(Expires April 30, 2005)

ARTICLE 1
Considerations for Agreement

THIS AGREEMENT, by and between, or on behalf of the parties and in the capacities and status designated in Article 2 hereof, establishes rates of pay, wages, hours of employment, fringe benefits and vacations, where applicable and other terms and provisions concerning employment relations and collective bargaining relations, and collective bargaining between or involving such parties on construction work in the State of Minnesota.

NOW, THEREFORE, for such purposes, it is agreed as follows:

A. The considerations for this Agreement are the mutual promises of the parties and their mutual purposes to establish, maintain and promote sound and harmonious labor relations.

It is desirable to maintain the cooperative relationships and jurisdictional work assignments existing during past years between the Employers and the employees represented by the Union.

ARTICLE 2
Designation of Parties

A. Associated General Contractors of Minnesota (hereinafter called AGC), and affiliated organizations are a party to this Agreement in a representative capacity and as agent only, acting on behalf of certain of its members who have agreed to be bound to the terms of
this Agreement through AGC, and on behalf of such additional Employers as may execute identical counterparts. The AGC is entitled to recognition in such capacity, as agent and collective bargaining representative for the Employers who are or may become parties hereto, for all purposes of this Agreement including its right in such capacity to represent such Employer parties before NLRB or otherwise pursuant to and/or in aid, support or enforcement of the terms and provisions of this Agreement.

B. The AGC members who have agreed to be bound to the terms of this Agreement through the AGC, or other Employers who have done likewise (hereinafter called Employers) are parties hereto as principals, but their status is several and not joint.

Such parties shall be bound by this Agreement unless the Council is notified in writing by those dissenting within thirty (30) days of the signing of this Agreement.

C. The labor organizations on their own behalf and on behalf of Carpenters, Piledrivers, and their Apprentices whom they represent and on whose behalf they are recognized (hereinafter called Union) are parties hereto. The status of said Union is dual, in that they are parties hereto as principals and also as agents for the employees whom they represent and on whose behalf they are recognized or to be recognized as hereinafter provided.

ARTICLE 3
Union Recognition

A. Employers hereby recognize each of the Unions to which the Contractor has agreed to be bound, as the exclusive collective bargaining representative of the employees in the craft signatory to this Agreement, in respect to rates of pay, wages, hours of employment and fringe benefits, where applicable, and other conditions of employment. The respective Unions are hereby recognized hereunder by the Employers as the sole and exclusive bargaining representatives of the employees respectively represented by them. The respective Unions represent that they are qualified for such recognition.

B. The Employers agree not to enter into any labor agreements covering construction work, exclusive of maintenance and repair shops, with their employees on whose behalf any of the Unions have been granted recognition hereunder individually or collectively which in any way conflicts with the terms and provisions of this Agreement. If the Union enters into any Agreement with any individual Employer or group of Employers competing in the same type of work as defined in this Agreement, which provides for different
wages, hours or conditions than as herein specified, the Employer
parties may open this Agreement for the express and exclusive pur-
pose of negotiating those different wages, hours or conditions.

**ARTICLE 4**

ARTICLE 5
Union Security

There shall be no discrimination against any employee because of race, color, creed, political/religious beliefs, sex, disability, national origin, marital status or age. Wherever the terms “man” or “men” are used in this Agreement, it is understood that these references or any other references, are generic and shall apply equally to the female gender.

The Employer shall not discriminate against any employee as long as the employee is performing work assigned in a safe, normal and workmanlike manner.

The Unions recognized under Article 3 of this Agreement shall be entitled to union security to the extent that each employee in the collective bargaining unit represented by such Union shall on the eighth (8th) day following the beginning of employment in such collective bargaining unit by such Employer under the coverage of this Agreement or the effective date of this Agreement whichever is later, be required to become and remain a member in good standing of such Union as a condition of employment. “In good standing” for the purposes of this Agreement, is defined to mean the payment of a standard initiation fee and standard regular monthly dues, uniformly required as a condition of acquiring or retaining membership in the Union.

ARTICLE 6
Insurance and Taxes

The Employer agrees to carry any and all insurance and pay all applicable taxes as provided by applicable State and Federal laws.

The Employer further agrees to pay the State Workers’ Compensation Insurance and into the State Unemployment Compensation Fund such amounts as are due under State and Federal laws.

ARTICLE 7
Grievances, Disputes and Arbitration

A. Any controversy over the interpretation of or adherence to the terms of this Agreement shall first be attempted to be resolved between the Union and the Employer. Any controversy or grievance shall be deemed to be waived unless submitted in writing within ten (10) working days after the first occurrence of the event or knowledge of the condition giving rise to the grievance.

B. If a satisfactory settlement cannot be reached within five (5) working days the matter may be brought to the AGC-Basic Trades Dispute Board if both parties agree in writing. In such case the griev-
ing party shall submit a written statement of the claim and facts of
the matter to other parties including the Employer, the Union and
the AGC. (The rules of the Disputes Board shall be those already
adopted by the Joint Committee).

Both parties must sign the Agreement to bring the matter to the
Disputes Board. Both parties must sign the document binding
them to the Board decision. If either party does not attend the
meeting after signing above and being notified of the meeting date
and time, a decision will be rendered though they are not present.
Decisions of the Disputes Board will be drafted at the conclusion of
the meeting, signed by members of the Board, and distributed to
both parties at that time.

C. The disputes board is to be made up of equal numbers of Manage-
ment and Labor representatives, who will meet regularly to settle
any disputes, (other than jurisdictional disputes) to avoid work
stoppages, or other problems affecting productivity. This Board
shall have no power to add to, delete, or modify, any of the terms or
provisions of this Agreement. All decisions of the Disputes Board
shall be final and binding on the parties. If either party, after sign-
ing above documents, refuses to abide by the decision of the Dis-
putes Board, economic action may be taken by the other party.

D. Should the Disputes Board, as established, be unable to reach a
decision on the matter before it, or because of a deadlock (lack of
majority) or if either party refuses to use the Joint Disputes Board
then the matter may be referred to a Board of Arbitration that shall
operate in the following manner: The Union shall appoint an Arbi-
trator and the Employer shall appoint an Arbitrator within ten (10)
working days and the two Arbitrators thus selected shall appoint a
Neutral Chairman. In the event of the failure of the Arbitrators
selected by the parties to agree on a Neutral Chairman within ten
(10) working days after the dispute is referred to arbitration, they
shall ask the Federal Mediation and Conciliation Service for a list
of five (5) names from which the aggrieved party shall strike the
first two (2) names and the other party shall then strike two (2)
names, and the final name shall be selected as the Neutral Chair-
man. The Neutral Chairman thus selected shall set the time and
place for hearings, which shall begin no later than ten (10) working
days after his selection, with the final decision to be handed down
in not more than ten (10) working days after the last hearing is
held. The time may be extended by mutual agreement between the
parties. The decision of the Arbitrators shall be final and binding on
signatories to this Agreement who are parties to the dispute; pro-
vided, however, that the Arbitrators shall have no power to add to,
delete, or modify any provisions of this Agreement.
The Employer will pay all expenses of his Arbitrator and the Union will pay all expenses of its Arbitrator; and the Employer and the Union will share equally all fees and expenses of the Neutral Chairman.

All work and other conditions prevailing immediately prior to the raising of the question to be decided under this Article shall remain unchanged until final decision has been reached hereunder.

ARTICLE 8

The employee shall use any tool, equipment, machinery, new material and products or procedure of his craft required by the Employer.

It shall not be a violation of this Agreement and it shall not be cause for discharge or disciplinary action in the event any employee decided not to cross a primary picket line or banner. This clause shall not apply to secondary pick-
et lines or banners and it shall not apply to jurisdictional picket lines or banners. (See Letter of Understanding)

B. The Union and the Employer agree that there will be no strike, work stoppage, walkout or other interference with the Employer's business affairs by the Union or members thereof, and there shall be no lockout during the life of this Agreement without first giving AGC or the Employer and the Union 48 hours written notice and sending the dispute through procedures established in Article 7.

C. Spread-work tactics, slow-down, stand-by crews, forcing of overtime is condemned by both parties.

D. The Employer agrees not to request or instruct any employee covered by this Agreement except designated Watchmen or Supervisory Employees to go through a picket line except to honor a picket line of any Local Union not based in Minnesota without first notifying the AGC and attempting to resolve the controversy.

E. The Unions agree there shall be no cessation of work or any recognition of picket lines of any Union, without first giving notice to AGC or the Employer.

F. The Unions will not honor any jurisdictional banner.

G. The Union may not require rotation of employees during the life of this Agreement, other than Apprentices shifted for purposes of training.

H. The AGC or its Employer member's signatory to this Agreement will not sue the Local Union for refusal to require men to go through a separate gate. The individual employee who voluntarily refuses to go through a separate gate will not be discharged or disciplined and may be re-hired if work is available, but without back pay.

ARTICLE 11
Subcontractors

WORK PRESERVATION

To protect and preserve, for the employees and their Employers covered by this Agreement, work traditionally having been performed by the Employers and assigned to employees under this Agreement or its predecessor Agreements, and to prevent intentional interference with the protection and preservation of such work, it is agreed as follows:

SUBCONTRACTING

There are four (4) different districts relating to subcontracting, basically along county lines; however where cities or towns fall on Boundary lines, the city limits or towns are referenced separately at the end of the article under the heading "Cities and Towns on Boundary Lines,"

8
and are covered by the subcontracting language applicable to those areas.

**SUBCONTRACTING LANGUAGE FOR DISTRICT 1 ONLY**

With regard to work traditionally having been performed by the Employers and assigned to employees under this Agreement or its predecessor Agreements on the job-site, if the Employer subcontracts such work to a subcontractor, the Employer shall require that such subcontractor be signatory to a current collective bargaining agreement with the Union covering such work.

This provision shall be enforceable through Article 7, Settlement of Disputes. In addition to any amount payable to the joint Employer/Union Trust Funds covering pensions, health and welfare and vacation and/or the joint apprenticeship program, an arbitrator enforcing this Agreement shall have authority to award other damages to be payable to one or more of the above Employer/Union Trust Funds.

The above language pertains to District 1 only, which shall consist of Anoka, Carver, Chisago, Dakota, Hennepin, Isanti, Kanabec, Pine, Ramsey, Scott, Sherburne, Washington and Wright counties in Minnesota, and the territory in Wisconsin described in Article 4 of this contract; (excluding the City of St. Cloud and extending 20 miles beyond the city limits in Sherburne County), the city limits of Red Wing and extending 20 miles beyond the city limits in Goodhue County in Minnesota and the territory in Wisconsin described in Article 4 of this contract. (See "Cities or Towns on Boundary Lines")

**SUBCONTRACTING LANGUAGE FOR DISTRICT 2 ONLY**

If the Employer subcontracts carpentry work to be performed at the job-site, the Employer shall require the subcontractor to sign a Subcontract Agreement containing the following provision:

"The subcontractor agrees to comply with the provisions relating to wages, fringe benefits, premium pay and on-the-job working conditions in the current collective bargaining agreement entered into between the AGC and the Lakes and Plains Regional Council of Carpenters & Joiners for the duration of the Employer's project."

The Employer shall require the subcontractor to sign a Subcontract Agreement containing the foregoing provision only when performing carpentry work on the project, and when the subcontractor does not represent to the Employer that he has an established building trade's collective bargaining agreement covering the affected classification of work.

The above language pertains to District 2 only, which shall consist of Meeker, McLeod, LeSueur, Rice, Goodhue (Note: See Red Wing exclu-
sion in cities or towns on Boundary lines), Wabasha, Blue Earth, Waseca, Steele, Dodge, Olmsted, Winona, Faribault, Freeborn, Mower, Fillmore, Houston and the portions of Sibley and Nicollet counties east of the following roads shall be in Subcontracting District 2; starting at Highway 22 on the northern Sibley County line and proceeding south to the town of New Sweden in Nicollet County, and then continuing south on Highway 111 to the town of Nicollet and then continuing south on #23 to the south line of Nicollet County. NOTE: Extending 20 miles beyond the town or city limits of New Auburn, Gaylord, New Sweden and Nicollet shall be in Subcontracting District 4. (See "Cities or Towns on Boundary Lines")

**SUBCONTRACTING LANGUAGE FOR DISTRICT 3 ONLY**

1. If the Employer subcontracts bargaining unit work, the Employer will subcontract such work only to another Employer which has a current collective bargaining agreement with this Union covering such bargaining unit work.

2. Where the Employer is competing against non-union prime contractors, or where Union subcontractors are not available, or where the project owner designates certain non-union subcontractors to be used on the project, the contractor shall notify the Union who the non-signatory contractor is, and provide the total wage package to be paid to employees of this subcontractor in writing, in a timely manner.

3. It is agreed that not more than one (1) non-signatory subcontractor, limited to one phase (i.e. drywall/steel framing, wood framing, roofing, etc.) of bargaining unit work on a jobsite shall be utilized, as specified in Paragraph 2 above. All others shall comply with paragraph 1 of this subcontractor clause.

If the Employer is unable to comply with this Section (3) due to availability of signatory subcontractors, it is agreed that the Union and the Employer will convene to resolve the problem.

The above language pertains to District 3 only, which consists of Stearns counties and the area surrounding the City of St. Cloud and extending 20 miles beyond the city limits in Sherburne County. (See "Cities or Towns on Boundary Lines")

**SUBCONTRACTING LANGUAGE FOR DISTRICT 4 ONLY**

The parties agree to not subcontract any work that the contractor normally performs in order to avoid the terms and conditions of this Agreement. They also agree that it is mutually desirable to have work performed by subcontractors working for the contractor who is a party to the Agreement, subject to the terms of this Agreement, and the contractor will, in letting subcontracts, endeavor to obtain this objective.
The above language pertains to District 4 only, which consists of Traverse, Grant, Douglas, Todd, Big Stone, Stevens, Pope, Lac Qui Parle, Swift Chippewa, Kandiyohi, Yellow Medicine, Renville, Lincoln, Lyon, Redwood, Brown, Pipestone, Murray, Cottonwood, Watonwan, Rock, Nobles, Jackson and Martin counties, and the western portions of Sibley and Nicollet counties the following roads starting at Highway 22 on the northern Sibley County line and proceeding south to the town of New Sweden in Nicollet County, and then continuing south on Highway 111 to the town of Nicollet, and then continuing south on #23 to the south line of Nicollet County. NOTE: Extending 20 miles beyond the town or city limits of New Auburn, Gaylord, New Sweden and Nicollet shall be in Subcontracting District 4. (See "Cities or Towns on Boundary County Lines")

CITIES OR TOWNS ON BOUNDARY LINES

Each city or town listed below falls on or adjacent to county lines where there would normally be a change in subcontract language. There will be one subcontract district as shown below for each city or town, which will extend 20 miles beyond the city limits or town boundary.

Said Representatives shall not unduly hinder or interfere with the
progress of the work and must comply with all safety regulations on the job.

If there is any disagreement as to the reason, the termination of the Steward shall be taken to the Disputes Board as per Article 7.

B. Wages shall be paid at or before the end of the shift on the designated payday. Employers may utilize alternative forms of pay check distribution such as mailing of pay checks or by direct deposit. If pay checks are mailed, they shall be mailed at least one (1) day prior to the Employer's designated payday based on the envelope's postmark to be considered timely. A two (2) hour penalty may be imposed for any violation of the above.

C. An employee who is laid off or discharged shall receive all monies due in cash or negotiable check at time of layoff, or the employee's check shall be immediately mailed to the employee's last known address on the next working day. If the Employer does not mail the employee's pay check as provided by the envelope's postmark, a two (2) hour penalty shall be added for each working day after the day
it should have been mailed.
If an employee is laid off outside of the regular working hours, he shall receive four (4) hours pay for that day, unless such layoff is caused by conditions beyond the control of the Employer.
D. An employee who quits will be paid any wages due him at the next regular payday.
E. The Employer agrees to provide the following information on employee's check stub: Hours, date, regular pay, overtime pay, gross pay, deductions, and net pay.
F. The employee shall be given one (1) hour notice prior to layoff.
G. When an employee is called to work, he shall receive two (2) hours pay if not put to work, but he must remain on the jobsite in order to receive this two (2) hours pay.
H. When an employee has been engaged by the Employer, either directly, or by a referral request made by the Employer of the Union is refused employment when arriving at work with his tools, he shall be paid four (4) hours time, provided he arrives within a reasonable period of time not to exceed four (4) hours provided such refusal of employment is not due to conditions beyond the control of the Employer.
If an employee is called to work and is directed to go to work, he shall receive a minimum of four (4) hours pay, but he must remain on the jobsite.
I. These provisions, however, are not to be effective when work is unable to proceed because: (1) railroads or common carriers fail to make deliveries as scheduled; (2) the Engineer or Architect refuses to permit work; or (3) Acts of God or weather conditions will not permit work.
J. Any employee who is given a pay check that is returned by a bank for insufficient funds shall receive an additional four (4) hours pay. An employee that loses a pay check shall be responsible for the stop payment charges.
K. In the event that the Employer deliberately violates the provisions of the foregoing Articles or deliberately violates any provisions of this Agreement relating to wages, hours of work, overtime differentials and vacations, any back pay owed to the employee because of such violations shall be paid by the Employer at the rate of two times the standard straight time and overtime rate. Reasonable evidence of clerical error or honest mistake in interpretation of this Agreement shall exempt the Employer from the double penalty provisions, and in such case the Employer shall be required to pay only the act... amount of back pay involved, at the standard straight time and overtime rate.
ARTICLE 15
Fringe Benefits

The Employer agrees to contribute every month, not later than the 15th of the following month, hereinafter called the "due date," such sums for Pension, Health and Welfare, Vacation, Delta Dental, Apprenticeship and Promotion Funds as they may be established, an amount for each hour worked by all employees covered by this Agreement. Each payment shall be accompanied by a report in a form as specified by the Trustees. The Funds' Trustees shall equally represent the Union and the Employer. The terms of the Trust Agreement establishing those Funds are hereby incorporated as a part hereof.

A. An Employer shall be considered "delinquent" for a particular work month (or work week in the case of Employers on weekly reporting under (c) below) if its required report and the proper payment for that month (week) are not postmarked on or before the 15th day of the following month (Friday of the following week) (the "due date"), irrespective of whether such delinquency is willful or otherwise.

B. Contributions which are delinquent as defined in (A) above shall be deemed to be "unpaid contributions" for purposes of the Funds' remedies pursuant to this Agreement and applicable law. An Employer who is delinquent and has unpaid contributions shall be required to pay to the Funds an additional amount of 10% of the amount of the unpaid contributions as liquidated damages together with interest on the unpaid contributions as specified in the Trust Agreement, or if greater, two times the specified interest on the unpaid contributions.

C. In addition to other remedies provided herein, if an Employer is habitually delinquent, defined as being delinquent twice in a twelve (12) month period, the trustees may require a bond or a deposit of an estimated amount of future contributions and/or may require that the Employer make weekly fringe fund reports and payments for 26 consecutive weeks without further delinquency. "Weekly basis" shall mean that the Employer's report and payment for a particular work week shall be due on the Friday of the following week (the "due date"). An Employer's report and payment shall be considered "delinquent" if not postmarked on or before such day.

D. The Employer may demand that the question of his failure to pay the amount due the Trusts be submitted to arbitration according to the Contract. Providing such request is submitted to the Union in writing within 72 hours after receipt of the above notice, and provided further that the Employer deposit in escrow with the Administrator of the Fund the amount of the claimed delinquent payments. Upon the filing of the request for arbitration and the
depositing of the amount in dispute, the Union will not engage in any economic activities pending the resolution of such dispute.

E. Illustration of clauses A, B, C and D: If an Employer's report and payment for the January work month have not been postmarked before February 16, such contractor becomes delinquent at that point and must pay the full amount due, plus interest and 10% as liquidated damages or, if greater, double interest. In addition, the Employer shall be placed on the weekly reporting basis for work weeks commencing after February 16. Reports and payments shall then be due each week on the Friday of the week following the work week until the Employer has completed 26 consecutive weeks without further delinquency.

F. The delinquent Employer shall also be required to pay all cost of collection actually incurred by the Trust Fund, including all attorney fees, service fees, filing fees, court reporter fees and all other fees, costs and disbursements incurred by or on behalf of the Trust Funds in collecting the amount due.

G. Each Employer who is required to make payment to the Trust Funds shall promptly furnish to the Trustees or their authorized agents, on demand, all necessary employment and payroll records relating to its employees covered by this Agreement, including any other relevant information that may be required in connection with the administration of the Trust Funds. The Trustees or their authorized agents may examine such employment or payroll records whenever such examination is deemed necessary in connection with the proper administration of the Trust Funds upon authorization of the Trustees.

If any Employer fails or refuses to furnish its payroll records to the Trustees or their authorized agents upon demand or refuses to afford the Trustees, or their authorized agents reasonable opportunity to examine the same in accordance with standard auditing procedures, the Trustees may enforce such right by legal action in which event all attorney fees, service fees, filing fees, court reporter fees, and other legal costs and disbursements, as well as the auditing fees and costs incurred in conducting such audit, shall be paid by such Employer on direction of the Trustees.

H. The Unions shall also have the right to take economic action, including but not limited to the right to refuse to supply personnel, to enforce the rights enumerated in this Article on behalf of the Unions and the Trustees. The parties to this Agreement acknowledge that the provisions of this Agreement establishing rates of pay, wages, all hours of employment and other terms and conditions of employment, including fringe benefits, apply to employees employed in job classifications under this contract.
ARTICLE 16
Saving Clause

This Agreement is intended to be in conformity with all applicable and valid State and Federal laws, rules and regulations.

Any conflict between the provisions of this Agreement and the terms of any such laws and regulations shall cause the provisions of this Agreement so in conflict to be superseded or annulled but shall not supersede or annul the terms and provisions of this Agreement which are not so in conflict.

ARTICLE 17

C. In the event such written notice is given, and a new Agreement is not signed before the expiration date of this Agreement, then this Agreement shall continue in force until a new Agreement is signed, negotiations are formally broken off, or until a strike or lockout occurs.

D. All terms of this Agreement shall take effect May 1, 2001 for Areas B-1, B-2 C-1 and C-2 and May 10, 2004 for Area a-1 and A-2.

E. This Agreement covers the entire understanding between the parties hereto. Matters which are not contained herein will be of no force or effect upon any party hereto, except the Letter of Understanding relating to Picket Lines signed on July 3, 1975.

Subcontractor Clause
WORK PRESERVATION
To protect and preserve, for the employees and their Employers covered by this Agreement, work traditionally having been performed by the Employers and assigned to employees under this Agreement or its predecessor Agreements, and to prevent intentional interference with the protection and preservation of such work, it is agreed as follows:

SUBCONTRACTING
There are four (4) different districts relating to subcontracting, basically along county lines; however where cities or towns fall on boundary lines, the city limits or towns are referenced separately at the end of the article under the heading “Cities and Towns on Boundary lines,” and are covered by the subcontracting language applicable to those areas.
SUBCONTRACTING LANGUAGE FOR DISTRICT 1 ONLY

With regard to work traditionally having been performed by the Employers and assigned to employees under this Agreement or its predecessor Agreements on the job site, if the Employer subcontracts such work to a subcontractor, the Employer shall require that such subcontractor be signatory to a current collective bargaining agreement with the Union covering such work.

This provision shall be enforceable through Article 7, Settlement of Disputes. In addition to any amount payable to the joint Employer/Union Trust Funds covering pensions, health and welfare and vacation, and/or the Joint Apprenticeship Program, an arbitrator enforcing this Agreement shall have authority to award other damages to be payable to one or more of the above Employer/Union Trust Funds.

The above language pertains to District 1 only, which shall consist of Anoka, Carver, Chisago, Dakota, Hennepin, Isanti, Kanabec, Pine, Ramsey, Scott, Sherburne (excluding the area surrounding the City of St. Cloud and extending 20 miles beyond the city limits in Sherburne County), Washington and Wright counties, and the city limits of Red Wing and extending 20 miles beyond the city limits in Goodhue County in Minnesota and the territory in Wisconsin described in Article 4 of this contract. (See "Cities or Towns on Boundary lines").

SUBCONTRACTING LANGUAGE FOR DISTRICT 2 ONLY

If the Employer subcontracts carpentry work to be performed at the job site, the Employer shall require the subcontractor to sign a Subcontract Agreement containing the following provision:

"The subcontractor agrees to comply with the provision relating to wages, fringe benefits, premium pay and on-the-job working conditions in the current collective bargaining agreement entered into between the CCA/MDPA and the Lakes and Plains Regional Council of Carpenters & Joiners for the duration of the Employer's project."

The Employer shall require the subcontractor to sign a Subcontract Agreement containing the foregoing provision only when performing carpentry work on the project, and when the subcontractor does not represent to the Employer that they have an established building trades collective bargaining agreement covering the affected classification of work.

The above language pertains to District 2 only, which shall consist of Meeker, McLeod, LeSueur, Rice, Goodhue (Note: See Red Wing exclusion in cities or towns on county lines). Wabasha, Blue Earth, Waseca, Steele, Dodge, Olmsted, Winona, Faribault, Freeborn, Mower, Fillmore, Houston and the portions of Sibley and Nicollet counties east of the fol-
ollowing roads, starting at Highway 22 on the northern Sibley County line and proceeding south to the town of New Sweden in Nicollet county, and then continuing south on Highway 111 to the town of Nicollet and then continuing south on #23 to the south line of Nicollet County. Note: Extending 20 miles beyond the town or city limits of New Auburn, Gaylord, New Sweden and Nicollet shall be in Subcontracting District 4. (See “Cities or Towns on Boundary lines”).

**SUBCONTRACTING LANGUAGE FOR DISTRICT 3 ONLY**

1) If the Employer subcontracts bargaining unit work, the Employer will subcontract such work only to another Employer, which has a current collective bargaining agreement with this Union covering such bargaining unit work.

2) Where the Employer is competing against non-union prime contractors, or where Union subcontractors are not available, or where the project owner designates certain non-union subcontractors to be used on the project, the contractor shall notify the Union who the non-signatory contractor is and provide the total wage package to be paid to employees of this subcontractor in writing, in a timely manner.

3) It is agreed that not more than one (1) non-signatory subcontractor, limited to one phase (i.e. drywall/steel framing, wood framing, roofing, etc.) of bargaining unit work on a job site shall be utilized, as specified in Paragraph 2 above. All others shall comply with paragraph 1 of this subcontractor clause.

If the Employer is unable to comply with this Section (3) due to availability of signatory contractors, it is agreed that the Union and the Employer will convene to resolve the problem.

The above language pertains to District 3 only, which consists of Benton, Mille Lacs, Morrison, Stearns counties and the area surrounding the City of St. Cloud and extending 20 miles beyond the city limits in Sherburne County. (See “Cities or Towns on Boundary lines”)

**SUBCONTRACTING LANGUAGE FOR DISTRICT 4 ONLY**

The parties agree to not subcontract any work that the contractor normally performs in order to avoid the terms and conditions of this Agreement. They also agree that it is mutually desirable to have work performed by subcontractors working for the contractor who is a party to the Agreement, subject to the terms of this Agreement, and the contractor will, in letting subcontracts, endeavor to obtain this objective.

The above language pertains to District 4 only, which consists of Traverse, Grant, Douglas, Todd, Big Stone, Stevens, Pope, Lac Qui Parle,
Swift, Chippewa Kandiyohi, Yellow Medicine, Renville, Lincoln, Lyon, Redwood, Brown, Pipestone, Murray, Cottonwood, Watonwan, Rock, Nobles, Jackson and Martin counties, and the portions of Sibley and Nicollet counties west of the following roads starting at Highway 22 on the northern Sibley County line and proceeding south to the town of New Sweden in Nicollet County, and then continuing south on Highway 111 to the town of Nicollet, and then continuing south on #23 to the south line of Nicollet County. Note: Extending 20 miles beyond the town or city limits of New Auburn, Gaylord, New Sweden And Nicollet shall be in Subcontracting District 4. (See “Cities or Towns on Boundary lines.”)

CITIES OR TOWNS ON BOUNDARY LINES
