Written notice will customarily be provided by furnishing SEIU with advance copies of the agenda of the Board of Supervisors and Civil Service Commission meetings.

In cases of emergency when County management determines that an ordinance, resolution, rule or regulation must be adopted immediately without prior notice or negotiations with the Union, County management shall provide such notice and opportunity to negotiate at the earliest practicable time following the adoption of such ordinance, resolution, rule or regulation, proposal, or other action.

A continuation of SEIU payroll deductions, without resigning a payroll deduction card, shall be allowed after an employee returns from a leave of absence.

(h) FAIR SHARE FEE: SEIU agrees that it has a duty to provide fair and nondiscriminatory representation to all employees in the units for which this Agreement is applicable regardless of whether they are members of SEIU. Subject to the remaining provisions of this section, all covered employees employed on or after the effective date of this Agreement and continuing until the termination of this Agreement, shall as a condition of employment either:

1. Become a member of SEIU and remain a member for the duration of this MOU, provided that such members may elect to resign from the Union between 120

and 90 days prior to expiration of the MOU; or

Prior to collection of agency fees and on an annual basis thereafter, the Union shall notify all bargaining unit members of the Union's expenses, with adequate breakdown of expenses into reimbursable and non-reimbursable areas. If objections are received, the Union shall provide those procedures set forth in the case of *Chicago Teachers Union v. Hudson*.

The term "separation" includes transfer out of the unit, layoff, and leave of absence with a duration of more than thirty (30) days.

#### COMPLIANCE

An employee in or hired into a job classification represented by SEIU shall be provided with an Employee Authorization for Payroll Deduction form by SEIU. If the form authorizing payroll deduction is not returned within thirty (30) calendar days after notice of this fair share fee provision and the SEIU dues, fair share fee, initiation fee or charitable contribution required are not received, SEIU may, in writing, direct that the County withhold the fair share fee and the initiation fee from the employee's salary, in which case the employee's bi-weekly salary shall be reduced by an amount equal to the fair

share fee and the County shall pay an equal amount to SEIU.

SEIU shall defend, indemnify and save the County harmless against any and all claims, demands, suits, orders, judgments or other forms of liability that shall arise out of or by reason of, action taken or not taken by the County under this Agreement. This includes not only the County's reasonable attorney fees and costs but the reasonable cost of management preparation time as well. The County shall notify SEIU of such costs on a case-by-case basis.

An employee called as a witness in any other matter shall be deemed off duty.

#### 5.11. Reassignment

Any employee who is involuntarily reassigned may request a written statement from the appointing authority as to the reasons for the reassignment. This written response shall be issued within fourteen calendar days from the date of the request.

### 6. SALARY ADMINISTRATION

#### 6.1. Salary Upon Appointment

New employees shall be appointed at the first step of the salary range adopted for the particular class of position to which the appointment is made. The Board of Supervisors or such individual as the Board may designate, upon certification of the Director of Human Resources that recruiting difficulties exist, may provide that a particular allocated position be filled at a step above the minimum of the range commensurate with the qualifications of the prospective appointee which are above the minimum requirements set forth in the class specifications.

Whenever such allocated position is filled in this manner, all incumbents of allocated positions who have qualifications above the minimum set forth in the class specification in the same class earning less than the step in the particular salary range at which the new employee enters may be raised to that step or to a lower step in the range upon the request of an appointing authority and the recommendation of the Director of Human Resources and subject to approval of the County Administrator.

Notwithstanding other provisions of this Memorandum regarding merit advancement days, the merit advancement of all employees in that class of position may be changed in order to retain equitable relationships as recommended by the Director of Human Resources and approved by the County Administrator.

#### 6.2. Step Increases

##### 6.2.1. Regular Employees

A regular employee shall be required to serve a merit advancement period of twenty-six (26) bi-weekly pay periods on each step of the salary range assigned to the classification of which the employee is an incumbent before becoming eligible for advancement to the next higher step. An employee shall not advance to the next higher step until the employee receives the affirmative recommendation from his/her department head and the employee's eligibility for advancement has been verified by the Director of Human Resources.

An employee shall not advance to the next higher step if his/her overall performance is evaluated as less than satisfactory. Nothing in this Memorandum shall be construed to provide that step increases are automatic.

Advancement within a salary range shall not be made more frequently than once in any period of twenty-six (26) consecutive pay periods nor shall any employee advance more than one step within a salary range at one time except as provided in Section 6.1. above.

#### 6.2.3. Eligibility for Step Increases for Part-Time Employees (Non-Healthcare Professionals)

If the step increase is made retroactive to the normal effective date of the step increase, the employee shall retain the employee's current anniversary date. If some intervening date is determined by the adjudicating party, the employee shall not be eligible for the employee's next merit advancement for twenty-six (26) bi-weekly pay periods from the intervening date.

#### 6.4. Salary Step On Promotion

An employee appointed to a position with a higher salary range shall have his/her salary adjusted to the first step of the new range or to the step in the new range which is at least 5% higher than the salary the employee was receiving prior to the promotion, whichever is greater, provided that the new salary is within the new range. For the purposes of this Section, pay supplements which are a percentage of base salary (except above class pay and special assignment pay) shall be added to the pre-promotion base salary prior to determining the appropriate step in the new range. The effective date of the

promotion shall become the new merit advancement date for the employee and he/she shall not be eligible to receive a merit step increase until fifty-two (52) weeks after such date.

#### 6.5. Order of Adjustments

Whenever an employee is promoted and receives a range change or the employee's position is reclassified to a class having a higher salary range, on the employee's merit anniversary day the employee shall first receive the merit advancement increase to which he/she may be entitled and then receive such increases to which he/she may be entitled in the following order: salary adjustment, reclassification, promotion.

#### 6.6. Salary Step on Demotion

If an employee is demoted to a position having a lower salary range because of lack of work or funds, or in the interests of economy, or for any reason other than discipline, the employee so demoted shall receive the next lower salary in the range assigned to the new position. The employee's merit anniversary date shall remain the same.

If an employee voluntarily demotes to a position having a lower salary range, the employee shall receive the salary in the new range which is equal to the salary in the prior position or, if none, the next lower salary in the range assigned to the new position.

#### 6.7. "Y"-Rates

Whenever an incumbent of a Civil Service exempt position accepts a demotion for reasons other than a disciplinary action to a class or position having a lower salary range, the Board of Supervisors may direct that the capital letter "Y" be set opposite the position to which the incumbent was demoted in the department budget and all payroll and other personnel records.

Whenever the effect of a reclassification is to place the incumbent in a Civil Service classified position having a lower salary range, the Board of Supervisors, upon the recommendation of the Civil Service Commission, may direct that the capital letter "Y" be set opposite the reclassified position in the department budget and all payroll and other personnel records.

Whenever the "Y" is set opposite a position, the incumbent shall continue to receive his/her previously authorized salary until termination of employment in the position, or until a higher rate of pay may be authorized, whichever comes first.

- 1) If the recommendation of the third-party intervenor is to uphold the complaint, the County will pay the cost of the intervenor.
- 2) If the recommendation of the third-party intervenor is to deny the complaint, the complainant will pay the cost of the intervenor.

The decision of the Board, whether after a hearing or after review of the recommendation of the third-party intervenor, is final and binding.

All complaints shall be presented and acted upon in a timely manner. However, with the mutual consent of the parties, the time limitation for any step may be extended.

## 18. ADVISORY ARBITRATION

As an alternative procedure for the resolution of impasses, the County and SEIU may, upon mutual agreement, including agreement as to procedure, submit matters in dispute in the course of the meet and confer process to advisory arbitration. Further, disputes arising in a context other than the meet and confer process, e.g. disputes relating to administration of this Memorandum, to formal complaints, to interpretations of codes, resolutions, Board Orders, and ordinances dealing with employee rights and benefits shall, upon mutual agreement, be processed through an impasse procedure. Neither this Section nor the exercise of the option to utilize an impasse procedure shall be deemed as making any matter which is reserved to the County as a right of management in the Employer-Employee Relations Policy a matter subject to the meet and confer process.

## 19. DISCIPLINARY ACTIONS

### 19.1. Applicability

These procedures are not applicable to temporary, contract or probationary employees except as specified in Section 19.8.

To initiate disciplinary action against a permanent, Civil Service employee, the appointing authority must follow the provisions of Civil Service Rule 18. The appointing authority must submit to the employee a written notice of intent to take disciplinary action and file a copy with the Human Resources Division. The notice must state specifically the reason(s) for the action and explain the employee's "Skelly" rights of appeal.

#### 19.2. Request for Hearing

The employee may appeal the proposed action and request a hearing by responding in writing to the appointing authority within seven (7) calendar days of receipt of the notice. Upon receipt of a timely response, the appointing authority shall schedule and conduct a "Skelly" hearing as soon as possible.

#### 19.3. Rights of Access

The employee shall be given access to copies of all materials supporting the proposed action and shall be provided with copies upon request.

#### 19.4. Representation

The employee may be represented at the hearing by a representative of the employee's choice.

#### 19.5. Conduct of Skelly Hearing

The appointing authority or designee shall be the hearing officer at the informal "Skelly" hearing. Upon consideration of all materials and discussions presented at the hearing, the appointing authority may determine to uphold, modify, or revoke the proposed disciplinary action.

#### 19.6. Order of Disciplinary Action

If the employee does not respond to the notice of intent within the prescribed time limits, or if, after hearing, the appointing authority determines that disciplinary action is appropriate, the appointing authority shall submit to the employee a written order of disciplinary action. The order shall state the proposed action, the reasons for the action, and the employee's rights of appeal.

#### 19.7. Appeal of Order of Disciplinary Action

The employee, within seven (7) calendar days after the order is furnished to the employee, may appeal the order in writing to the Director of Human Resources. The employee, in making the appeal, shall designate in writing whether the matter will be heard by the Civil Service Commission or whether the matter will be submitted to binding arbitration. In accordance with the provisions of Civil Service Rule 18, selection of one appeal method shall exclude the possibility of appeal through the alternate procedure on the same issue.

Appeal and arbitration hearings shall be conducted in accordance with Civil Service Rule 18.

#### 19.8 Part-Time Employee Serious Discipline Appeal Process

The procedures described herein shall be the sole procedure to appeal the serious discipline (as defined in the Civil Service Rules, Rule 18, Section 1) of Part-time employees. This appeal procedure shall not be available for any type of employment action that does not constitute Serious Discipline as defined in this Agreement.

##### Eligibility

Employees designated as "part-time" who have worked a minimum of 1300 hours in the prior calendar year and have a total of 2080 hours of unbroken service (not taken off payroll).

##### Review Process

Part-time employees who have been subjected to Serious Discipline may request a review meeting by submitting a written request to the appointing authority of the employee's department within seven (7) calendar days of being notified of the Serious Discipline. The Serious Discipline of the part-time employee shall not be stayed or delayed pending completion of the review meeting.

Upon receipt of the request for a review meeting, the County shall provide a statement setting forth the reasons for the Serious Discipline and the materials supporting the decision. The part-time employee may be represented at the review meeting by a representative of his or her choice.

After completion of the review meeting, the reviewing manager shall determine whether there was a sufficient basis for the Serious Discipline. The reviewing manager shall then affirm, modify, or revoke the Serious Discipline in a written decision setting forth the basis for the decision. This decision shall be final, binding and non-appealable.

#### 20. SUPERSESION AND MODIFICATION CLAUSE

Except as may hereinafter be agreed to in writing, and except for the San Joaquin County Employer-Employee Relations Policy, this Memorandum of Understanding contains the sole and entire agreement between the parties. It supersedes any and all other previous Memoranda of Understanding between the parties and incorporates by reference all such previous memoranda between the designated representatives of members of this representation unit and the County and also supersedes and incorporates by reference any and all Resolutions and Board orders adopted by the San Joaquin County Board of Supervisors which were adopted to implement any Memorandum of Understanding between the designated representatives of members of this representation unit and the County; other terms and

conditions of employment not specified herein shall remain as they are for the term of this Memorandum of Understanding except that where the language of such Memoranda, Resolutions, Board Orders or such other terms and conditions of employment not specified herein conflicts with, or is different from, the language contained in this Memorandum, this Memorandum shall prevail and apply. The parties acknowledge and agree that neither of them has made any representations with respect to the subject matter of this agreement or any representations including the execution and delivery hereof except such representations as are specifically set forth herein. No waiver or modification of this agreement or any covenant, condition or limitation herein contained shall be valid unless in writing and duly executed by the parties hereto; no officer, employee or agent of the County has any authority to waive or modify this agreement or any covenant, condition or limitation herein contained without the express prior approval of the San Joaquin County Board of Supervisors or its designee.

## TOTAL COMPENSATION STUDY

The County and Union agree to a total compensation study using Contra Costa, Sacramento, Stanislaus, Kern, Fresno, Ventura, Tulare, Santa Clara, Sonoma, and Alameda Counties.

The results of the study will be used as the basis for discussion of equity adjustments during the successor agreement. It is understood that equities are not a guarantee as a result of the survey, but will be the subject of negotiations.

The County will survey key, or benchmark classifications and will compare the benchmark classification in the surveyed counties with an emphasis on comparing job duties and requirements.

The County and the Union agree to form a benchmark committee. The purpose of the benchmark committee is to develop a set of benchmarks to be surveyed consistent with the core survey elements. The committee will commence meeting on **May 15, 2005** with the goal of developing a set of benchmarks on or before **October 15, 2005**.

The survey will be conducted by a firm that is selected by the Human Resources Division. Prior to awarding the contract the County will discuss the County's choice for the preferred vendor with the Union. Upon completion of the survey, the Labor Relations Division will share the raw data and the process, as it is available, with the Union. The County will pay the cost of the survey.

Based on the core items listed below, the study will calculate the median as it relates to the surveyed jurisdictions. The parties agree that the 5% below median standard will expire with the term of this MOU unless renegotiated by the parties.

If there are less than six (6) matches in the ten (10) jurisdictions the parties agree to discuss possible alternative jurisdictions on a case-by-case basis.

The Core survey elements that will be translated into a monthly figure are:

1. Wages – Top Step Monthly Salary
2. Deferred Compensation – Employer contribution
3. Health Benefits Insurance Premiums – Maximum county contribution for family coverage (Currently available plan only)
4. Dental Insurance Premiums – Maximum county contribution for family coverage

5. Vision Insurance Premiums – Maximum county contribution for family coverage
6. Life Insurance – Monthly amount
7. Long Term Disability Insurance – Monthly amount
8. Bonuses – Only those that will always happen and are written into contract as such

Non-Core survey elements to be gathered:

1. Amount and date of last salary increase
2. Amount and date of any future negotiated salary increases
3. Expiration date of Memoranda of Understanding
4. Retirement Formula and employer contribution percent
5. Shift Differential
6. Retiree Medical Benefits
7. Sick Leave payout
8. Sick leave incentive plans
9. Bilingual pay
