Customers who stipulate a particular technician as a condition of their contract agreement with Verizon Florida Incorporated will be accommodated. For overtime and holiday work related to such assignments, only the employee(s) assigned to that job site will be considered for overtime or holiday opportunities. Management will make reasonable efforts to provide a two (2) hour notice to an employee required to work such overtime prior to the overtime assignment. The Company will consider extenuating circumstances which may warrant excusal from such assignments. This provision does not limit the Company from scheduling tours as outlined in Article V, Section 2, Paragraph 2.3, to meet service emergencies.
- 4.1.3 Employees on call-in or overtime assignments will initially be selected from within the work group covering the area where the work is to be performed. - 10.8 Employees shall be permitted to return to their work area from the temporarily assigned distant job location each weekend except in instances of extreme emergency or special assignments where work in progress cannot be interrupted. The Company may, at its option, provide transportation by Company conveyance, public transportation, or in lieu thereof, by paying mileage when the use of an employee's personal vehicle is authorized; travel to and from the job location under these instances shall be treated as work time. The days spent by the employee away from the distant job location over the weekend shall not be considered part of the assignment and no per diem will be paid.
- 10.8.1 If the Company elects to have the employee remain at the distant job location over the weekend period, the per diem allowance will be paid for the weekend period.
- 10.9 This per diem allowance is in lieu of all expenses; however, the Company will also pay mileage at the beginning and end of each assignment when use of employee's vehicle has been authorized.

Use of the conveyance for obtaining meals shall be confined between 6 a.m. and 8 p.m. unless supervisory authorization has been received to the contrary.

10.15 The Company agrees to provide to affected employees at least one (1) week's notice of out-of-town work in instances of planned work. It is mutually recognized that such notice may not be possible in the event of emergency work to be performed; in such instances, the Company will extend every effort to give maximum possible advance notice.

1.2 Vacations will be granted to regular full-time employees in accordance with the following schedule, except as provided in Section 1, Paragraph 1.7, and Section 2, Paragraph 2.1, of Article VI.

Not later than December 1, of the preceding year, the Company shall post a statement showing the available weeks within which vacations may be taken and the number of vacations available for each period, for the following calendar year. Such schedules shall remain posted for the full year on the bulletin boards in the normal working area of the employees involved. It is understood that weekly vacation selections and Floating Holiday selections take precedence over individual vacation-day preferences. In those areas where management has limited the number of weekly vacations available for any given week, day-at-a-time vacations may be awarded in addition to the number of weekly vacations allotted. All such selections will be subject to supervisory approval and consistent with the Company's business requirements.
- 1.4.2 Effective January 1, 2006, an employee may designate one (1) day-at-a-time vacation day on a discretionary basis for personal, immediate needs on an annual basis. Any regular full-time employee or probationary employee who is required to work on any of the above-listed Holidays shall, without reference to the Holiday allowance, if scheduled to work, be scheduled for not less than a full tour and be paid for such tour eight (8) hours at one and one-half (1 1/2) times the regular rate of pay, or if called in to work, be paid for each hour worked up to and including a full tour at one and one-half (1 1/2) times the regular rate of pay. Compensation for work in excess of eight (8) hours on a Holiday shall be paid at two and one-half (2 1/2) times the regular rate of pay.
 - 1.2.1 No employee on leave of absence, layoff, or unexcused absence shall qualify for Holiday pay.

It is understood that a Floating Holiday selection takes precedence over individual vacation-day preferences. It shall be the mutual responsibility of the employee and the employee's immediate supervisor to ensure that this Holiday is actually observed as a day off with pay and not worked.

 - 1.2.3 When an employee's tour starts before Midnight and continues after Midnight, the Holiday allowance shall apply to the tour in which the majority of hours fall on the Company-Observed Holiday. Any hours worked on such tour designated as the Company-Observed Holiday shall be paid for at the rate of one and one-half (1 1/2) times the regular rate-of-pay.

(Article VII)

SECTION 1. Authorized Holidays (Continued)

- 1.3 If a Holiday falls on a Sunday, the following day shall be observed as the Holiday. The tours for any such Sunday (observed as a Holiday on the following day) shall be selected by seniority, however, in accordance with Article III, Section 19. If a Holiday falls on a Saturday, the preceding day shall be observed as the Holiday. The tours for any such Saturday (observed as a Holiday on the preceding day) shall be selected by seniority, however, in accordance with Article III, Section 19. If a Holiday falls on a regular full-time employee or probationary employee's day off and the employee is not required to work on such Holiday, the employee shall be paid an amount equal to eight (8) hours at the basic wage rate. In each such case all Holidays, New Year's and Christmas included, shall be of twenty-four (24) hours' duration, midnight to midnight.
- 1.4 When a Holiday falls within a vacation period, the extra vacation day will be taken on the last scheduled workday before the vacation period or the first scheduled workday following the vacation period.

The foregoing attendance requirements shall be waived if the employee's inability to meet these requirements is for valid reasons in the opinion of management. When a Holiday, as listed in Section 1 of Article VII, falls during an employee's regularly scheduled workweek, any work performed in excess of five (5) full scheduled days (including such Holiday as one of such days) shall be paid for at one and one-half (1 1/2) times the regular rate of pay.
- 1.6 Holiday work shall be selected by seniority as specified in Article III, Section 19.
- 1.7 Any employee scheduled to work on a Holiday, who fails to work the full scheduled assignment that day for reasons other than sickness or absence excused by the Company, shall forfeit all rights to Holiday pay.
- 1.8 A regular part-time employee's Holiday allowance shall be computed based on the number of hours actually scheduled, excluding overtime hours, for the Holiday(s) during the week in question. This amount will be the number of hours to be paid at the basic wage rate for the Holiday allowance. If a Holiday falls on a regular part-time employee's scheduled lay-day, the employee's Holiday allowance shall be computed by dividing the number of hours actually scheduled (extended hours included), excluding overtime, for the week in which the Holiday(s) occurs, by the number of scheduled workdays. This amount will be the number of hours to be paid at the basic wage rate for the Holiday allowance.

(Article VII)

SECTION 1. Authorized Holidays (Continued)

- 1.8.1 All hours worked on a Holiday by regular part-time employees shall be paid at one and one-half (1 1/2) times the basic wage rate and this shall in no way affect the amount of Holiday allowance paid, which will equal that specified in Paragraph 1.8.

1.4 In all maternity cases, the pregnant employee shall present to the Company, not later than the sixth (6th) month of pregnancy, a doctor's letter stating the probable date of confinement. Unless otherwise notified, this date will be considered the expected date of disability. The pregnant employee may exercise one (1) of the alternatives listed below:

Such notification will serve to provide the employee with the Company's expectations for the position (s) under consideration and will advise the employee in determining what action is required to be considered qualified for future openings.

2.3.1 A notice listing the name(s) of employees selected through the Hourly Job Vacancy Procedure to fill job vacancies will be posted on the work group bulletin board where the vacancy existed. In addition, a copy of this notice shall be provided to the Union.

In cases where the new classification wage rate does not result in a minimum increase of fifteen cents (\$.15) per hour, the employee will be placed at the progression interval which provides this increase. Under no circumstances will any increase exceed the contractual top wage rate of the new schedule to which the employee is promoted.

3.1.1 For employees on incentive compensation plans other than TPA, the amount of wage increase granted shall in no case be less than seventy-five cents (\$.75) per hour.

3.2 The effective date for the employee's next wage progression adjustment, as established within the previous job classification schedule, is not to be disturbed by the reclassification or promotion, and subsequent wage progressions within the schedule shall be in accordance with Article IV, Section I, Paragraph 1.2. Subsequent wage progressions within the schedule shall be in accordance with Article IV, Section 1, Paragraph 1.2.

4.2.1 When an employee is demoted to a lower classification due to a permanent, partial impairment, their present wage rate will be reduced after a twelve (12) month period from the date of the initial illness or injury that leads to the determination of a permanent, partial impairment.

Unless by mutual consent a substitute procedure is adopted, grievance matters shall be processed in accordance with the procedure set forth in this Article XVI.

SECTION 2. When any matter referred to in Section 1 of this Article arises, it shall be processed as follows:

Step 1. An employee or group of employees may present the grievance verbally or in writing, in person or through the Union, to the immediate supervisor who has supervision over the work performed by the employee. A grievance presented in writing shall receive a written reply by the supervisor and be given in person or mailed within two (2) working days.

Step 2. The Company representatives shall meet with the Union, or with any individual employee or group of employees as outlined in Section 5 of this Article XVI, not later than ten (10) working days after receipt of the formal presentation and a decision shall be given in person or by mail within five (5) working days after the meeting.

(Article XVI)

The Company representatives shall meet with the Union, or with any individual employee or group of employees as outlined in Section 5 of this Article XVI, not later than ten (10) working days after receipt of the formal presentation and a decision shall be given in person or by mail within five (5) working days after the meeting. If the grievance is not settled satisfactorily within five (5) working days after discussions with the Union have been completed, the grievance, if arbitrable, may then be submitted to arbitration as provided in Section 1, Article XVII.

SECTION 3. Before a grievance may be submitted for action, in the appropriate section of Step 1, it shall be prepared in writing in quadruplicate, and be signed by the employee. The copies of the grievance shall be distributed as follows: two (2) to the immediate supervisor, one (1) to the Local Union, and one (1) to the employee.

SECTION 6. Once a grievance has been presented by the Union to the Company, representatives of the Company shall not discuss the grievance with the aggrieved employee or employees without affording the Local Union representative an opportunity to be present.

SECTION 7. The Union agrees the Company shall assume no responsibility for and shall not be required to consider any grievance unless the grievance shall have been presented in writing, under, and in accordance with the provisions of this Article XVI, "Grievances," and the presentation made within ten (10) calendar days, unless extenuating circumstances prevail, after its alleged original occurrence.

ARTICLE XVII

ARBITRATION

SECTION 1. In the event a grievance is not resolved by the parties under the provisions of Article XVI, the matter may be submitted to arbitration. This request must be submitted by the Union within thirty (30) calendar days after failure of settlement

in the Grievance Procedure, except that in the instance of discharge, submission shall be made within ten (10) calendar days.

SECTION 2.

A request for submission to arbitration must be in writing and signed by an authorized representative of the Union. Appropriate representatives of the parties shall meet within ten (10) days to agree upon the statement of the question to be arbitrated.

SECTION 3.

The parties shall then jointly request the American Arbitration Association to name a panel of five (5) arbitrators. The arbitrator shall be selected from said panel by the parties in the following manner:

If, however, the arbitrator should be unable to attend hearings within a period of twenty (20) calendar days, a substitute may be named.

SECTION 6.

After the arbitrator has been chosen by the foregoing procedure, the arbitrator shall meet jointly and hear the evidence of both sides and shall render a decision.

SECTION 7.

The expenses incurred in procuring an arbitrator and any miscellaneous expenses incurred by the arbitrator shall be borne equally by the parties.

SECTION 8.

The arbitrator shall have jurisdiction and authority to interpret, apply, or determine compliance with the provisions of this Agreement or of any agreement made supplementary hereto and to render decision of award thereof, but shall have no authority to add to, subtract from, alter, or modify in any way, the provisions of this Agreement or any established routines, procedures, rules, regulations, or practices of the Company. The arbitrator shall also be limited in his/her authority to a review and determination of the specific grievance submitted for arbitration. The decision of the arbitrator, within the scope of this paragraph of Article XVII, shall be final and binding upon both parties.

(Article XVII)

SECTION 9.

When in question, back pay shall be limited to the date of discharge less any remuneration received from any source. In making such an award, the arbitrator shall be governed by the make-whole concept.

The parties agree that employees must possess the skills necessary to satisfactorily perform the required job and further acknowledge the desirability of allowing any employee unable to perform his/her job in a satisfactory manner a reasonable opportunity to correct these deficiencies. The Company and the Union recognize that it is the intent of Article XII, Section 2, "Discharge Due to Inability to Perform Satisfactorily" that management will endeavor to fully acquaint an employee of work deficiencies precipitating inability to perform satisfactorily. As a usual procedure this will be accomplished by first contacting the employee. This contact would be a formal review between supervision and the employee, at which time the employee's deficiencies would be thoroughly discussed and an attempt would be made to provide the employee reasonable supplementary job developmental assistance. Should the employee continue to demonstrate inability to perform satisfactorily, the employee would be disciplined in accordance with the Company's Positive Discipline Program. This contact between supervision and the employee (as well as a Local Union steward if requested by the employee) will reemphasize the seriousness of the situation and that continued inability to perform satisfactorily will result in discharge. Again, as a usual procedure, the positive discipline will be designed to make the employee fully aware of his/her deficiencies and an additional attempt would be made to provide the employee reasonable supplementary job developmental assistance.

The Company has identified the need to expand the existing CZT II workforce to address current business requirements and the demands of service. As a result, the Company and Union agree to upgrade all qualified incumbent CZT III's (see attachment #1) to the CZT II classification with the following understanding:

- 1) This agreement does not change the Company's utilization of CZT III's or the primary responsibilities of the classification. This is an upgrade of personnel, not work.

2. The Company reserves the right at any time, and from time-to-time, by action of the Board of Directors, to modify or amend in whole or part, any or all of the provisions of the HSP, but no such amendment or modification shall have the effect of reducing the accrued benefits of members, retired members, former members, or their beneficiaries, or of diverting any part of the Trust Fund to any purpose other than for the exclusive benefit of members, retired members, former members, or their beneficiaries and the payment of reasonable HSP administration expenses.
3. The Company reserves the right, by action of the Board of Directors, to terminate or partially terminate the HSP at any time. INCOME SECURITY PLAN (ISP)

1. Verizon Florida Incorporated, Verizon Select Services, Inc. and IBEW, Local 824 recognize the need for technological change in the business and hereby enter into this Memorandum of Agreement (hereinafter referred to as the Agreement). In order to lessen the economic impact upon regular employees who become surplus due to technological change, the Company and the Union agree to establish the INCOME SECURITY PLAN (the Plan). "Technological change" shall be defined as a change in plant or equipment, or a change in a method of operation, diminishing the total number of regular employees required to supply the same services to the Company or its subscribers. "Technological change" shall not include layoffs or force realignments caused by business conditions, variations in subscribers' requirements, or temporary or seasonal interruptions of work.

When technological change brings about any of the following conditions, the Plan shall apply:

- A. A need to layoff and/or force realign employees in any job title:
 - B. Reassignment of regular employees to permanent headquarters fifty (50) miles or more from the employee's permanent headquarters.
2. During the term of this Agreement, if the Company notifies the Union in writing that a technological change has created or will create a surplus in any job title in any work group and/or work location, regular employees meeting the following qualifications shall be eligible for Plan participation:
 - A. Accredited service of one year or more;
 - B. No comparable assignment available within fifty (50) miles of the former permanent headquarters and/or refusal of reassignment to a new permanent headquarters fifty (50) miles or more from the former permanent headquarters.

However, the Company reserves the right to apply this Plan to any surplus in force, whether or not it is brought about by technological change, that the Company deems appropriate. All elections shall be voluntary and acceptance by the Company will be in order of seniority.

3. The Company reserves the right to determine the job titles and work group(s) and/or work location(s) in which a surplus exists, the number of work groups and/or work locations in which a surplus exists, the number of employees in such titles and locations which are considered to be surplus, and the period during which the employee may, if he or she so elects, leave the service of the Company pursuant to this Plan. In no event shall the number of employee elections accepted under the terms of the Plan exceed the number of employees determined by the Company to be surplus.
4. For those employees who are eligible in accordance with Sections 1 and 2, the Company will provide the following ISP Termination pay benefits:
 - A. ISP Termination Allowance of \$1,100, less withholding taxes, for each completed year of accredited service up to and including thirty (30) years for a maximum of \$33,000 prior to withholding taxes. The ISP Termination Allowance is not prorated for any partial year of service.
 - B. In addition to the ISP Termination Allowance, the Company shall pay an employee who has left the service of the Company with ISP benefits an ISP Expense Allowance not to exceed \$750, less withholding taxes, for each completed year of accredited service for a maximum of \$3,750 prior to withholding taxes. The ISP Expense Allowance is not prorated for any partial year of service.

The combined maximum ISP Termination pay benefit payable as set forth in Paragraphs A and B of this Section 4 shall in no event exceed a total of \$36,750.

The dollar amounts set forth in this Agreement shall be prorated for regular part-time employees based on the average hours worked during the last twenty-six (26) pay periods; i.e., average of thirty (30) hours worked per week would result in termination benefits paid at 75% of those set forth in Paragraphs A and B of this Section 4.

5. Employees eligible for ISP Termination Allowance in accordance with Section 2 will receive a lump sum payment for the entire amount of the ISP Termination Allowance paid in the month following the month in which the employee leaves the service of the Company.

Those employees who have previously received termination benefits of any kind shall be eligible for ISP Termination Pay benefits based on their most recent date of hire in lieu of their accredited service date as outlined in paragraphs 4 A and B above.
7. All benefits payable under the Plan are subject to legally required deductions.
8. Termination benefits shall not be made if the termination is the result of any sale or other disposition by the Company of the exchange or office at which the employee is working or from which the employee is assigned to work, when the employee is continued in the employment of the new management of the exchange or office.
9. An employee's election to leave the service of the Company and receive termination pay benefits must be in writing and transmitted to the Company within fourteen (14) calendar days from the date of the Company's offer in order to be effective, and it may not be revoked after such fourteen (14) calendar day period.

Provisions for those employees that are unsuccessful in meeting expectations as outlined are detailed in item 4 of this document.

**INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS
LOCAL UNION 824 (IBEW)**

NEUTRALITY AND CONSENT ELECTION

This agreement between Verizon Florida Incorporated and International Brotherhood of Electrical Workers, Local 824 (IBEW) covers all understandings between the parties concerning union organizing; access to employees and code of conduct applicable to union organizing efforts.

The Union and the Company recognize that it is in their mutual interest to enhance the success and image of the Company, to acknowledge the Union as a valued partner, and to foster the pride and commitment of the employees. The parties also share the mutual goals of building a world class, high performance enterprise and addressing employment security through business success and employee development. As a means to enhance these goals, the parties will mutually support regulatory and legislative efforts, marketing/sales and service efforts and other business initiatives leading to employment security and Verizon's business success.

The parties also recognize that the Union's goal of growing membership is intrinsically linked to the successful growth of the business. In order to maintain this perspective and to avoid unnecessary confrontation, the parties agree that the following principles regarding neutrality and consent election will be applicable to Verizon's former "GTE Network Services Companies" (Incumbent Local Exchange Carriers and Logistics). This shall be the exclusive means by which the Union, their locals, or individuals acting on their behalf, will conduct an effort to organize eligible employees in the covered Verizon's former "GTE Network Services Companies" (Incumbent Local Exchange Carriers and Logistics) as defined by the National Labor Relations Act.

1. Employee Choice

Both the Union and the Company support and agree with the principle that the decision as to whether or not to become represented by a union is one that does not belong to either the Union or to the Company. Rather, it is an individual decision that belongs to the employee. With the parties' mutual recognition of this fundamental tenet, the following provisions are intended to establish, encourage and nurture an environment during a union organizing drive that will allow employees to choose whether or not to become represented in a fully informed and uncoerced manner.

VERIZON FLORIDA INCORPORATED
MEMORANDUM OF AGREEMENT
NEUTRALITY AND CONSENT ELECTION
Page 2

All negotiations concerning appropriate unit, access, conduct and voting will be performed by Verizon Labor Relations Staff in conjunction with local management and designated Union representatives.

2. Neutrality

The Company and the Union agree that an organizing drive will be met by a neutral position by the Company. This statement is consistent with and reinforces the previously established principle of employee choice. It should follow that an environment intended to foster employee choice would be a neutral environment and that information communicated by either party would be fact based and not misleading, distorted or disparaging. Neutrality means the following:

- (a) Management will not be anti-Union nor will the Union be anti-management.
- (b) Management will not advocate that employees should not vote for a Union to represent them.
- (c) The Unions will be afforded reasonable opportunities for access to employees to get their message communicated.
- (d) Management will respond to employee questions and is obligated to correct inaccurate or misunderstood information by employees.
- (e) The Union(s) will be referred to by name and will not be characterized as a "third party" or "outsider".
- (f) Any written information distributed to employees by either party relative to the organizing campaign will be shared with the other. The parties' communications with employees will be shared with the other. The parties' communications with employees will be in accordance with this agreement.
- (g) Neither party will hire consultants who encourage an adversarial relationship.
- (h) Neither managers nor Union representatives will be personally attacked.
- (i) Neither the Union nor the Company will be attacked as institutions.

VERIZON FLORIDA INCORPORATED
MEMORANDUM OF AGREEMENT
NEUTRALITY AND CONSENT ELECTION
Page 3

- (j) The Company will not conduct meetings for the sole purpose of discussing organizing activities without inviting appropriate Union representatives to attend.

Allegations of violations of these provisions will be handled via the dispute resolution process contained in this Agreement.

3. Rules

The procedures to be followed are listed below:

- (a) The Union must show a minimum of 50% + 1 show of interest on signature cards of the appropriate unit.
- (b) A vote of 50% + 1 of those votes, validated by the Third Party Neutral (TPN), will determine the outcome.
- (c) If the Union is not successful, another election will not be scheduled for twelve months.
- (d) The TPN will resolve any issue concerning challenged ballots in similar fashion to the National Labor Relations Board (NLRB) process.

4. Time Bound

It is in the interest of both parties that the organizing campaign be conducted expeditiously. The Union is therefore obligated to notify management of its intention to conduct a formal organizing drive before it begins. The date of this notification will "start the clock". The entire campaign, including the consent election, will be concluded in 90 days. It is the intent of the parties that the 90-day time frame will include discussion and agreement on the unit. In the event the parties are unable to agree on the unit, the dispute resolution process set forth below will be utilized and the time period will be extended by the number of days required to reach agreement on the unit, but in no event will the total campaign, including resolution of the scope of the bargaining unit and the consent election process exceed 120 days. If employees vote not to be represented, the Union agrees not to initiate another campaign (nor continue the current campaign) in that same work group for 12 months from the date of the conclusion of the campaign. This would not preclude the local Union from having contact with the workers in the group. If employees vote to be represented, collective bargaining over the terms and conditions of employment will commence within 60 days and will be limited to the agreed upon unit.

VERIZON FLORIDA INCORPORATED
MEMORANDUM OF AGREEMENT
NEUTRALITY AND CONSENT ELECTION

5. Informed Decision

Both parties agree that employees should be fully informed about all aspects of Union representation. The Union will provide fact-based information to employees as it endeavors to convince prospective members of the merits of being represented by a Labor Union. Management's role during this process will include:

- (a) responding to individual employee inquiries;
- (b) explaining the organizing process, including obligations and responsibilities; and
- (c) correcting any inaccuracies, misstatements or misunderstandings disseminated by the Union.

6. Free from Coercion

Consistent with the basic tenet of employee choice, the parties want to ensure that employees have expressed their choice from an informed position and are completely free from any coercion by the Company, the Union or any other party or parties. One way to ensure this objective is to have a NLRB conducted election.

In the alternative, the Company and the Union agree to use a process that is called "Consent Election." This process will work as follows:

- (1) As part of the access discussions, the parties agree to use "Consent Election".
- (2) The Unions shall initiate the consent election process by providing to a TPN proof of support by means of show of interest cards from 50% + 1 of the employees in the unit. The TPN will then notify Verizon Labor Relations Staff and request a list of names, job titles and home addresses. The Company will furnish the list within five working days. The Union will also be furnished with the list. The "show of interest" cards will clearly state their purpose and that a secret ballot consent election will be conducted to determine the will of the unit. If the TPN determines that the Union has a sufficient show of interest, he/she will schedule a Consent Election process in accordance with this agreement.

VERIZON FLORIDA INCORPORATED
MEMORANDUM OF AGREEMENT
NEUTRALITY AND CONSENT ELECTION
Page 5

- (3) The election process will be supervised by a mutually selected TPN, whose role is to ensure the integrity of the process itself, and will be conducted within two weeks of the submission of the Union's show of interest to the TPN. Employees will be asked to express their individual preference in a manner that will ensure that their choice will not be known to either party. The TPN will count the votes and advise the parties of the outcome. Consistent with this agreement, a vote of 50% + 1 of those who vote will control. The parties may have an observer present when the TPN counts the ballots.
- (4) In all cases, the election process shall take place within 14 days of receipt and verification of the Union's show of interest cards by the TPN. In those cases where there is no dispute about the composition of the unit, the election process will be held within seven days. The election may be held at the Company location or at a neutral site as agreed by the parties. The cost of using a neutral site will be split equally by the parties.

If there is a dispute as to composition of the unit, the TPN shall decide the issue within an additional seven days.

7. Access Agreement

As soon as reasonably practicable after a request by the Union for access, Verizon Labor Relations Staff, in conjunction with local management and Union representatives, will meet to discuss the details related to reasonable access to the unit by the Union representatives.

The Union will be allowed reasonable opportunities for access to Verizon facilities. It is the intent and commitment of Verizon and IBEW that the access agreed upon will not interfere with the operation and other normal and routine business activities, plans and programs of Verizon generally, and specifically, the selected unit. Access agreed upon will be in non-working areas and during employee non-working times. Agreements as to eventful access, such as access to conference rooms, will be reasonable in length and there will be reasonable periods between requests for eventful access. However, an uneventful access, such as a prearranged meeting with an individual employee, will not be affected.

If Verizon and IBEW are unable to agree on reasonable access, the TPN will be asked to resolve the issue. Successful access agreements utilized at other units will be looked to for guidance as to what works and is reasonable. Verizon and IBEW commit that they will reach such an access agreement in each instance in an expeditious manner.

VERIZON FLORIDA INCORPORATED
MEMORANDUM OF AGREEMENT
NEUTRALITY AND CONSENT ELECTION

8. Dispute Resolution

- (a) Questions or disputes arising during the course of an organizing effort within a particular unit of non-represented employees will, in all cases, be addressed first by and between the parties themselves and, in particular, Labor Relations Staff in conjunction with local Verizon management and appropriate IBEW representatives. It is the intent and desire of Verizon and the IBEW that such matters are dealt with by and between the parties themselves, particularly at the local level, without having to resort to the assistance of a third party. It is also agreed, however, that if every good faith and reasonable effort has been made, but the matter unresolved, the process described below will be utilized.
- (b) The TPN will resolve disputes in the manner set forth in this agreement. Either Verizon or IBEW can refer a question or dispute, unresolved after good faith efforts have been made to resolve the dispute locally, to the chosen TPN by providing three working days' written notice to both the other party and the TPN. The notice will provide concise statement of the question or dispute to be addressed and a statement that the parties have attempted in good faith but have been unable to resolve the matter by and between them.
- (c) If the question or dispute involves a matter related to access (i.e., the nature, event, time, location, individuals involved, etc.) the TPN will fully investigate all relevant facts surrounding the question or dispute. The TPN will then call the parties together and attempt to facilitate resolution of or otherwise mediate the matter.

If, after a good faith attempt at facilitated resolution or mediation, the access question or dispute is still not resolved, the TPN will attempt to render an immediate decision, which includes a method or alternative methods of resolving the perceived problem. However, in no event will the TPN take longer than five days thereafter to render a decision. The decision of the TPN will be final and binding and the parties agree to abide by his/her decision. This process, from the time the TPN is contacted to the time his or her opinion is issued, will not take more than 15 days unless the parties agree otherwise.

MEMORANDUM OF AGREEMENT
NEUTRALITY AND CONSENT ELECTION

(d) If the dispute involves the appropriateness of the bargaining unit the Union seeks to organize and the parties are unable to agree, after negotiating in good faith for a reasonable time, upon the description of an appropriate unit for bargaining, the issue of the description of such unit shall be submitted to TPN and a hearing shall be conducted consistent with the rules of the American Arbitration Association. The TPN shall be confined solely to the determination of the appropriate unit for bargaining and shall be guided in such deliberations by the statutory requirements of the National Labor Relations Act and the decisions of the NLRB and Appellate reviews of such Board decisions.

(e) Regardless of the type of question or dispute that is submitted to the TPN, the parties will each be given a full opportunity to present their positions and supporting factual information prior to the issuance of any opinion. No written briefs will be submitted. There shall be no ex parte contact with the TPN without the concurrence of all parties. Verizon and IBEW believe that matters pertaining to these values are best handled by and between the parties themselves and resort to a TPN should be necessary in only a limited number of cases.

Verizon and IBEW agree that the parties may distribute a decision of the TPN to employees in the selected unit but not outside to the public such as the press.

(f) The parties agree that the process set forth herein shall be the exclusive means for resolving disputes covered by this dispute resolution process, and neither party will utilize any other forum (e.g. NLRB, federal court, etc.) to address issues subject to resolution pursuant to this process.

(g) All expenses, resulting from the use of the TPN process, shall be split equally by Verizon and IBEW.

9. The parties recognize the rapidly changing nature and structure of the communications industry. Verizon may acquire (or be acquired by) another entity. It has and may in the future form joint ventures or strategic alliances, may license its brand or technology, or may be a financial investor in other entities. The employees in those entities may be non-represented, represented in whole or in the part of the Union, or represented in whole or in part by some other labor organization. It is not possible to structure a single rule which will apply to all such circumstances and the Company cannot compel other entities to abide by this agreement.

PENSION PLAN SURVIVOR BENEFITS

1. Verizon Florida Incorporated, Verizon Select Services, Inc. and IBEW, Local Union 824 (IBEW) agree to modify the Plan for Hourly Employees' Pensions. Such modifications will be effective January 1, 2003, and are subject to applicable law.
2. The existing pre-retirement survivor pension benefit provisions of the Pension Plan shall be amended to provide a pre-retirement survivor pension benefit for an employee who dies, either during active service or prior to commencing a pension benefit, at a time when he or she is unmarried and has accrued at least five years of vesting service.
3. An unmarried employee may, at any time prior to commencing a pension benefit or dying, designate any living person as the designated beneficiary for the pre-retirement survivor pension benefit. The employee may likewise revise the beneficiary designation at any one or more times prior to commencing a pension benefit or dying. A valid beneficiary designation must be on file for the pre-retirement survivor benefit to be paid.
4. For married employees, the spouse will automatically be considered the beneficiary. However, subject to the requirements regarding non-spouse beneficiaries and with spousal consent, a married employee may name a beneficiary other than the spouse. A single individual must be named as beneficiary; an estate or trust may not be named, nor may multiple individuals.
5. Subject to the provisions of the Plan regarding when the benefit is payable, the pre-retirement survivor pension may be distributed as a 65% survivor annuity, or the lump sum equivalent, based upon the beneficiary's election. However, if the beneficiary is not the participant's spouse and is more than 25 years younger than the participant, the survivor benefit will be the 50% survivor annuity or the lump sum equivalent.

6. If a vested employee terminates employment on or after the effective date, the named survivor will be eligible for the survivor pension payable on the date the employee would have reached the age 65. An actuarially reduced benefit may be payable before age 65 if the vested employee would have been eligible for an earlier commencement.
7. In addition, the Pension Plan shall be amended to allow an employee, at the time of commencing a pension benefit, to designate any living person as the beneficiary for any of the forms of joint and survivor annuity offered under the Pension Plan or any of the term-certain forms of benefit. In the case of an employee who is married at the time of commencing a pension, the employee may not designate any beneficiary other than the spouse without complying with the spousal consent rules of the Plan.
8. This Memorandum of Agreement is effective on July 1, 2006 and shall expire on July 31, 2010. The parties specifically agree that all the terms and conditions set forth in this Memorandum of Agreement shall also expire on July 31, 2010 and shall not survive the expiration of this Memorandum of Agreement, unless agreed to by the parties in writing.

1. Verizon Florida Incorporated and IBEW, Local Union 824 agree to continue a Team Performance Award, which will provide participating employees the opportunity to earn compensation based upon collective/team performance results.

2. **ELIGIBILITY**

All full-time and part-time regular hourly employees are eligible to receive an award if they are on a TPA Team for 30 calendar days or more. Employees on other Incentive plans are not eligible, i.e., National Sales, Retail, LiveSource.

3. **AWARDS**

Awards are based on performance toward objectives over the period of a calendar year. An award amount is determined for the applicable calendar year, a percentage of which may be earned by eligible employees, depending on team performance during that calendar year. The payout ranges from 0% to 120% of an established target.

The range of the Team Performance Award payout is as follows:

Plan Year	Target Award*			Payable 1 st Quarter
	Min	Target	Max	
2005	0%	4.0%	4.8%	2006
2006	0%	4.0%	4.8%	2007
2007	0%	4.0%	4.8%	2008
2008	0%	4.0%	4.8%	2009
2009	0%	4.0%	4.8%	2010

Each annual target award is 4%, payable in April of the following year. The range is 0% to 120% based on achievement of objectives.

Employees transferring between or changing teams for any reason during the year will receive an award based upon the team in which they reside at the end of the calendar year (December 31). Awards will not be prorated based on time spent with each team.

An employee who resigns, is laid off, terminated, dies or retires during the calendar year is eligible for a prorated Team Performance Award if all other eligibility requirements have been met. *

* In case of Termination for Cause the individual situation will be reviewed to determine if the individual is eligible for an award.

Employees on approved military leave of absence who have one year or

more service will be given full wage credit up to three months toward the Team Performance Award. Employees on any other unpaid leave will have cumulative leave time excluded from award computation.

4. **TIME OFF FOR UNION ACTIVITIES**

Excused time off for union activity will be counted as time worked when computing Team Performance Awards.

5. **BENEFITS TREATMENT**

Team Performance Award payments are recognized in the calculation of Pension Plan benefits, Group Life Insurance, and the Hourly Savings Plan. Such payments will be applicable in the year payment is received. This is in accordance with Verizon benefit plan definitions.

All other benefits are in accordance with the Collective Bargaining Agreement and are based on rates shown in the hourly wage schedules.

6. **TAXES, PERSONAL ALLOTMENT**

Deductions for federal, state, and local tax liabilities will be made in accordance with lump sum distribution tax laws.

Personal allotments such as savings bonds and United Way contributions will not be made.

7. **OVERTIME**

The Team Performance Award payouts are for hours worked and must be included in overtime payments.

The overtime payment will be calculated as follows:

The Team Performance Award payout divided by the total hours worked equals the award hourly rate. This rate is then multiplied times .5 x number of overtime hours in the same calendar year for which the Team Performance Award was paid. The result of this calculation is the award overtime payment due the employee.

EXAMPLE:

Team Performance Award	\$500
divided by	
Total Hours Worked	1,880
equals	
Award Hourly Rate	\$0.2659
times	
Overtime Rate (1/2)	. 5
equals	
Hourly Overtime Rate of Pay	\$0.1329
times	
Total Overtime Hours	100
equals	
Award Overtime Payment	\$13.29

The overtime-incentive payment is not included in benefit plan calculations.

A Team Performance Award overtime payment will be included in the award payout.

8. **OBJECTIVES/MEASURES**

All hourly employees normally will be assigned to teams based on their functional area of responsibility. Teams may consist of a few employees or many.

Each team will be given a set of objectives linked to, but not limited to, one or more of these performances areas:

- Quality/Value of services delivered
- Productivity
- Expense Budget
- Revenue

Teams that satisfy a minimum level of performance will receive an incentive payment. If that minimum level of performance is exceeded, the incentive payment will be larger. Each member of a team will receive the same percentage of target award that the team achieved. An example would be as follows:

<u>Level of Performance</u>	<u>Percentage of Target Award</u>
Below Minimum	0%
Minimum to Target	10 - 99%
Target	100%
Over Target to Maximum	101 - 120%

9. The Company reserves the right to establish objectives and determine performance results. The objectives, the performance results, or any part of the Team Performance Award shall not be subject to the grievance or arbitration provisions of the Collective Bargaining Agreement.

10. Prior to the announcement of objectives and performance targets for the applicable year, company representatives will meet with Union representatives to review the rationale for such objectives and targets.

11. **MODIFICATION OF THE TEAM PERFORMANCE PLAN**

Verizon may at any time modify, in part or in whole, the Team Performance Award Plan. Any modification shall not affect awards already earned under this plan.

12. **TERMINATION OF THE TEAM PERFORMANCE PLAN**

The suspension or termination must be by mutual agreement of the parties.

VOLUNTARY EMPLOYEES' BENEFICIARY ASSOCIATION (VEBA)

Verizon Florida Incorporated, Verizon Select Services, Inc. (hereinafter referred to as the Company) and the IBEW, Local Union 824 (hereinafter referred to as the Union), hereby mutually agree to the establishment of an Internal Revenue Code Section 501 (c) (9) trust (also known as Voluntary Employees Beneficiary Association trust) to provide for the payment of medical or other permissible welfare benefits and administrative service costs ("Retiree Medical Benefits") for eligible employees who retire between August 1, 1993 (July 1, 1999 - VSSI), and July 31, 2010, with a service or disability pension under the GTE Florida Incorporated Plan for Hourly-Paid Employees' Pensions and their beneficiaries (hereinafter referred to as the Eligible Participants). This trust is being established to provide benefit security for the term of this Memorandum of Agreement.

1. The funding and operation of this trust will be determined by the Company based on reasonable financial standards (and, where applicable, regulatory approval for recovery).
2. The Company agrees that funds placed into this trust will be used exclusively to pay for the benefits and administrative costs heretofore described below or for any other purpose permitted by law
3. Effective July 1, 1997, the level and type of Retiree Medical Benefits shall be governed by the Point of Service (POS) Plan Description for in-area non-Medicare eligible participants and by Verizon Retiree Options Summary Plan Description for out-of-area non-Medicare eligible participants and Medicare eligible participants, which may be amended or discontinued by the Company at its discretion subject to paragraph 8 below.
4. In order to receive Retiree Medical Benefits, the retiree must pay a percentage/amount of the Retiree Medical premium ("Retiree Contribution Percentage/Amount"). Similarly, the Company will pay a percentage/amount of the premium ("Company Contribution Percentage/Amount"), subject to Section 5 below. During the term of this Memorandum of Agreement, the Company and retiree Contribution Percentages/Amount will be based on the following contribution schedule:

20 through 24	60%	40%
25 through 29	80%	20%

5. (a) The Company shall determine the cost of providing Retiree Medical Coverage ("Retiree Medical Benefits Premiums"). Further, it is the Company's intention to cap the amount it pays toward such Retiree Medical Benefits Premiums for employees who retire on or after July 1, 1997.
- (b) When the Retiree Medical Benefits Premiums for the Point of Service (POS) Plan (in-area non-Medicare eligible participants) or premiums for the \$350 deductible coverage option under Verizon Retiree Options (Medicare eligible participants and out-of-area non-Medicare eligible participants) reach the figures set forth in the chart below ("Capped Retiree Medical Benefits Premiums"), during the period through June 30, 2006, or when the Retiree Medical Benefits Premiums for the \$400 deductible coverage option reach the figures set forth in the chart below during the period from July 1, 2006, through July 31, 2010, the Company Contribution Amount shall be capped and the Company shall make no additional contributions toward Retiree Medical Benefits Premiums.

<u>Coverage Category</u>	<u>Capped Retiree Medical Benefits Premium</u>

6. In order to receive Retiree Medical Benefits, the retiree must pay the Company the amount the Retiree Medical Premium exceeds the Company Contribution Amount as described in paragraphs 4 and 5 above ("Retiree Contribution Amount"). When the Retiree Medical Benefits Premium reaches or exceeds the Capped Retiree Medical Benefit premium, the retiree must pay the Company the amount the Retiree Medical Benefits Premium exceeds the Maximum Company Contribution Amount.

If the retiree elects the \$150 deductible coverage option, during the period through June 30, 2006 the Retiree Contribution Amount will increase by the amount the \$150 deductible coverage option exceeds the \$350 deductible coverage option during that period. If the retiree elects the \$200 deductible coverage option, during the period from July 1, 2006, through July 31, 2010, the Retiree Contribution Amount will increase by the amount the \$200 deductible coverage option exceeds the \$400 deductible coverage option during that period. If the retiree elects the \$1,000 deductible coverage option, the Retiree contribution amount will decrease by the amount the \$1,000 deductible coverage option is less than the \$350 deductible coverage option (not to exceed zero) during the period through June 30, 2006, and by the amount it is less than the \$400 deductible coverage option during the period from July 1, 2006, through July 31, 2010. - 8. The Company agrees to notify the Union and to discuss its actions should the Company determine that the funding or operation of the trust and/or applicable sections of this Memorandum of Agreement, other than pooling of claims experience and those sections relating to the level and type of Retiree Medical Benefits, need to be modified or rescinded prior to the expiration of the Articles of Agreement. This notification will take place, in writing, within fifteen (15) calendar days prior to the date of modification or rescission. This notification will specify the cause for and affect of this action. If the parties are unable to reach agreement on such changes, the funding or operation of the trust and/or applicable sections of this Memorandum of Agreement, other than pooling of claims experience and those sections relating to the level and type of Retiree Medical Benefits, will be modified or rescinded at the Company's discretion.

- 9. The funding and operation of the trust, the level and administration of the Retiree Medical Benefits; amount or cost of premiums, premium pricing mechanisms; the attainment of the Maximum Company Contribution Amount; the selection of the claims administrator, alternate health carrier or insurance carrier; eligibility for the benefits; all terms and conditions related hereto, and the resolution of any disputes involving the terms, conditions, interpretation, administration, or benefits payable shall rest with the Company and shall not be subject to the grievance or arbitration procedure set forth in the Collective Bargaining Agreement.

- 10. This Memorandum of Agreement is effective on July 31, 2005, and shall be in effect for the duration of this Agreement. The parties specifically agree that this Memorandum of Agreement, the Retiree Medical Benefits described herein, and the terms and conditions set forth in this Memorandum of Agreement relating to Retiree Medical Benefits, including but not limited to the Maximum Company Contribution amount and the level and type of Retiree Medical Benefits shall terminate on July 31, 2010, and shall not survive the expiration of this Memorandum of Agreement unless agreed to by the parties in writing.

MEMORANDUM OF AGREEMENT

between

VERIZON FLORIDA INCORPORATED

and

**INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS
LOCAL UNION 824 (IBEW)**

WORKPLACE PERFORMANCE MONITORING/RECORDING

Verizon Florida Incorporated and IBEW, Local Union 824 recognize the need to balance the legitimate business needs for the highest quality of customer service with employee concerns for workplace privacy.

The parties agree that the primary intent of monitoring/recording of calls is to ensure quality customer service and for the assessment of the employee developmental needs.

The parties agree to the following Performance Monitoring/Recording Guidelines:

1. Employees will receive written advance notice that, in general, customer contacts will be subject to performance monitoring/recording. Employees may not necessarily be given any advanced notice that any particular contact may be monitored/recorded.
2. Employees will be advised that the intent of performance monitoring/recording is to ensure the quality of service provided to customers and to assess employee developmental needs.
3. Specific performance monitoring/recording guidelines will be established - - (e.g., a usual minimum and maximum number of monitoring/recording sessions within a stated timeframe; an exception may be necessary to properly take into account developmental needs.) Employees will be informed of such guidelines.
4. Information related to an employee's performance, obtained as a result of performance monitoring/recording will be used for coaching, counseling and training purposes, and will be kept strictly confidential.
5. Performance monitoring/results will be averaged to ensure that an employee is not adversely impacted by the evaluation of a single call, except as stated in Paragraph 7, below.
6. The results of performance monitoring/recording will be shared as soon as possible with the employee for developmental purposes with emphasis on re-enforcing the positive and observations that could be improved. The results of the observation will be shared with the employee in the manner it was obtained (e.g., recorded audio, checklist, etc.)

7. While the primary intent of performance monitoring/recording is to ensure quality customer service and for the assessment of employee developmental needs, there may be situations which require immediate corrective/disciplinary action. Examples of such situations include, but are not limited to:
 - A. Revealing any customer, Company or employee information to an unauthorized person, which is a breach of confidentiality and a violation of the Company's Secrecy of Communications Policy and Standards of Business Conduct.
 - B. Falsification of records.
 - C. Inappropriate personal conversations or rudeness or use of profanity with a customer.
 - D. Placing unauthorized personal call(s) from the employee's work position.
 - E. Intentional or malicious misuse of telephone facilities - - e.g., inappropriately disconnecting a customer, leaving a position unattended, or routing calls into a "black hole."
8. The Union retains all contractual rights to challenge any disciplinary action taken by management as a result of monitoring/recording.
9. This Memorandum of Agreement is effective on July 31, 2005, and shall expire on July 31, 2010. The parties specifically agree that the terms and conditions set forth in this Memorandum of Agreement shall also terminate on July 31, 2010, and shall not survive the expiration of this Memorandum of Agreement unless agreed to by the parties in writing.
