ARTICLE II
INTENT AND PURPOSE

WHEREAS, it is mutually recognized that it is to the advantage of the parties hereto, to prevent strikes and lockouts with the resultant detrimental effect to all parties concerned to maintain a uniform wage scale, working conditions and hours of employment, and to facilitate the settlement of grievances that may arise from time-to-time between the Employer and his employees, and to stabilize the industry for the betterment of the parties hereto, we the undersigned parties do agree as follows:

(a) The Association recognizes the Michigan Regional Council of Carpenters as the sole and exclusive bargaining agent for any and all of its employees performing work coming under the jurisdiction of the United Brotherhood of Carpenters and Joiners of America.

(b) The Union recognizes the Association as the sole and exclusive Employer representation for its members for the purpose of collective bargaining within the geographical area coming within the jurisdiction of this Agreement.

(c) It is understood that the Association is acting only as an agent in the negotiation of this Agreement, and that they are the agent only for those Employers, individuals, partnerships and corporations who have authorized them so to act. In no event shall the Association be bound as principal or be liable in any manner for any breach of this contract by any of the Employers for whom it is acting or any employees of such Employers. It is further agreed and understood that the liabilities of the Employers who have authorized the negotiation and execution of this Agreement shall be individual and not joint.
It is further agreed and understood that the United Brotherhood of Carpenters and Joiners of America and the Michigan Regional Council of Carpenters, which have authorized the negotiation of this Agreement, shall not be liable for any act or acts of any member of any Local Union or any acts of the Local Union itself which may be contrary and in violation of this Agreement.

**ARTICLE III
JURISDICTION**

(a) This Agreement covers all employees performing work under the jurisdiction of the United Brotherhood of Carpenters and Joiners of America in the area covered by this Agreement.

(b) Working conditions and jurisdiction of pile driving operations, and residential carpenter work shall be established by the Supplemental Agreement attached hereto.

(c) **Mechanics Performing the Erection of Acoustical Ceiling Tile.** It is agreed that Employers of mechanics performing the erection of acoustical ceiling tile agree to be bound by the terms and conditions of the Agreement between the Michigan Regional Council of Carpenters of the United Brotherhood of Carpenters and Joiners of America and the Michigan Chapter, Associated General Contractors of America Inc., Labor Relations Division, effective date **July 17, 2003** through **July 16, 2006**.

(d) Lift type trucks are to be considered a tool of the trade.

(e) In the event of a jurisdictional dispute involving the Union, the parties shall request the other Union or Unions involved to send representatives to the job site to meet with representatives of the Union and Employer to settle the dispute. If a settlement is not reached at that meeting, the Union shall request that its International Union assign a representative who shall make arrangements to meet representatives of the other International Union or Unions involved and Representatives of the Employer on the job site to seek settlement of the dispute. The Employer shall also request the International Union involved to assign representatives to seek settlement of the dispute. The Union and the Employer agree that there shall be no strikes, lockouts or interruption of the disputed work over jurisdictional disputes.

**ARTICLE IV
UNION SECURITY**

(a) The Employer agrees that, as a condition of continued employment, all present and future employees covered by this Agreement shall become and remain members in good standing in the appropriate Local Union affiliated with the Michigan Regional Council of Carpenters no later than either the eighth (8th) day following the beginning of their employment or the eighth (8th) day following the effective date of this clause, whichever is later.

(b) When the Employer needs employees, it shall give the Union equal opportunity with other sources to provide applicants in filling job vacancies. On request of the Employer, the Union will refer to the Employer any member who is requested by name and is available. Former employees of the individual Employer, now or hereafter a party hereto, may first be recalled or rehired; and the Union shall be notified through the job Steward of all such recalls.
All other applicants for employment shall be required to pass a fair and comprehensive examination before reporting to work for the Employer. Rules and regulations governing examination for applicants as established by the Carpenters' Joint Apprenticeship Committee, shall be considered as part of this Agreement.

The Employer shall retain the right to accept or reject any applicant for employment.

(c) The Union shall have the right to require the removal of employees for failure to pay or tender initiation fees and dues as required by this Agreement. All requests for removal by the Union of employees for non-payment of, or failure to tender, initiation fees and dues shall be made to the Employer in writing.

(d) The Association agrees not to enter into an Agreement with any other dual local organization during the life of this Agreement, with respect to work covered by this Agreement, and the Association and Union agree not to allow any task work or piece work.

(e) No party to this Agreement shall discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, age, handicap or status as a veteran.

(f) Employer Security: The Union further agrees that it will not require the Employers or any Employer to take any action which violates the Labor Relations Act of 1947 and the Labor-Management Act of 1959, as the same exists or may hereafter be amended. The Employer shall not be obligated hereunder to discharge or discriminate against any employee for non-membership in the Union, (a) if there are reasonable grounds for believing that such membership was not available to the employee on the same terms and conditions generally applicable to other members, or (b) there are reasonable grounds for believing that membership was denied or terminated for reasons other than failure of the employee to tender the periodic dues and initiation fees uniformly required as a condition of acquiring and retaining membership.

ARTICLE V
PROTECTION OF RIGHTS

(a) The Employer shall not take disciplinary action against or discharge any employee or employees for refusing to go through the primary picket line of a Labor Organization, nor shall the exercise of any employee's rights permitted by law be a violation of this Agreement.

(b) The Michigan Regional Council of Carpenters agrees that in the event the Employer becomes involved in a controversy with another Labor Organization, the Council will do all in its power to help effect a fair settlement.

(c) Business Representatives shall have access to all jobs at all times where possible.

A Business Representative of the Michigan Regional Council of Carpenters shall have the right to visit the job during working hours to interview the Employer, Steward or workers, but shall not hinder the progress of the work.

ARTICLE VI
SAFETY
(a) There shall be no restriction on the use of safe equipment or power tools furnished by the Employer; however, no employee shall be penalized in any way for refusal to work under conditions with unsafe equipment or power tools until same is corrected.

(b) No employee shall remove any guard or safety device from power tools, except where he is directed to do so by the Employer or his representative and where another suitable safety device is supplied.

The Employer agrees to furnish welding, burning and protective equipment, and/or all protective clothing. All sawhorses, work benches, ladders, scaffolding, miter boxes and power-driven tools shall be furnished by the Employer.

(c) Any injured employee reserves the right to be treated by a licensed doctor of his choice, after reporting to the Employer's designated doctor.

(d) When an employee is injured on the job and is sufficiently incapacitated so as to be unable to continue his work on that day, he will be paid at his regular rate of pay for all time lost that regular work day as a direct result of his injury. It shall be the duty of the Employer to see that he is taken home, to a doctor or hospital, and to see that he is properly cared for. During the employee's absence, the Steward is to be responsible for the proper care of his tools. Any necessary expense or loss of time by the Steward in connection thereof shall be defrayed by the Employer for whom the sick or injured man is working.

(e) The Employer agrees to replace, in as short a time as possible, any eye glasses and/or dentures that are damaged on the job by accident during the course of employment as covered by Employer's Workers' Compensation Insurance.

(f) The Employer agrees to provide an ample and safe storage place for all carpenters' tools. A safe storage place means a gang box for tools only or a shanty with lock and key. The Employer also agrees to furnish suitable housing for a lunch room and for keeping carpenters' clothes, a table furnished to eat on, drinking water furnished under sanitary conditions (iced when necessary), and also furnish sanitary drinking cups and provide sanitary toilet facilities on all jobs. On large industrial projects where the construction site is remote from the entrance gate, the Employer will, where necessary, provide transportation for tools of new hires and layoff employees from gate site.

(g) The Employer shall be responsible for the workers' tools and clothing for loss by fire and/or burglary on the job site when the project is not operating; provided that the employees shall have given the Employer an itemized list of their tools at the time of bringing the tools on the job. Such liability shall be limited to not more than four hundred dollars ($400) for loss of tools and seventy-five dollars ($75) for loss of clothing for each employee. Each employee shall be required to furnish the Employer or his agent with an itemized, sworn statement of loss, provided that such articles are locked up in the Employer's shanty or gang box. The Employer agrees to pay for the sharpening of carpenter's tools in use on the job, but it is understood that the method is left to the discretion of the Employer.

(h) Continue to implement 'Safe2Work' Program as we have been in the past.
(i) Drug Testing Program: The Employer may exercise any rights granted by law to initiate and operate a drug and alcohol screening program for all bargaining unit employees. Furthermore, the Employer agrees the Union is not responsible for ascertaining or monitoring the drug-free and/or alcohol-free status of any employee or applicant for employment.

(j) Should the Michigan Carpenters' Health Care Fund Trustees agree to support the cost of "Performance-Based Physicals" for carpenters working and/or potential carpenters applying for work in the geography covered by this Agreement, the following clause will be implemented on a "Pilot Basis."

Performance-Based Physicals. The parties agree that efforts will be made to secure a method and means of ensuring that performance-based physicals for employees working under this Agreement will be provided on an annual basis.

ARTICLE VII

(b) There shall be a Carpenter Foreman on all jobs where three (3) carpenters are employed. One (1) Foreman shall be allowed to supervise more than one job, provided his time and transportation expenses between jobs are paid for by the Employer.

(c) The carpenters shall take orders from no other than their designated Carpenter Foreman, and no Foreman shall be allowed to work with tools while directing more than five (5) carpenters.

(d) Names of Foremen and Superintendents will be furnished to the Union in writing upon request.

ARTICLE VIII
STEWARDS

(a) In accordance with Union procedure, a Journeyman working Steward shall be selected on all jobs from the Local Union members of the area on the job.

(b) The Employer agrees that there shall be a Journeyman working Steward on the job at all times when carpenters are working, who shall report any violation of the Agreement and perform the usual duties of the Steward with the least interference to the job.

(c) The Job Steward, who is appointed by the Business Agent, shall call the Foreman's attention to any deviation from this Agreement. If the Foreman and the Steward cannot agree, or if having agreed, action to correct same is not taken by the Foreman, the Steward shall make a report to the Union. The Employer and the Union will then each send a representative to the job to observe conditions and agree on corrective measures to be taken.

(d) The Employer or his agent agree not to lay off, discharge or transfer a carpenter Steward so acting on any job, except for just cause. The Employer will notify the Union before terminating or transferring a Union Steward.
(e) The Union will notify the Employer’s Representative of the Steward’s name when the Steward is appointed by the Business Agent.

**ARTICLE IX**

**EQUAL TREATMENT**

If the Union shall furnish employees to any Employer in the geographical jurisdiction of this Agreement for the type of work covered by this Agreement, upon any more favorable terms or conditions than those contained herein, the Union agrees that such more favorable terms and conditions shall automatically be extended to the Employers covered by this Agreement.

**ARTICLE X**

**SUBCONTRACTORS**

The Employer agrees he will not enter into subcontracts for work covered by this Agreement to be done at the site of construction, building, repair or alteration with any Employer who does not agree to abide by the terms and conditions of this Agreement.

**ARTICLE XI**

**HOURS**

(a) All work before 8:00 a.m. or after 4:30 p.m. of a regular workday or before the regular starting time of a shift, or after the closing time of a shift Monday through Friday, and all work on Saturday, shall be paid at time and one-half (1½). All work on Sundays or legal holidays shall be double (2x) time. No overtime work or holiday work shall be allowed without notification of the Business Agent or Representative of the Union. By mutual agreement between the Employer and the Union, the regular and normal working schedule on jobs may be changed to start as early as 7:00 a.m. or work as late as 5:30 p.m. Eight (8) hours shall constitute a regular day’s work. There shall be a one-half hour (½) unpaid lunch break to be taken between 11:00 a.m. and 1:00 p.m.

However, in the event inclement weather prevails for two (2) days, Monday through Friday (minimum of four (4) hours lost each day), the make-up day as proposed by the Employer Committee will become operational for that week, subject to written request by the Employer and written approval by the Union. The following clause shall become applicable:

It is understood that forty (40) hours constitutes a regular workweek (5-8s) Sunday midnight through Friday midnight with an inclement weather make-up day on Saturday, to be paid at straight-time rate, understanding anything over eight (8) hours per day is one and one-half (1½) times wages. Employees desiring to work on Saturday must commit their intent no later than noon on Friday. The regular workweek shall be defined as seven (7) consecutive days, midnight to midnight, for payroll purposes only. Hours worked on Saturday, except for inclement weather make-up, shall be paid at time and one-half (1½). Employees shall not be discriminated against whatsoever for not working a make-up day, prior to commitment. Make-up days must be scheduled for a minimum of eight (8) hours, weather permitting.

(a-1) Four Tens (4-10s) Workweek. A 4-10s workweek must be approved by the Union prior to implementation and must run four (4) consecutive days between Sunday midnight through Friday midnight with an inclement weather make-up day, at the straight-rate rate on Friday.
Anything over ten (10) hours per day is to be paid at time and one-half (1½) rate. Employees desiring to work on Friday as a make-up day at the straight-rate rate must commit their intention no later than noon on Thursday. The Union is to be informed of make-up days worked on Friday. Hours worked on Friday except for inclement weather make-up shall be paid at time and one-half (1½). Employees shall not be discriminated against whatsoever for not working a make-up day, work must be scheduled for Friday. The 4-10 hour workweek must be scheduled to begin on Monday, except in the event of inclement weather or a holiday.

(a-2) Employees will be permitted a ten (10) minute unorganized break at the workstation, during the second (2nd) or third (3rd) hour of the first four (4) hours of their shift. Employees will be permitted a ten (10) minute unorganized break at the workstation during the second (2nd) four (4) hours of their shift, also. If employees abuse this Section (a)(2), such complaint will be investigated, and if following such investigation, the abuse did occur, the Union will be informed in writing. They will correct said abuse within three (3) days. If the abuse is repeated, Section (a)(2) will become null and void as of that date.

(b) All employees shall have at least five (5) minutes to clean up, pick up and to put tools away, but shall not leave the job before the end of the shift.

(c) New Year’s Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day shall be recognized as legal holidays. Should any of these days fall on Sunday, the following day shall be observed as the legal holiday. No employee shall be allowed to work on Labor Day.

(d) When working more than one (1) shift, the first (1st) shift shall work the regular workday with a one-half (½) hour unpaid lunch break to be taken between 11:00 a.m. and 1:00 p.m. The second (2nd) and third (3rd) shifts shall work seven (7) hours with one-half (½) hour for lunch and be paid eight (8) hours at fifty cents (50¢) per hour additional pay. Second (2nd) and third (3rd) shifts starting in the afternoon or night previous to a Saturday or legal holiday shall be allowed to complete their regular shift without overtime rate, provided the shift is completed before 8:00 a.m. of said Saturday or legal holiday. Any of the three (3) shifts starting to work on a Saturday will be paid time and one-half (1½), Sunday or legal holiday shall be paid double (2x) time for the entire shift. Any second (2nd) or third (3rd) shift less than three (3) days shall be paid at the double (2x) time rate.

(e) For remodeling or maintenance work, or for new work where it is not possible to do such work during the regular working hours, started at a time other than the regular daily starting time regardless of the number of days worked or the number of shifts worked, there shall be a premium of seventy-five cents (75¢) per hour in addition to the regular wage scale for the first eight (8) hours work on such shift. For work over eight (8) hours on such shifts, or for work on Saturdays, time and one-half (1½) and Sundays or holidays double (2x) time the regular wage rate shall be paid; but no shift premium shall be paid.

(f) No employee covered by this Agreement shall be allowed to work more than one (1) shift in any twenty-four (24) hour period without the permission of the Union. Overtime shall be distributed as equally as possible without discrimination.

(g) Employees required to work more than ten (10) hours on any shift may take a one-half (1/2) hour unpaid lunch break at the end of the tenth (10th) hour.
ARTICLE XII

(a) **Apprenticeship Fund.** The Employer agrees to pay into the Joint Apprenticeship Fund for each hour worked by all employees covered by this Agreement in accordance with the schedule in Article XIII.

(b) **Health Care and Pension Funds.** The Employer agrees to pay into the Michigan Carpenters' Council Health Care Fund and the Michigan Carpenters' Pension Fund for each hour worked by all employees covered by this Agreement in accordance with the Trust Fund Agreements negotiated between the Michigan Regional Carpenters' Council and the Michigan Chapter, Associated General Contractors of America, Inc., Labor Relations Division.

(c) **Michigan Regional Council of Carpenters' Annuity Fund.** The Contractors agree to pay the amount specified in Article XIII into the Michigan Regional Council of Carpenters' Annuity Fund for each hour worked by all employees covered by this Agreement in accordance with Article XIII and the Supplemental Agreements. The Employer and Union further recognize the need for quality training for Apprentices and Journey persons to meet the industry's needs for skilled Craft labor. And finally, the Employer and Union recognize the importance of cooperating in jointly and aggressively pursuing new work opportunities utilizing Union members and in formulating new initiatives designed to enhance the competitiveness of Union contractors.
Therefore, in addition to any contributions otherwise called for herein, the parties agree that the Employer shall make a contribution of six cents (6¢) per hour worked by all employees covered by this Agreement in accordance with Article XIII and the Supplemental Agreements to the UBC Health and Safety Fund, the UBC National Apprenticeship and Training Fund, and the UBC Labor-Management Education and Development Fund. These contributions shall be deposited each month, or at such other regular intervals as may be determined by the Trustees of each of the Trust Funds referenced above.
