Section 8. The Employer and the Union recognize and acknowledge that the regular and prompt payment of the payments required to be made under Sections 1 through 5 of this Article are essential and that it would be extremely difficult to fix the actual expense and damage to the Funds, to the Union and to the employees which would result from the failure of the Employer to make such payments within the time provided by Section 6
hereof. Accordingly, the amount of damage resulting from each such failure shall be presumed to be the sum of Fifty Dollars ($50.00) per delinquency or twenty percent (20%) of the amount due, whichever is greater, which amount shall become due and payable to the Fund as liquidated damages and not as a penalty, upon the day immediately following the date on which such payment became delinquent, and shall be in addition to the delinquent payment. If the Employer should fail to submit a remittance report setting forth the information required to be stated thereon, the statute of limitations with respect to such failure on any amount which should have been remitted to the Funds therewith shall not begin to run until the Employer complies with its duty to report on all employees. The Employer
hereby waives the defense of the statute of limitations on suits to collect payments due but not reported to the Funds.

Section 10. Any Employer required to make payments under this Article shall, upon demand of the Trustees, deposit with any of the Funds listed in Sections 1 through 4 of this Article the sum of Ten Thousand Dollars ($10,000.00) per fund, or a bond in a form acceptable to the Trustees of the Fund for the same amount. The Union agrees that the Labor Relations Division of the Maryland Chapter of the Associated General Contractors of America, Inc. may make the payments or post the bond required by this Section for its members who have given it written authorization to negotiate with the Union and further agrees that the maximum payments or bond to collectively cover all such members shall be limited to Ten Thousand Dollars ($10,000.00).

Section 11. The Employer hereby acknowledges that the Trustees of the Funds listed in Sections 1 through 4 of this Article have a substantial interest in the enforcement of the provisions of this Article for the benefit of the
employees covered by this Agreement. Accordingly, the Employer agrees that the Trustees shall have the right, through their designated representative, to inspect, audit and copy the payroll records of the Employer with respect to employees covered by this Agreement, to sue for the collection of any sums due under this Article without the necessity of joining the Union or any employee or any other party in such action, and generally to enforce the provisions of this Article as fully as if they were parties hereto. Upon request of the Trustees of the Construction Workers’ Trust Fund, the Employer agrees to execute a standard Health and Welfare Agreement used by the Fund.

Section 12. Upon notice to the Employer by the Union that a subcontractor of the Employer is delinquent in payments to Laborers' Benefit Funds, or any Union Trust Fund for which Laborers' Benefit Funds act as collection agent, the Employer shall immediately withhold from any payments becoming due such subcontractor, an amount sufficient to pay the amount of the delinquency, or a reasonable estimate thereof plus an amount estimated to cover the amount expected to be due for the current reporting period. Such sum shall be withheld until the subcontractor presents proof that it has paid the delinquent
amount and the payment for the current reporting period. It is understood and agreed that the Employer shall only be obligated to withhold that amount of said delinquency that was incurred by said subcontractor as a subcontractor of the Employer. The Employer may discharge its obligations under this Section by issuing a check payable jointly to the subcontractor and Laborers’ Benefit Funds for the amount being withheld.

ARTICLE XVII
LABORERS’ POLITICAL LEAGUE (LPL)

During the life of this Agreement, the Employer agrees to deduct two cents ($0.02) per hour from the pay of each employee as a voluntary contribution to Laborers’ Political League (LPL), provided that each such employee executes or has executed an appropriate P.A.C. checkoff authorization form. The Employer further agrees to continue to deduct the voluntary contributions to said Political Action Committee from the pay of each employee for whom it has on file an unrevoked P.A.C. authorization form.

Deductions shall be made only in accordance with the provisions of and in the amounts designated in the P.A.C. checkoff
authorization form, together with the provisions of this Section of the Agreement.

The amount deducted shall be sent, along with the fringe benefit payments and report forms required under Article XVI, to the Laborers' Benefit Funds at 6650 Belair Road, Baltimore, Maryland 21206 (as receiving agent for the Laborers' District Council and its affiliated Local Unions), once each month on or before the twentieth (20th) day of the month following the month in which the required amount is deducted.

a. Effective April 1, 2005, each Employer
shall pay to the Construction Industry Advancement Program of Baltimore Maryland (hereinafter called the “CIAP”) a sum equal to twelve cents ($ .12) for each hour worked by each employee covered by the terms of this Agreement. Said sum shall be paid to the CIAP Board consisting solely of representatives designated by the Maryland Chapter of the Associated General Contractors of America, Inc. and by the Employers who are not members of the Chapter but who have become subject to the provisions of this Article by executing or adopting a collective bargaining agreement requiring the payment of contributions to the CIAP. Payment to the CIAP shall be due and payable to the Laborers’ Benefits Funds office, as the collecting agent designated by the CIAP, monthly by the twentieth (20th) day of the month next succeeding the month for which said sum is payable. Said funds shall be used for the purposes hereinabove stated including the administrative expenses incurred by the CIAP.

b. The Employers recognize and acknowledge that the regular and prompt payment of the sums due to CIAP under this Article is essential to the operation of the CIAP, and that it would be extremely difficult, if not impossible, to fix the actual expense and damage which would result to the CIAP from the fail-
ure of any Employer to make such payments within the time provided. Therefore, the amount of damage resulting from each and every such failure shall be presumed to be the sum of $10.00 per delinquency or 10% of the payment due, whichever is greater, plus interest on the amount of the payment due at the rate of one and one-half percent (1-1/2%) per month until paid, which amount shall become due and payable as liquidated damages, and not as a penalty, upon the day immediately following the date on which the payment becomes delinquent and shall be in addition to said delinquent payment. Such delinquent Employers shall also be liable for all reasonable expenses incurred by the CIAP directly attributable to the cost of collection (including reasonable attorney’s fees) of said delinquent payments.

Section 2. The Union shall be under no obligation to strike for the purpose of compelling any Employer to participate in the CIAP. It is specifically understood that the Union will not be required nor called upon to enforce the collection of the aforesaid payments. Monies collected by the CIAP shall not be used for lobbying or sponsoring any legislation detrimental to the Union nor shall any such monies be prorated to any individual Employer during a strike or lockout. In no
instance shall any of the foregoing funds be used for advertising or propaganda against the Union. This Article shall be applicable only to an Employer who is subject to the terms, conditions and wages covered by this Agreement.
