Section 2.

The terms "employee" or "employees" as used in the Agreement shall mean only those persons employed in the titles described in Section 1 of this Article.

ARTICLE II - UNION SECURITY

Section 1.

The Employer agrees that all employees may become and remain members of the union in good standing.

0300.5

Section 2.

The employer further agrees that all new employees hired subsequent to the date of signing this Agreement may become and remain members of the Union in good standing.

Section 3.

It is further agreed that the decision to become or remain members of the Union in good standing shall remain discretionary both with the employees and with the Union subject to the provisions of Section 12-314 of the Administrative Code.

Section 4.

- A. The Union shall have the exclusive right to the checkoff and transmittal of dues in behalf of each employee in the Unit and the City shall checkoff and transmit such dues to the Union, all in accordance with the Mayor's Executive Order #98, dated May 15, 1969, entitled "REGULATIONS REGULATING THE CHECKOFF OF UNION DUES" and in accordance with the Mayor's Executive Order #107, dated December 29, 1986, entitled "REGULATIONS GOVERNING PROCEDURES FOR ORDERLY PAYROLL CHECKOFF OF UNION DUES."

Section 5.

The parties agree to an agency shop to the extent permitted by applicable law, as described in a supplemental agreement hereby incorporated by reference in this agreement.

ARTICLE III - WORK SCHEDULE

Section 1.

- A. All the terms and conditions of Section 15-112 of the Administrative Code of the City of New York, as presently provided therein and hereby incorporated by reference.

The determination of such Fire Officer's qualifications shall be made at the discretion of the Department, whose decision shall be final. The involuntary assignment of a Fire Officer shall be limited to one year, but may be extended to two years in such cases where unique and extraordinary skills or functions are required and where such assignment is of critical importance to the Fire Department.
- (iii) Notwithstanding the foregoing no such assignment shall be made on a punitive basis.

C. Communicative Time.

Fire Officers (line) shall report for duty 15 minutes prior to the start of their tour in order to exchange information between the on-duty officer and the relieving officer. Should an alarm occur during that 15 minute period, the relieving officer shall respond to that alarm.

In the event this provision is declared invalid under the law, the parties will reopen negotiations to resolve the issue of any increased cost which may result from such declaration. Such negotiations will be commenced forthwith. If no agreement is reached, an impasse may be declared and subsequent mediation and the impasse proceeding, if any, shall in all respects be conducted on an expedited basis.

Section 2.

Fire Officers (line) when specifically directed by the Commissioner or Chief of the Department or their respective designated representatives to perform work in excess of working hours as provided in Section 1 of this Article III shall be compensated for the same by cash payment at the rate of time and one-half based on the regular salary for Fire Officers (line) for the actual period of overtime worked, except that all Deputy Chiefs and Battalion Chiefs shall be compensated for overtime worked pursuant to this Article III or any other provision of this Agreement in compensatory time off at the rate of time and one-half when such overtime is specifically directed by the Commissioner or Chief of Department or is performed at a fire emergency without prior approval and requests for compensation therefore, after being forwarded through channels together with recommendations, are approved by the Commissioner or Chief of Department or their respective designated representatives for such purposes.

Section 3.

When Fire Officers (line) are not continued on duty but are ordered to report for emergency duty from a scheduled off-tour or a scheduled rest period, they shall be compensated for a minimum of four hours if not assigned to duty and for a minimum of six hours if assigned to duty. Such compensation shall be at the overtime rate of time and one-half, in accord with Section 2 of this Article.

0300.5

Section 4.

Notwithstanding anything to the contrary provided herein, any Fire Officer (line) who is recalled to duty after having completed that employee's regular tour of duty but before the commencement of the next regular tour and who is assigned to duty or held without assignment for a period which extends into the commencement of that employee's next regular tour shall be compensated pursuant to the regular overtime provisions of Section 2 of this Article only for the actual time so assigned or held; and the same shall be deemed pre-shift overtime.

The determination of such Supervising Fire Marshal's qualifications shall be made at the discretion of the Department, whose decision shall be final. The involuntary assignment of a Supervising Fire Marshal shall be limited to one year, but may be extended to two years in such cases where unique and extraordinary skills of functions are required and where such assignment is of critical importance to the Fire Department.
 - (iii)** Notwithstanding the foregoing no such assignment shall be made on a punitive basis.
- B.** Ordered overtime authorized by the Commissioner or the Chief Fire Marshal as the designated representative which results in a Supervising Fire Marshal's or an Administrative Fire Marshal's working in excess of the normal tour of duty shall be compensable in cash at time and one-half.
- C.** When Supervising Fire Marshals not continued on duty are ordered to report for Court on a scheduled off-tour or a scheduled rest period, they shall be compensated for a minimum of four hours in cash at the overtime rate. The four hours of compensation shall include any travel time to which they are presently entitled.

0300.5

Section 6.

Cash payment for overtime work as provided in Article III, Section 2, of this contract, shall not exceed twenty percent (20%) of an employee's base pay in any fiscal year. Authorized overtime work which would result in a cash payment in excess of this amount shall be compensated for in compensatory time off at the rate of time and one-half.

Section 7.

Newly promoted Fire Officers shall receive either regular compensation or, in the event of overtime, appropriate overtime compensation for training required by the Department, including assessment and orientation programs.

Section 8.

The Department will provide the Union with the number and location of post coverage assignments on a bi-weekly basis.

Section 9.

Notwithstanding anything herein appearing to the contrary, overtime shall continue to be calculated on the basis of 2088 hours per year.

Section 10.

The New York City Fire Department shall not assign a Supervising Fire Marshal to supervise more than twelve Field Fire Marshals. 2. Time spent in training,
3. Time spent at the base while doing paperwork following the conclusion of his/her tour, and

The elected officers of the Union shall be permitted to visit all fire units to which employees are assigned on the official business of the Union. The elected official shall announce that official's presence to the officer in command and carry the function in a reasonable manner, subject to establishing labor relations and the Regulations for the Uniformed Forces.

In the case of a Battalion Chief assigned to the duties of a Deputy Chief pursuant to the preceding sentence, that Battalion Chief shall be paid at that rate of pay for the Deputy Chief rank which is next higher than the rate of pay such Battalion Chief receives in that Chief's Battalion Chief rank. The intent is that the Department shall have two hours to obtain a Fire Officer (line) qualified in the higher rank. If, however, the Fire Officer (line) is replacing a Fire Officer (line) who is attending an authorized meeting of a certified labor organization as a delegate, such Fire Officer (line) replacement shall be paid in cash straight time at the rate of pay for the higher rank only, for the actual number of hours so served. Where a covering Lieutenant or Captain is not available to provide such post coverage, that post coverage shall be provided on an overtime basis to be paid in cash at time and one half. In none of the indicated cases is a Company Officer to be replaced, if missing, by a Firefighter or an acting officer.

Section 3.

No temporary assignment to Fire Officer (line) above the rank of Lieutenant shall be made out-of-title except by a Fire Officer (line) of the next lower Civil Service rank.

- (3) In a double house where both units have a Captain on duty the replacement for the vacancy of one of the Captains shall be treated as in one (1) above.

The unit providing this Acting Captain shall then be staffed by a S.A. Lieutenant if available, and if not available, then by an Acting Lieutenant selected from the quarters which provided the Acting Captain.

When vacancies of this type occur at a scene of operations implementation of these procedures may be delayed until such time as conditions stabilize allowing a smooth transition.

ARTICLE VIII - NIGHT SHIFT DIFFERENTIAL

There shall be a 10% differential continued for all work actually performed by Fire Officers (line), Supervising Fire Marshals (Uniformed) and Administrative Fire Marshals between the hours of 4 p.m. and 8 a.m., provided that more than one hour is actually worked after 4 p.m. and before 8 a.m.

This benefit shall be computed on the basis of the rates set forth in Article V, plus the longevity adjustment for all Fire Officers (line), Supervising Fire Marshals, Administrative Fire Marshals and Medical Officers.

ARTICLE IX - FAMILY PROTECTION PLAN FUND

- A. Effective July 1, 2000, the City shall contribute the annual amount of \$1,210 for each employee for remittance to the Uniformed Fire Officers Association Family Protection Plan, ("FPP") pursuant to the terms of a supplemental agreement reached by the parties and approved by the Corporation Counsel.

0300.5

ARTICLE XVII - INDIVIDUAL RIGHTS

It is the policy of the Employer to secure for all employees their rights and privileges as citizens in a democratic society, consistent with their duties and obligations as employees of the Fire Department and the City of New York. To further the administration of this policy, the following guidelines are established:

Section 1.

Interrogations, interviews, trials, and hearings conducted by duly authorized representatives of the Employer shall be conducted during reasonable hours, preferably when an employee is on duty. If an interrogation, interview, or hearing takes place when an employee is not on duty, that employee shall be compensated by cash payment for the time spent, including two hours of travel time, at the rate of time and one-half. If a trial takes place when an employee who is a witness is not on duty, that employee shall be compensated by cash payment for the time spent including two hours of travel time, at the rate of time and one-half. If a trial takes place when an employee who is an accused is not on duty, that employee shall be compensated by cash payment for the time spent, including two hours of travel time, at the rate of straight time, unless the trial was postponed by the accused for that employee's convenience or for the convenience of counsel and/or the union representative, in which case the accused shall receive no compensation.

0300.5

Section 2.

At the time an employee is notified to appear for interrogation, interview, trial or hearing the Employer shall advise the employee either in writing, when practicable, or orally to be later confirmed in writing of (1) the specific subject matter of such interrogation, interview, trial or hearing; and (2) whether that employee is a suspect or non-suspect. If notified orally, the employee shall be given a written notice before the interrogation, interview, trial or hearing. If an interrogation or interview may lead to disciplinary action, the employee may be accompanied by counsel and/or a union representative at such interrogation or interview.

Section 3.

Notice of trial shall be in writing at least ten (10) days in advance of such trial, unless the employee waives such notice or unless that employee applies or has applied for a service retirement.

Section 4.

The employee who is the subject of interrogation, interview, trial or hearing shall be advised of the name, rank, and unit of the officer in charge of the interrogation, interview, trial or hearing and the name, rank and unit or other identification of all persons present connected with the interrogation, interview or hearing. The questioning of employees shall be of reasonable duration and the employee shall be allowed time for personal needs, meals and necessary telephone calls. Offensive or profane language shall not be used, nor shall the employee be threatened for failure to answer questions or promised anything if that employee does answer questions.

Section 5.

When an employee is a suspect in a departmental investigation or trial, the officer in charge of the investigation or trial shall give the employee the following warning before that employee is questioned:

I wish to advise you that you have all the rights and privileges guaranteed by the law of the State of New York and the Constitutions of this State and of the United States, including the right not to be compelled to incriminate yourself. You have the right to have an attorney present if you wish. I wish further to advise you that if you refuse to answer any questions relating to the performance of your duties, you will be subject to dismissal from your employment with the City. However, if you do answer questions, neither your answers nor any information or evidence which is gained by reason of such answers can be used against you in any criminal proceeding. You are advised, however, that if you knowingly make any false answers or deceptive statements, you may be subject to criminal prosecution and disciplinary action by reason thereof.

Such employee shall also be advised of the right to union representation. When the interrogating officer is advised by the employee that employee desires the aid of counsel and/or a union

representative, the interrogation shall be suspended and the employee shall be granted a reasonable time to obtain counsel and/or a union representative, which time shall be at least two working days.

If it appears that the investigation may result in a disciplinary proceeding based on the Employee's answer to questions or on the refusal to answer, a stenographic or electronic record of the questioning of the employee shall be made unless the exigencies of the situation prevent such recording.

In the event that an employee is subject to charges by the Department, any such record shall be made available to the employee or the representative. The cost of the recording shall be shared equally by the parties.

Section 6.

A. An employee shall not be questioned by the Employer on personal behavior while off duty and out of uniform except that the Employer shall continue to have the right to question an employee about personal behavior while off duty and out of uniform in the following areas:

- i.** matters pertaining to official department routine or business;
- ii.** extra departmental employment;
- iii.** conflict of interest;
- iv.** injuries or illnesses;
- v.** residency;
- vi.** performance as volunteer firefighter;
- vii.** loss or improper use of department property.

B. If an employee alleges a breach of subdivision (a) of this Section 6., that employee has the right to a hearing and determination by the Impartial Chair within 24 hours following the claimed breach. To exercise this right, the employee must request such arbitration at the time when an official of the Employer asks questions in an area which is disputed under subdivision (a) of this section. If the employee requests such arbitration, that employee shall not be required to answer such questions until the arbitrator makes the award.

Section 7.

All employees are reminded that failure to answer relevant questions may result in disciplinary action including dismissal from the Department.

03 00.5

Section 8.

In the course of an investigation or interrogation, an employee who is not a suspect is required to cooperate in the investigation of a complaint. Statements the employee has made in the course thereof may not be used against that employee in a subsequent proceeding in which that employee becomes a suspect.

Section 9.

If an employee is found not guilty in a disciplinary hearing, the record of the proceedings shall not become part of that employee's personal record. An employee who is found not guilty shall have the right to examine the personal record in the presence of an official of the Department after written request to the Department to ascertain compliance.

Section 10.

If the Employer fails to comply with the provisions of this Article, any questions put to the employee shall be deemed withdrawn and the refusal to answer any such questions shall not be prejudicial to the employee. Withdrawal as herein described shall not preclude the Department from proceeding anew in the manner prescribed herein.

Section 11.

The employee shall have the right, at that employee's own expense, to have a personal physician consult with the Departmental Medical Board after the examination and interview of the employee, but before the Departmental Board completes its record and makes its recommendation. Present practice regarding filing of medical statements and documents shall continue.

Section 12.

If an employee is subpoenaed to testify before a governmental body up to a maximum of two employees "per day" in a proceeding, the employee shall be compensated by cash payment for the time spent testifying, plus two hours travel time, provided that no compensation shall be paid unless the employee notifies the Department that that employee has received a subpoena within 72 hours after receipt of it; or as soon as that employee has received it if the return date is within 72 hours thereafter. Any amounts received by the employee as witness fees shall be deducted from compensation received by the employee from the Department pursuant to this Section.

ARTICLE XVIII - GRIEVANCE PROCEDURE

Section 1.

A grievance is defined as a complaint arising out of a claimed violation, misinterpretation or inequitable application of the provisions of this contract or of existing policy or regulations of the

0300.5

Fire Department affecting the terms and conditions of employment. A direct order, written or verbal, by a Superior Officer, under all circumstances, must be carried out and objections raised at a later date through the formal grievance procedure. The Union has designated the appropriate delegate, as defined in Article XX of this Agreement, as a member's representative at Step No. I of these procedures. Such Battalion or special Union delegate shall be hereinafter referred to as the delegate. In the event that any employee shall present a grievance, such grievance shall be handled in the following manner:

STEP NO. I

A-1. An aggrieved member initiates the grievance procedure by explaining a problem verbally to that member's immediate supervisor.¹ The immediate supervisor in grievance procedures, for the purpose of verbal presentation, is defined as -

- (a) For Lieutenants - The Captain or other Commanding Officer of the unit involved.
- (b) For Captains - The Battalion Chief who is responsible for the day-to-day supervision.
- (c) For Battalion Chiefs - The Deputy Chief who is responsible for day-to-day supervision.
- (d) For Deputy Chiefs - The Staff Officer charged with administrative supervision over the division involved.
- (e) For Supervising Fire Marshals and Administrative Fire Marshals - The Deputy Chief Fire Marshal.
- (f) For Medical Officers - The Chief Medical Officer.
- (g) It is possible that such immediate supervisor may not be in a position to alleviate the grievance depending upon its context. However, in all cases the subordinate officer shall consult with the above named immediate supervisor before engaging in any of the further delineated procedures. In addition, such immediate supervisor shall make every effort by consultation with superior officers involved to identify the grievance and remove the cause.

¹ In some instances the Commanding Officer will also be the immediate supervisor, in which case the Commanding Officer will participate in the Step No. I as the immediate supervisor. If the matter is not resolved, that Officer will then act as the Commanding Officer.

0300.5

EXAMPLE: A grievance action by a Lieutenant may arise because of an action by a Battalion Chief. This Lieutenant must consult with that Lieutenant's Captain before engaging in other procedures outlined. A grievance action by a Captain may arise because of an action by the Battalion Commander, who is not that Lieutenant's day-to-day supervisor. This Captain must consult with the Battalion Chief who is responsible for the day-to-day supervision before engaging in other procedures outlined.

2. If the matter is not resolved to the employee's satisfaction, the aggrieved employee may request the delegate to discuss the matter verbally with the immediate supervisor as noted above.
3. Prior to the formal presentation of the grievance or complaint to the immediate Commanding Officer, who, for the purpose of these grievance procedures, is defined as:
 - (a) For Lieutenants - Battalion Commander,
 - (b) For Captains - Battalion Commander,
 - (c) For Battalion Chiefs - Division Commander,
 - (d) For Supervising Fire Marshals and Administrative Fire Marshals - The Deputy Chief Fire Marshal,
 - (e) For Medical Officers - Chief Medical Officer, and
 - (f) For Deputy Chief - Staff Officer charged with administrative supervision over the involved division.

Every effort shall be made to find ways and means of identifying and removing the cause of the grievance or complaint.

4. If the matter remains unresolved following the discussion outlined above, the grievance shall formally be submitted in writing, on a prescribed form, to the immediate Commanding officer, as noted above. Such formal submission must, in any event, occur within 120 days following the date on which the grievance arose.
- B-1.** Upon request of the aggrieved employee, the delegate shall accompany the employee at a meeting with the immediate Commanding Officer, as noted above, who shall specify date, time and place of hearing. Said Commanding Officer shall, within five (5) calendar days of receipt of appeal, notify all concerned of the date, time, place of hearing and details of grievance.²

² If the grievance relates to a nature of an order issued by a superior, Section 25.1.1 of Regulations for the Uniformed Force shall be complied with.

0300.5

2. The determination of the immediate Commanding Officer passing on the grievance shall be in writing, and a report shall be forwarded on the prescribed form to the Fire Commissioner, the aggrieved and the delegate within three (3) calendar days after the meeting.
3. If the grievance is not resolved to the satisfaction of the aggrieved, the employee has the right to proceed to the next step in the grievance procedure.
- C-1. Time lost by a delegate or union representative in the adjustment of a grievance shall not be compensable.
2. Time lost by an aggrieved member in the adjustment of a grievance shall not be compensable.
- D-1. Failure to Appeal - Any grievance decision not appealed within five (5) calendar days after receipt of the Department's answer in the previous step shall be considered as settled on the basis of such an answer and not subject to further appeal. This limitation is applicable to all steps.

STEP NO. II

A member of the Union Executive Board shall be the member's representative at this step of the grievance procedure. The official to whom the appeal shall be made is designated as follows:

- (a) For Company Officer - The Division Commander.
 - (b) For Battalion Chiefs - The Staff Officer charged with administrative responsibility for the involved division.
 - (c) For Deputy Chiefs assigned or reporting to the Bureau of Fire - The Chief of Department.
 - (d) For all other Deputy Chiefs - The Chief in Charge, Bureau of Personnel and Administration.
 - (e) For Supervising Fire Marshals and Administrative Fire Marshals - The Chief of the Department.
 - (f) For Medical Officer - The Chief in Charge, Bureau of Personnel and Administration.
- A-1. An appeal from the Step I determination shall be forwarded by the aggrieved, in writing, on the prescribed form, to the Officer to whom the appeal is to be made within five (5) calendar days after the aggrieved received a copy of the determination of the immediate Commanding Officer.

0300.5

- B-1.** Upon request of the aggrieved employee, a member of the union Executive Board shall accompany that employee at a meeting with the Officer to whom the appeal is to be made who shall specify the date, time, place of hearing and details of grievance.
- C-1.** The determination of the Officer passing upon the appeal shall be in writing and a report shall be forwarded on the prescribed form to the Fire Commissioner, the aggrieved and the Representative within five (5) calendar days after the hearing.
- 2.** If the grievance is not resolved at this level, the aggrieved, either individually or by the representative has the right to proceed to the next step in the grievance procedure.

STEP NO. III.

The President and members of the Executive Board may be designated as the Union representatives on the Department level; no more than four (4) members of the Executive Board are to attend a meeting.

- A-1.** An appeal from the Step II determination must be forwarded in writing by the aggrieved, on the prescribed form, to the Fire Commissioner within five (5) calendar days after the aggrieved receives a copy of the determination.
- B-1.** The Commissioner, the Chief of Department, the Chief in Charge - Bureau of Personnel and Administration, and/or their designees, the aggrieved and/or the representatives shall work for a satisfactory resolution of the grievance or complaint through conference, negotiation, and agreement. Such conference shall be held within ten (10) days of the receipt of the appeal. The Commissioner shall within five (5) days after such conference serve the determination, in writing, upon the aggrieved employee and the representative.

STEP NO. IV.

If, after completion of all of the steps provided for above, the grievance has not been resolved, the Union solely shall have the right to bring such grievance to the Impartial Chair for arbitration in accordance with the applicable provisions of the New York City Collective Bargaining Law and Consolidated Rules promulgated by the Office of Collective Bargaining with respect to arbitration. Notice of the Union's intent to proceed to arbitration shall be served on the Commissioner of Labor Relations within ten (10) days of receipt by the Union and the employee of the decision of the Commissioner or the designated representative. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined as a "grievance" herein. The Employer shall commence such arbitration by submitting a written request therefore to the Impartial Chair, with a copy to the Union, and the matter shall proceed in accordance with the Consolidated Rules of the Office of Collective Bargaining. The Impartial Chair shall hold a hearing within ten (10) days after the Chair receives a request for arbitration at a time and place convenient to the parties, and the Chair shall issue an award within ten (10) days after the completion of the hearing.

0300.5

Section 2.

The time limits contained in this Article may be modified by mutual agreement. Any grievance decision not appealed within the time limits prescribed in this Agreement after receipt of the determination of the appropriate department official shall be considered settled on the basis of such determination and shall not be subject to further appeal.

In the event that the Department fails to comply with the time limits prescribed herein, the grievance automatically shall be advanced to the next step.

Section 3.

It is understood and agreed by and between the parties that there are certain grievable disputes which are of a department level or of such scope as to make adjustments at Step I and Step II of the grievance procedure impracticable, and, therefore, such grievance shall be instituted at Step III of the grievance procedure. The Union may petition the Impartial Chair for leave to file a grievance involving potential irreparable harm concerning safety and health directly at Step IV. The Impartial Chair shall have the power to permit such grievance at Step IV for good cause shown or direct said grievance to be instituted at Step III. If the Impartial Chair determines that the grievance may be properly filed directly at Step IV, the City retains its right to assert all defenses which may be properly raised at Step IV.

Section 4.

When possible, every effort shall be made to hold grievance hearings when a union representative involved is on duty.

Section 5.

Individual Borough Commands shall not establish policy and/or programs at variance with this Agreement. A copy of every Borough policy directive shall be sent to the Union when issued.

0300.5

ARTICLE XIX - DELEGATES

The union shall designate a Delegate for each Battalion or following units:

Office of the Chief of Department
Division of Fire Prevention
Division of Training
Division of Safety
Marine Division
Division of Repairs and Transportation
Community Relations Bureau
Medical Division and Medical Office
Fire Emergency Division
Bureau of Fire Investigation (2 Delegates)

Each delegate shall perform the regular duties as an employee and shall be considered a representative of the Union.

ARTICLE XX - NO STRIKE

The Union and the Employees shall not induce or engage in any strikes, slowdowns, work stoppages or mass absenteeism nor shall the Union induce any mass resignations during the term of this Agreement.

ARTICLE XXI - IMPARTIAL CHAIR

As soon as practicable after the execution of this Agreement, the parties hereto will designate an Impartial Chair to act during the term of this Agreement. The Impartial Chair shall serve as arbitrator in all instances where arbitration is called for under the terms and conditions of this Agreement, and, further, he shall be available to serve as mediator in all disputes arising under this agreement or between the Union and the Employer.

Should the Impartial Chair resign, refuse to act or be incapable of acting or should the office become vacant for any reason, the parties shall immediately designate another person to act as such Impartial Chair. If the parties cannot agree on the successor Impartial Chair, then arbitrations under the grievance procedures of this Agreement shall be held pursuant to the Consolidated Rules of the Office of Collective Bargaining.

0300.5

ARTICLE XXII - DETAILS TO OTHER UNITS

Section 1.

- A. In the event that a Company Officer is detailed to a unit other than the unit to which that Officer is permanently assigned, if that Officer is required to report at the other unit at the start of a respective tour (e.g., 0900, 1800, etc.), that Officer shall receive compensation for travel to the unit to which that Officer is detailed at the rate of time and one-half for 45 minutes of travel time if the detailed unit is within the same borough as that Officer's permanent unit or 1-1/4 hours if the detailed unit is in a different borough than that of the permanent unit.
- B. In the event that a Company Officer is detailed to a unit other than the unit to which that Officer is permanently assigned and that Officer cannot return to the permanent unit within a regular tour of duty (e.g., by 1800, 0900, etc.), that Officer shall receive compensation for travel to the permanent unit at the same rates as stated in paragraph A. hereof.
- C. In any event, if the Department transports such detailed Company Officer, then that Officer shall receive compensation at time and one-half only for the actual travel time outside of the regular tour of duty.

0300.2

- f. The Company Officer is detailed to a company in the same quarters as that Officer's own or in adjacent quarters,

When computing overtime compensation for travel time as required by this Article, the basic hourly rate excluding all premiums shall be used.

Section 5.

ARTICLE XXIII - SPECIAL EXPENSE FUND

Section 1.

The Special Expense Fund for Firehouses will be continued in the amount of \$100 per unit per year. A Unit for these purposes is defined as a Fire Company, a Rescue Company, a Squad Company, a Marine Company, a Fire Battalion, a Fire Division, a Fire Prevention District Office, and a Super Pumper Company. The purpose of establishing such Special Expense Fund is to enable certain purchases to be made with the least possible loss of time. These purchases shall entail a minor expense and shall be of an emergent nature (that is, cannot practicably be handled by normal requisition procedures).

Section 2.

The maximum expenditure per purchase shall be \$25. Expenditures in amounts not exceeding \$25 shall be authorized by the Unit Commander. All expenditures shall be subject to the procedures as set forth in PA/ID 2-70, effective January 26, 1970.

Section 3.

Subject to the Comptroller's approval, units shall only be required to submit annual Special Expense Fund reports, provided that such report is submitted by May 15.

0300.5

Section 4.

The Fire Department shall establish a pilot program involving no more than 3 companies, wherein the Special Expense Funds of such companies shall be increased so as to allow for the purchase of necessary supplies and materials for the company quarters from such Funds. The Department shall monitor and evaluate such program and keep the Union advised.

ARTICLE XXIV - LABOR-MANAGEMENT COMMITTEE

Section 1.

The Employer and the Union recognize that cooperation between labor and management is indispensable to the accomplishment of sound and harmonious labor relations and agree to jointly maintain and support a Labor-Management Committee ("Committee").

Section 2.

The Committee shall consider and may recommend to the Fire Commissioner changes in the working conditions of the employees, including, but not limited to, health and safety issues. Matters subject to the Grievance Procedure contained in this agreement shall be appropriate items for consideration by the Committee, but submission of a matter to the Committee shall not affect the right to grieve the matter.

Section 3.

The Committee shall consist of six members. The Fire Commissioner and the President of the Union shall each select three members, and may designate an alternate for each member authorized to act in the absence of a member. Members shall serve for the term of this Agreement, provided, however that the appointing party may remove members that party has appointed at any time. Vacancies shall be filled by the appointing party.

The chair of the Committee shall alternate between the members designated by the Fire Commissioner and the members designated by the President of the Union. A quorum shall consist of a majority of the total membership of the Committee. The Committee shall meet at the call of either the Union members or the City members at times mutually agreeable to both parties. ARTICLE XXV-A - PRODUCTIVITY ISSUES

Section 1.

The Union recognizes that the provisions of this Article XXV-A are matters concerning which the City has the right to act unilaterally. Notwithstanding the above, the parties agree to the following sections:

Section 2. Flexible Response.

The Union recognizes the unilateral right of the City to determine the type and level of response, City-wide.

Section 3. Weighted Response Index ("W.R.I.")

- A. The impact of the W.R.I. decision is suspended until July 1, 1973.
- B. Between December 31, 1972 and July 1, 1973, the Impartial Chair shall study data presented by the parties in order to determine:
 - (1) What the data shows with respect to the W.R.I.
 - (2) Whether the Impartial Chair wants to make changes in the cut-off numbers in the W.R.I.
- C. If after July 1, 1973 there is an application of the W.R.I. as it is now or may be changed by the Impartial Chair, the 52-week period of measurement referred to in the decision shall be July 1, 1972 to July 1, 1973, or such later period as the Impartial Chair may provide.
- D. After July 1, 1972, the City may make unilateral changes and install programs unilaterally subject to the following:
 - (1) Submission of the intended program to the Office of Labor Relations.
 - (2) No less than 2 weeks notice of the change is to be given to the Union.
 - (3) Within the two weeks the Union is to be given an opportunity to discuss the changes with the City.

03005

- (4) If no agreement is reached as a result of such discussion, the City may install the program; and the Union reserves all rights it has to oppose the same.

Section 4.

Runs and workers shall be credited to the relocated working company.

ARTICLE XXV-B - PRODUCTIVITY ISSUES

Section 1. Attack Units

- A. The Union recognizes the right of the Fire Department to establish Attack Units as follows:
1. In those quarters which at the time of the installation of an Attack Unit house a Tower Ladder and Rapid Water Pumper, the companies in those quarters may be merged (into 1 company) and their designation changed to Attack Unit Company. Each such company so designated and merged as an Attack Unit shall be commanded by a Company Officer of the rank of Captain at all times and on all tours. If the Tower Ladder or Rapid Water Pumper of an Attack Unit is out of service, it will be replaced by a like piece of equipment from available spares of a non-Attack Unit Company as quickly as possible.
 2. Attack Units shall be installed only in quarters currently in Type 7 Hazard Region, as that Region is now designated by the Fire Department, and in City Island, and will be relocated or interchanged only with other Attack Unit Companies.
 3. The Department may install a maximum of ten (10) Attack Units.
 4. At the time an Attack Unit is installed there will be an increase in quota in the number of Captains so that there will be a sufficient number to staff such unit and a reduction in the quota of the number of Lieutenants. This provision does not limit quota increases and/or decreases which may result due to other factors or Department policies.
 5. Each Attack Unit shall be assigned clerical help in the rank of Firefighter during the daytime tours, except Saturdays, Sundays and Holidays. Duties to be performed by such Firefighter shall be determined by the Company Commander.
 6. The Attack Unit program shall not be used as a factor in the reduction of response. However, the union recognizes the rights of management to reduce response and to change alarm assignments for other reasons. This shall not change the nature of an Attack Unit as a two-piece response.

03005

7. The Department shall establish a training program for Officers who are to be assigned to the Attack Units and shall familiarize the Uniformed Fire Officers Association with such training program. Any Company Officer permanently assigned to the Attack Units shall receive training in such training program prior to that Officer's assignment. Every reasonable effort shall be made to provide prior similar training to Company Officers who will be temporarily assigned to such Attack Units.
8. The Department shall provide the Uniformed Fire Officers' Association with fourteen (14) days notice prior to the installation of any Attack Unit. Any Company Officer who by virtue of the establishment of an Attack Unit is to be reassigned to another company shall be given a reasonable priority consideration in choice of assignment. However, the Department's decision shall be final.

Section 2.

Firefighters in an Attack Unit shall not be required to perform duties of a supervisory nature on a regular and recurring basis as a result of establishment of an Attack Unit. If it is found by an arbitrator that a particular duty performed by a Firefighter in an Attack Unit is supervisory the arbitrator may order the cessation of the particular duty found to be supervisory and the arbitrator's award shall be limited solely to the ordering of such cessation. It is recognized that fire scene supervision is continued by means of a handie-talkie or similar communication by an officer during excursions (such as, without limitation, examining a floor above a fire, examining the front of a building, or attending to other matters that require that officer's presence) from the fire floor, hose line locations, apparatus locations or other fire scene operational areas. Duties performed by a Firefighter not in the presence of an officer but pursuant to handie-talkie or similar communication with an officer, including (without limitation) relaying of orders received from an officer, do not constitute supervisory work. Officer supervision via a handie-talkie or similar communication is considered to be direct supervision and control of any such operation.

ARTICLE XXV-C - NEW PROGRAMS

The Commissioner may elect to submit a proposed program under the provisions of either Article XXV-A, provided however, that having elected which procedure to follow, the Commissioner may not thereafter resubmit the same program under the alternative procedure. In the event it is determined by the appropriate forum that the Commissioner did not have the right to proceed under the Article elected, the Commissioner may then seek to proceed under the alternative procedure.

Notwithstanding the above, the Union agrees that the Commissioner's right to implement new programs under Article XXVI-A has in no way been diminished by the inclusion into this agreement of Article XXVI-C.

0300.5

ARTICLE XXVI - LINE OF DUTY DEATH BENEFIT

Section 1.

In the event that a Fire Officer (line) or Medical Officer dies because of an injury incurred through no fault of that Officer's own while actually responding to, working at or returning from an alarm, or, in the case of a Supervising Fire Marshal or Administrative Fire Marshal, because of an injury directly resulting from a hazard unique to Fire Marshal duty through no fault of that Marshal's own, a payment of \$25,000 will be made from funds other than those of the Retirement System, in addition to any other payment which may be made as a result of such death. Such payment shall be made to the beneficiary designated under the Retirement System or, if no beneficiary is so designated, to the estate of the deceased.

The Department will issue appropriate parking permits for the designated areas. The UFOA shall notify the Department, the Transportation Administration, and the Office of Labor Relations of any requests for parking spaces. The City shall have 10 days to respond to such requests. If the response is a denial, it shall be specific as to the reasons. If the UFOA disagrees with any such denial, it shall inform the Office of Labor Relations as to the specific reasons for its disagreement, and may refer the matter to the Impartial Chair for advisory arbitration.

Section 7.

In order to improve the efficiency, productivity, health and morale of officers, existing practices regarding meal periods shall be modified as follows:

Each unit shall be scheduled to receive one half-hour meal period in each tour as described in AUC. Response to fires and other emergencies by a unit during its rest period shall be governed by the provisions of that circular.

Section 8.

The Department shall provide each member with a laminated identification card, including a photograph of each member. In the event the card is lost, the replacement cost shall be borne by the employee. Possession of the identification card shall be voluntary.

03005

Section 9.

- A. Each member shall receive a duplicate copy of any medical records made by the Department which are included in the member's medical/personnel file at the time of the preparation of such records.
- B. The Department shall have a reasonable time to develop and implement the necessary systems and paperwork to comply with the foregoing.

Section 10.

Pursuant to regulations promulgated by the Department, the Employer shall reimburse any employee for property loss or damage sustained to the employee's personal vehicle when such vehicle's use is authorized to provide transportation while in the performance of the employee's duty.

Section 11.

The City shall furnish to each unit a copy of the collective bargaining agreement within 60 days of its final approval.

Section 12. - Performance Compensation

The City acknowledges that each of the uniformed forces performs an important service that reflects the diverse missions of the City's uniformed agencies. In order to reward service of an outstanding, exceptional nature, each of the uniformed agencies will establish a performance compensation program to recognize and reward such service, tailored to the unique missions of the individual uniformed agency.

The parties agree that additional compensation may be paid to employees performing outstanding, exemplary, difficult and/or unique assignments. The City will notify and discuss with each affected union of its intent to pay such additional compensation and the individuals to be compensated.

The criteria for the granting of performance-based compensation shall be based upon outstanding performance in the work assigned, and/or performance of unique and difficult work.

The performance-based compensation payments provided for in this section shall be one-time, non-recurring cash payments subject to applicable pension law. An employee can receive no more than one payment annually.

This provision shall not affect any existing productivity programs covered in any existing collective bargaining agreements. Nor shall this provision be construed to waive any obligation of the City to negotiate over future productivity programs as required by applicable law.

03005
