination thereof and/or the payment of excessive travel time, bonuses or other payments such as “Travel Pay” or “Subsistence,” where not required or permitted by this Agreement, shall be prima facie evidence of a violation of this Agreement.

If at the time of an audit piece work or bonus payments are discovered, those amounts will be subject to the conversion formula as set forth in Section 21 (Audit). The foregoing shall not apply to an annual bonus paid to supervisors.

SECTION 33
NONUNION FABRICATED MATERIALS

To the extent permitted by law, the individual employer will not require Carpenters to handle nonunion fabricated materials.

SECTION 34
INJURY

Employees who are, as a result of an industrial injury, unable to complete a full day’s work, shall nevertheless be paid for the full day on which such injury occurred; provided the attending physician has certified to the employee’s inability to complete his regular assigned work on that day of such injury.

An industrial injury shall not be cause for discharge and an applicant for employment shall not be rejected because of prior industrial injury, provided that any such prior industrial injury has not caused the applicant to be incapable of satisfactorily performing the duties and functions required by the job to which he is assigned or would be assigned.
SECTION 35
DOCUMENT SIGNING

No employee or applicant for employment will be required as a condition of employment or continued employment to sign any document not required by law.

SECTION 36
SUBCONTRACTOR RECORDS

On residential construction, excluding alteration and repair, the individual employer shall keep a record of all hours worked by persons performing work covered by this Agreement for each subcontractor on each separate job or project.

It is recognized and acknowledged that with respect to certain subcontracted functions such as installation of stairways, formica tops, and marlite, it would be difficult and impractical to record the precise hours worked at such functions. On such work the individual employer shall make an estimate of the hours worked by the installing subcontractor. These records shall be submitted monthly to the Trust Funds specified in this Agreement.

SECTION 37
BONDING

The Union may require of any individual employer who is delinquent in Trust Fund contributions and/or whose payroll checks have been returned for insufficient funds (“bounced”), that such individual employer be required to provide a bond not less than $5,000.00 or more than $75,000.00 at the option of the Union or Trust Fund to insure payment of his payroll and/or Trust Fund contributions. An acceptable letter from responsible party or joint checks may be substituted for Bond requirement. It shall not be a violation of this Agreement for the Union to withdraw carpenters from the job(s) of such individual employer who may upon demand and notice, fail or refuse to present such bond to the Carpenter Funds Administrative Office. 265 Hegenberger Rd, Ste. 200, Oakland, California 94621. In the event the defaulting individual employer is a subcontractor of a prime contractor signatory hereto, the latter will be notified and given opportunity to post bond as herein provided prior to the withdrawal of carpenters from the job(s); provided, however, the bonding company is approved by the Carpenter Funds Administrative Office for Northern California, Inc.

SECTION 38
APPENDICES

The following appendices attached to this AGC Agreement is incorporated herein and shall be part of this Agreement as though fully set forth herein. Subsistence (Appendix A), Millwrights (Appendix B), Residential (Appendix C), Insulators (Appendix D), Scaffold Erection (Appendix E) and Bridge Structure Addendum (Appendix F).

6. Subject to the foregoing, the individual employer shall have complete freedom of selectivity in hiring and the individual employer retains the right to reject any job applicant referred by the Union for any reason. The individual employer may discharge any employee for just cause as defined in Section 30; provided, there shall be no discrimination on the part of the individual employer against any employee for activities on behalf of or representation of the Union not interfering with the proper performance of his duties.

7. It is agreed that, notwithstanding the provisions of this subsection, the first Foreman and up to twenty-five percent (25%) of the employees employed to perform work covered by this Agreement on any project may be employees designated by the individual employer.

Further, an additional twenty-five percent (25%) of the employees employed to perform work covered by this Agreement on any project may be selected by the individual employer from workers who are registered on the out-of-work list and who are members of the Local Union having jurisdiction over the job or project at any location in the 46 Northern California Counties.

It is further agreed that, notwithstanding the provisions of this subsection, up to fifty percent (50%) of the employees employed to perform work covered by this Agreement on any residential project may be employees designated by the individual employer.

In all cases such employees shall be subject to the provisions of Section 12, (Union Security) and must be properly registered on the appropriate Local Union work list before dispatched.
The ratio of twenty five percent (25%) and fifty percent (50%) to other employees shall not be increased during any time with respect to the job. Whenever employees are laid off, the ratio cannot be increased.

8. Available for employment shall mean:
   
   (a) All individuals seeking employment under Subsection 1 of this section above shall comply with NCCRC policy regarding regularly established roll call time.
   
   (b) All individuals eligible for referral shall be present at the local union during dispatching hours; provided they may be present at a location where they can be reached by telephone if they live in a remote area. This may be waived if, due to extenuating circumstances they cannot be personally present.

9. Dispatching hours shall be as determined by the NCCRC Hiring Hall Policy daily.

10. Each individual, upon being referred, shall receive a referral slip to be transmitted to the individual employer representative at the jobsite, indicating his or her name, address, social security number, type of job, date of proposed employment and date of referral.

11. To ensure the maintenance of a current registration list, all individuals who do not re-register within two (2) weeks of their previous registration shall be removed from the registration list. If such individuals re-register pursuant to the provisions of this section they shall maintain their previous position on such list.

12. Individuals shall be eliminated from the registration list for the following reasons:
   
   (a) Dispatched to the job — except that any individual who is rejected by the individual employer or who fails to receive the equivalent of forty (40) hours straight time pay shall retain his or her position on said list.
   
   (b) Failing to accept suitable employment two (2) times during the current week at the time of dispatch. Employment which cannot be reached by an individual because of lack of transportation shall not be deemed suitable as to such individual.
   
   (c) Unavailable for employment during the current week.
   
   (d) Any individual dispatched to a job who fails to report for work or voluntarily terminated prior to receiving the equivalent of forty (40) hours pay shall be placed at the bottom of the list, provided he or she re-registers.

13. No individual who is rejected by the individual employer shall be referred to such individual employer with respect to the same request pursuant to which he or she was initially referred.

14. The local unions shall post in places where notices to applicants for employment with the individual employer are customarily posted, all provisions relating to the functions of the hiring arrangements, including the provisions set forth in this section, and each individual employer shall similarly post in places where notices to employees and applicants for employment are customarily posted, a notice of the hiring arrangements, including the provisions set forth in this section.

15. Selection of applicants for referral to jobs pursuant to this Agreement shall be on a nondiscriminatory basis and shall not be based on, or in any way affected by, union membership, bylaws, rules, regulations, constitutional provisions or any other aspect or obligation of Union membership, policies or requirements, provided that the provisions hereof shall not modify or qualify the requirements of Section 12 (Union Security) of this Agreement.
Any person, including an individual employer aggrieved by the operation of the hiring hall provisions of this section, has the right to submit his grievance to permanent hiring hall neutral arbitrator who shall be Gerald R. McKay or his successor, provided such submission is made in writing, stating the reasons for the grievance, within ten (10) work days after occurrence of the grievance. The neutral hiring hall arbitrator shall have full power to adjust the grievance and his decision thereon shall be final and binding upon the person submitting the grievance and all parties hereto. Forms for the submission of any such grievance shall be available at all times in the office of each local union or the NCCRC. Notices required by this subsection shall be mailed or delivered to Gerald R. McKay, P.O. Box 406, Burlingame, CA 94011-0406. The date of the postmark or the date of delivery of the grievance, whichever is later, shall stop the running of the ten (10) day period. The costs of the arbitration should be borne equally by the Employer and the Union regardless of which Local Union, NCCRC or individual employer is involved.

16. Any person dispatched in accordance with this Section by accepting such dispatch shall be deemed to have assigned to the Union his/her rights to collect unpaid wages or Trust Fund contributions.

17. The procedural rules for the operation of the NCCRC Hiring Hall shall be those Uniform Hiring Hall rules as established, amended or modified from time to time by the NCCRC pursuant to its Bylaws.

SECTION 50
WORK PRESERVATION, CONTRACTING AND SUBCONTRACTING

1. The purpose of this Section 50 is to preserve and protect the work opportunities that will be available to employees covered by this Agreement at the job site or job yard.

2. The terms and conditions of this Agreement, as far as it affects the Employer and the individual employer, shall apply equally to any subcontractor of any hier under the control of, or working under oral or written contract with such individual employer on any work covered by this Agreement to be performed at the job site or job yard, and said subcontractor with respect to such work shall be considered as an individual employer covered by this Agreement.

3. If an individual employer shall subcontract work herein defined, the work will be subcontracted to a subcontractor signatory to the appropriate Agreement with the Union. Such subcontract shall state that such subcontractor is or agrees to become signatory to an appropriate Agreement with the Union and will comply with all the terms and provisions of said Agreement including the payments of wages, Trust Fund contributions and fringe benefit payments. A copy of the subcontract and signature shall be furnished to the Union upon request.

4. The term "subcontractor" means any person, corporation or other entity, other than an employee covered by this Agreement, who agrees, orally or in writing, to perform for, or on behalf of the individual employer, any part or portion of the work covered by this Agreement. The subcontractor shall be properly licensed as required by the California State Contractors License Law.

5. The individual employer will give written notice to the NCCRC and/or Millwrights Local 102, (see Appendix B, Section 15) as the case may be, of any subcontract involving the performance of work covered by this Agreement within five (5) days of entering such subcontract and/or prior to commencement of work by the subcontractor, unless such notice is prevented by emergency conditions, and shall specify the name and address of the subcontractor.

5a. If thereat the subcontractor becomes delinquent in the payment of any wages, Trust Fund contributions, or fringe benefit payments, then the NCCRC, Local Union or the Trust Fund office shall give prompt
notice of the delinquency, confirmed in writing, to the individual employer and to the subcontractor. The notice shall specify the name and amounts, if known, of the delinquency.

5b. Said notification by the NCCRC, Local Union or the Trust Fund office shall be provided within twenty (20) days of publication of the Delinquency list provided by the Trust Funds or if in the case of failure to pay wages five (5) days from the applicable payday. If such notice is given, the individual employer shall pay and satisfy only the amount of any such delinquency by such subcontractor occurring within ninety (90) days prior to the receipt of said notice from the Union, and said individual employer may withhold the amount claimed to be delinquent out of the sums due and owing by the individual employer to such subcontractor.

5c. Notwithstanding the provision set forth above, if the subcontractor is found in violation of the hiring provisions of this Agreement, pursuant to the provision of Section 51 (Grievance Procedure), and the Union is unable to collect from the subcontractor the damages determined to be owing for such violation, the individual employer shall then be liable for the payment of such damages. The total of this liability as it would apply to the individual employer, shall be no more than five (5) days' violation or the total of the subcontractor’s retention being held by the individual employer, whichever amount is greater.

6. If the individual employer fails to give written notice as required in this Section 50, he shall, until notice is received, assume liability for any violation of the terms and conditions of this Agreement at that particular jobsite or job yard, as may be determined by the Grievance Procedure. If the subcontractor is signatory or otherwise bound to an Agreement with the Union, the individual employer shall be liable only for delinquencies as set forth in subsection 5a of this Section 50 for work on that jobsite or job yard. If the subcontractor is not in compliance with this Agreement then the individual employer shall be liable for any violation of this Agreement on that jobsite or job yard.

7. If the Union or the NCCRC thereof should make demand in writing for exercise of this Section, the individual employer will require that any subcontractor of the individual employer specified in the demand will, if he has not already done so, post a surety bond in an amount not to exceed $75,000.00 to cover payments of wages, Trust Fund contributions and fringe benefit payments specified in this Agreement. Failure of the individual employer to comply with this Section within two (2) days of demand will make the individual employer liable for the delinquencies of the subcontractor occurring on the individual employer’s specific job. (The amount of the bonds specified in this subsection in no way affects the amount specified for bonding purposes elsewhere in this Agreement).

8. Notwithstanding any other provisions of this Agreement or this Section 50, on any residential construction, all work covered by this Agreement shall be performed by the individual employer or prime carpentry contractor, and no such work shall be subcontracted to any other contractor except the installation of foundations, overhead garage doors, plastic sink tops, hardwood floors, roof and exterior wall shingles, traditional normal drywall, patio glass sliding doors, stairs, underlayment, base, acoustical ceilings, steel scaffolding, lathing and insulation. The individual employer or prime carpentry contractor shall provide all materials and the individual employer or prime carpentry contractor shall employ all employees covered by this Agreement who shall be shown on its payroll records except as provided herein. The remedies for default provided in this Section 50 shall apply directly to the individual employer or prime carpentry contractor. The individual employer or prime carpentry contractor shall be responsible for and shall directly employ employees covered by this Agreement to perform all work in connection with the construction of all walls and roof framing, installation of all subflooring, all exterior sheathing, installation of all metal or wood sash, doors, installation of all trim, installation of all types of cabinets, wardrobes and sliding doors.

9. The individual employer has the primary obligation for performance of all conditions of this Agreement. This obligation cannot be relieved, evaded or diminished by subcontracting. Should the individual employer elect to
subcontract, the individual employer shall continue to have such primary obligation. Said primary obligation shall be deemed conclusive evidence of the Union's majority status for the purpose of establishing the obligation of the individual employer to bargain collectively pursuant to Section 8(A)(5) of the National Labor Relations Act as amended with the Union upon expiration of this Agreement but for no other statute, rule, regulations, or law.

10. The provisions of this Section may be enforced only through the grievance and arbitration provisions of this Agreement.

11. It is the intent of the parties to enforce the provisions of this Section only to the extent permitted by law.

12. Notwithstanding any provisions of this Agreement or any Memorandum Agreement to the contrary, the provisions of this Section shall not be enforced by strike action or any other form of job shutdown or work interference; provided, however, that the rights provided in Section 51 (Grievance Procedure) of this Agreement are retained to enforce primary obligations of any individual employer.

13. Payment by cash or second or multiple checks or combination thereof and the payment of excessive premium rates, excessive travel time, or bonuses shall be prima facie evidence of an attempt to violate the provisions of this Section. The foregoing shall not apply to an annual bonus paid to supervisors.

14. No subcontract shall be in compliance with this Section if the effect of such subcontract is to diminish, eliminate or circumvent the payment of wages and fringe benefits to employees covered by this Agreement.

15. The parties agree that, the terms of CWPC Case No. 9109, modifying Section 50 (Subcontracting), shall be extended for the duration of this extension of the Carpenters & Northern California Counties Master Agreement.

SECTION 51
GRIEVANCE PROCEDURE

Any dispute concerning any application or interpretations of this Agreement shall be subject to the following procedure.

1. In the event that a dispute arises on a job, it shall be first reported to the individual employer and/or the Field Representative of the appropriate Local Union or the NCCRC who shall then attempt to adjust said grievance or dispute at the jobsite level.

2. The grieving parties shall specify the date(s) of the alleged violation(s) and the provision(s) of the Agreement applicable to the dispute.

3. If said grievance or dispute is not satisfactorily adjusted by the appropriate Local Union or the NCCRC of otherwise authorized Union Representative and the individual employer or his representative within three (3) days after submission to the individual employer, the matter may be submitted by either party to a permanent Board of Adjustment created for the settlement of such disputes.

4. The Board of Adjustment shall be composed of one (1) member named by the Union, one (1) member named by the Association and an Impartial Arbitrator. The parties shall select an alternate to the permanent neutral Arbitrator who shall serve only in the event the permanent neutral Arbitrator is unable to serve. At any point in the proceedings should the panel be unable to reach a majority vote the Arbitrator shall participate and his decision shall be final and binding.
5. In addition to any rule or procedure which the panel may adopt, the Board of Adjustment shall be governed by the following provisions:

(a) No briefs shall be submitted nor a transcript made of the hearing except by mutual agreement of the parties or by direction of the Arbitrator. Any transcript ordered by any party shall be at the expense of the party ordering the transcript.

(b) In the case of deadlock, the Arbitrator shall render his decision upon the conclusion of the case at the Board of Adjustment hearing, unless the time is extended by mutual agreement of the parties or at the request of the Arbitrator. The Arbitrator shall not render an expanded opinion in any case unless requested by the parties.

(c) The parties shall select and utilize a permanent Impartial Arbitrator who is willing to abide by the procedures set forth herein. By agreement of both parties, the Impartial Arbitrator may be changed or replaced.

(d) The Board of Adjustment or the Arbitrator may fashion an appropriate remedy to resolve the issue including, but not limited to, back pay, money damages, injunctive relief, audit, payment of wages and fringe benefits to persons damaged by the contract violations, interest or attorneys' fees.

(e) Any grievance involving an individual employer not a member of any of the signatory associations shall be submitted directly to the Arbitrator unless the individual employer agrees to submit the matter to the Board of Adjustment.

6. Disputes arising out of work assignment, which is governed by Section 16 (Jurisdictional Disputes), will not be heard at these panels.

7. The Board of Adjustment shall meet within forty-five (45) days on any item properly before the Board. Failure of either party to meet or to participate shall cause the Board or Arbitrator to hear and decide the matter on a default basis.

8. Decisions of the Board of Adjustment or an Impartial Arbitrator shall be within the scope and terms of this Agreement and shall be final and binding upon all parties hereto.

9. In the event an individual employer fails to comply with any such decisions, the Union may withdraw employees or strike the individual employer, and such action shall not be a violation of this Agreement so long as such noncompliance continues, provided, however, that the Union may not enforce the provisions of Section 50 (Subcontracting) by economic action or picketing.

10. The expenses of the Joint Adjustment Board and the Impartial Arbitrator, including the cost of a court reporter, shall be borne equally by the parties hereto.

11. No proceeding hereunder based on any dispute, complaint or grievance herein provided for, shall be recognized unless the grievance procedure steps outlined above have been followed. The Arbitrator or Board may for good cause, accept a late submission, which shall then be decided by the Board of Adjustment.

12. The Board of Adjustment shall establish regular meeting dates and administer grievances filed in conjunction with this section as set forth in the rules and procedures, which may be amended from time to time by the parties.
13. A decision of the Board of Adjustment by majority vote, or the decision of a permanent Arbitrator shall be enforceable by a petition to confirm an arbitration award filed in the Superior Court of the City and County of San Francisco, State of California, or the United States District Court for the Northern District of California. Any party who fails or refuses to comply with a decision of a Board of Adjustment or an award of the Arbitrator, as the case may be, shall be responsible for reasonable attorneys' fees for the filing and trial of any petition to confirm and enforce said decision or award in addition to all other remedies available through law, unless the petition is denied.

14. All hearings of the Board of Adjustment shall be in the City and County of San Francisco, and/or County of Alameda, unless mutually agreed to move to another location.

15. Other than matters concerning discharge, no proceedings mentioned hereinafore on any dispute, complaint or grievance shall be recognized unless called to the attention of the Employer and the Union within thirty (30) days after the last date the alleged violation was committed.

16. On all cases relating to discharge or discipline, employees must file their grievances with the Local Union or the NCCRC within three (3) working days after the imposition of the discharge or discipline. Thereafter, the Local Union or the NCCRC must file its grievance with the Board of Adjustment within four (4) working days after the employee files his grievance. The Board shall meet within seven (7) working days following submission of the grievance. The Board of Adjustment or Arbitrator shall be free to sustain the discharge or to find discipline other than discharge to be appropriate and may order reinstatement with full or partial back pay as he or it deems appropriate provided there shall be no discrimination on the part of the individual employer against any employee for activities in behalf of, or representation of the Union not interfering with the proper performance of his duties.

17. If failure of a Board of Adjustment to meet within one week (7 working days) is due to the unavailability of the Union, the wage payment and Trust Fund contribution liability shall be limited to the above seven (7) working days. If the Employer or individual employer, or arbitrator is unavailable to meet, the wage payment and Trust Fund contribution liability shall be continuing.

18. The parties to this agreement recognize Industrial Wage Order 16-2001 covering "On Site Construction, Mining, Drilling and Logging Industries." Any dispute or grievance arising from the Wage Order shall be processed under and in accordance with Section 51, Grievance Procedure.

Wherever the Wage Order refers to collective bargaining agreements, this Master Labor Agreement shall be deemed to satisfy all of the requirements for treatment as a qualified collective bargaining agreement.
IN WITNESS WHEREOF, the parties hereto have executed this document this ___ day of ___, 2004 in Oakland, California.

Such pre-apprenticeship program may be utilized by Employers under the following conditions:

On private residential projects covered and registered as per Appendix C, a pre-apprentice period is established as follows:

Period of time 180 calendar days. Wage rates 35% of the applicable journeyman rate plus fringe benefit contributions as follows: Training, Supplemental Dues, Industry Promotion, UBC Health & Safety, Work Preservation and Carpenter Employers Contract Administration

The use of pre-apprentices is to be considered a privilege by an individual employer and violation of the pre-apprentice ratio shall cause the privilege to be denied, subject to the grievance procedure.

The Employer and the Union shall establish rules governing the use of and criteria for advancement of pre-apprentices into the Apprenticeship program.

Except as specifically amended in this Section C 3 of this Addendum, the terms and conditions of Section 39 of the Master Agreement remain unchanged.

C 4. The work week will be governed by the terms of Section 24 of the Agreement.
