(hereinafter "Union" and/or "District Council").

NOW, THEREFORE, in consideration of the mutual promises and covenants hereinafter set forth, the parties agree as follows:

ARTICLE I

Purposes - Declaration of Principles

Section 1 - Purposes

The purposes for which this Agreement is entered into are as follows:

- (a) prevent strikes and lockouts;
- (b) facilitate peaceful adjustment of grievances and disputes between the
Employer, Employee and Union;
- (c) prevent waste, unnecessary and avoidable delays, which result in unnecessary
costs and expense to the Employer and Union, and the loss of wages and fringe
benefits to the Employee;
- (d) enable the Employer to secure at all times sufficient forces of workmen, skilled
in heavy construction;
- (e) provide as far as possible for the continuous employment of labor;

- (f) provide that employment hereunder shall be in accordance with conditions and at wages and fringe benefits herein agreed upon;
- (g) bring about stable conditions in the Industry;
- (h) keep costs of work in the Heavy Construction Industry as low as possible consistent with fair wages and proper working conditions, as provided for hereunder;
- (i) continue the custom and practice heretofore prevailing for many years on Heavy Construction Work of agreement as to the terms and conditions of employment, and as to the necessary procedure for amicable adjustment of all disputes or questions that may arise.

Section 2 - Declaration of Principles

Both parties to this Agreement acknowledge that this Agreement is the uniform agreement for the Heavy Construction Industry and its execution will further the interests of said Industry.

This Agreement will be interpreted under the following principles:

- (f) the Employers are at liberty to employ and discharge whomsoever they see fit, providing that no person shall be discharged without good cause;
- (g) that the G.C.A., the Employer and the Union agree that they have not, and will not discriminate because of race, creed, color, national origin, age, sex, disability, marital status, sexual orientation, citizenship status or union membership against any individual.

For the purposes of this Article, "citizenship status" means the citizenship of any person or the immigration status of any person lawfully residing in the United States who is not a citizen or national of the United States.

The Employer expressly agrees that it will not lock out its Employees covered by this Agreement. The Union expressly agrees not to strike or in any other manner stop or hinder work covered by this Agreement. It is agreed that under no circumstances shall there be strikes, lockouts, or work stoppages, both parties agreeing to settle any question or dispute that may arise from any of the parties hereto by submitting same for determination as herein provided, with the express agreement that the parties hereto will honor, obey, be bound by and carry out such *decision or determination upon any question or dispute which may be submitted.*

- (3) any other reason explicitly provided for in this Agreement.

Section 3 - Procedures of Grievance - Arbitration

For the purpose of settling disputes between the parties hereto as to any claims or violation of this Agreement, or of any dispute or breach that may arise in connection therewith, or for construing the terms and provisions thereof, the following procedure is established:

(a) Either party may advise the other of an alleged grievance, in writing, and the party alleging the grievance may call for a meeting to be held not less than 24 hours after receipt of the grievance notice, at a place designated by the party calling the grievance. The Board deciding the grievance shall consist of two (2) representatives of each party. No member of the Board may be a member of the Local Union or Employer involved in the grievance. Both parties to the grievance shall be given full opportunity to be heard and present witnesses. The grievance shall be resolved by majority decision. At each grievance hearing, if an impasse is reached, one of the arbitrators listed below will be chosen by random selection to hear the grievance should it reach the arbitration stage. If the grievance is not resolved within 72 hours of notification thereof, as set forth above, or if the agreement reached is not complied with by the guilty party within 24 hours after notification of the agreement, either party may proceed to arbitration immediately.

(b) Any grievance not resolved pursuant to (a) above, shall be submitted to arbitration before following the four arbitrators, who shall be chosen by random selection:

1) Herbert Habber

2) Roger H. Madon

3) Joseph Doyle

4) Johnathan H. Liebowitz

The arbitrator shall conduct a hearing in such manner as he shall consider proper and shall serve as sole arbitrator of the dispute between the parties.

The arbitrator shall have the right to conduct an ex parte hearing in the event of the failure of either party to be present at the time and place designated for the arbitration, and shall have the power to render a decision based on the testimony before him at such hearing. The decision of the arbitrator shall be final and binding upon both parties and may be entered as a final decree or judgment in the Supreme Court of the State of New York or in a court of appropriate jurisdiction in any state where such decision shall be rendered. The costs of arbitration, including the arbitrator's fee, shall be borne equally by the *General Contractors Association and the Union*. It is the intent of the parties hereto that all disputes between them, both within and outside of the Agreement, shall be submitted to arbitration, as provided herein, and that no defense to prevent the holding of the arbitration shall be permitted. Service of any document or notice referred to above, or service of any notice required by law in connection with arbitration proceedings, may be made by registered or certified mail. Service upon the Employer shall be made on the individual Employer and the General Contractors Association.

Section 11 - Arbitration

Should any dispute or disagreement arise between the parties hereto, or between the Union and any Employer-member signatory hereto, concerning any claim arising from payments to the Fund of principal and/or interest which is allegedly due, either party may seek arbitration of the dispute before the impartial arbitrator designated hereunder by filing a notice of intent to arbitrate, in writing, with said impartial arbitrator and serving a copy of said notice on the Association and Employer or the Union, as the case may be, and in a manner permitted by law. The arbitrator shall have full and complete authority to decide any and all issues raised by the submission and to award appropriate damages. The arbitrator's award in this regard shall be final and binding upon the parties hereto and the individual Employer, if any, and shall be wholly enforceable in any court of competent jurisdiction.

GENERAL CONTRACTORS ASSOCIATION - CARPENTERS - 1996 ART. XI, XII

The cost of the arbitration, including the fees to be paid to the arbitrator, shall be included in the award and shall be borne by the losing party.

Roger Maher, Esq., Robert Herdoz, Esq. or Joseph Lipowski, Esq. is hereby designated as impartial arbitrator hereunder. In the event Roger Maher, Robert Herdoz or Joseph Lipowski is unwilling or unable to serve as impartial arbitrator, the New York State Board of Mediation shall designate an impartial arbitrator to serve in his place and stead.

The agreement of the parties to submit said matters regarding the payment of contributions to an arbitrator does not excuse an Employer from any statutory, civil or criminal liability which may attach to his actions under Municipal, State or Federal law. The submission of a matter to arbitration is in no way meant to affect the right of the Union to remove its members from an Employer's premises, as provided for in this Agreement.
