# **ECOMP Update**

Interagency Meeting  
September 27, 2013

Julia A. Tritz  
Chief, Branch of Technical Assistance

# ECOMP Update

ECOMP claims filing continues to increase.

- There are 36 agencies filing forms in ECOMP.
- 20 additional agencies are in User Acceptance Testing preparing to go live.
- More than 250 ECOMP users also have access to Agency Reviewer Imaging (ARi) and are actively using the system.

# ECOMP Update

ECOMP continues to be enhanced to improve user experience. The enhancements that are currently in the works include:

- Changes to status mail handling in response to customer input
- Improvements to the Injury and Occupational Disease Trends Report
- Addition of electronic CA-16 and CA-3 Forms

# ECOMP Update – CA-3 Preview

The new CA-3 form in ECOMP is the same form you now use in AQS with some notable improvements.

# ECOMP Update – CA-3 Preview

Once the CA-3 is initiated, the ECOMP system steps the user through the form filing process, providing a more interactive interface that includes many of the familiar help options available in all other ECOMP forms.

The screenshot displays the ECOMP Return to Work Status (CA-3) form filing process. It features several overlapping windows:

- ECOMP Return to Work Status (CA-3) - Step 1A Basics:** This window is the background layer. It includes a sidebar with a list of steps: (a) Employee name, (b) OWCP file number, (c) Date of injury, (d) Injury compensation specification, (e) Agency, and (1) Do you want to report CC.
- Report of Work Status (CA-3) - Step 1C Post-Continuation of Pay:** This window is overlaid on Step 1A. It contains questions (6) Date claimant stopped work, (7) Reason for work stoppage?, and (8) Did claimant return to work?. Under question 7, there are sub-questions (a) Was a CA-7 filed? and (b) Was a CA-2a filed?. Under question 8, there are sub-questions (a) Return to work date and (b) Work status.
- ECOMP Return to Work Status (CA-3) - Submission Successful!:** This window is the foreground layer, indicating the form has been submitted to DFEC. It displays a summary card for Case XYZ104396 | ECN 108288 | CA-3, Submitted to DFEC. The card lists:
  - Employee: Barton Reginald Smith
  - Organization: Hrd-OWCP-Mailstop 5107
  - Date of event: 10/03/2011
  - Initiated: 03/24/2012Below the card are buttons for Form Locked, View, Get PDF, and More... A note at the bottom states: "A digital copy of this form will be kept by ECOMP for 5 years. (Public Law 91-596 and 29 CFR 1904)". A "Done" button is located at the bottom right of the submission window.

# ECOMP CA-3 Advantages

- The ECOMP CA-3 is more interactive and user friendly than the AQS version.
- The new form will allow attachments.
- The form in ECOMP is not only printable like the AQS CA-3, it also can be tracked via the AR dashboard and ECOMP email notifications.
