For 2010 (January 1, 2010 Valuation Date)**

This is to inform you that on March 31, 2010 the Plan actuary certified to the U.S. Department of the Treasury, and also to the plan sponsor, that the UNITE HERE Local 25 and Hotel Association of Washington, D.C. Pension Fund (the "Plan") is in **Endangered status** for the plan year beginning January 1, 2010. Federal law requires that you receive this notice.

Endangered Status

A plan is in Endangered status if it fails to meet certain specified benchmarks added by the Pension Protection Act of 2006 designed to identify plans that could develop funding problems in the future and require the parties to take action now to prevent that from occurring. A plan is in Endangered status if the ratio of assets to liabilities (funded ratio) is less than 80% in the current plan year or if it has a projected funding deficiency in either the current or next succeeding 6 plan years. The Fund is currently 75% funded but is not projected to have a funding deficiency.

Funding Improvement Plan

Federal law requires pension plans in Endangered status to adopt a funding improvement plan aimed at restoring the financial health of the plan. The Trustees must have a funding improvement plan in place by November 26, 2010.
