NOTICE OF ENDANGERED STATUS

For

Southern California IBEW-NECA Pension Plan as of July 1, 2012

To: All Participants, Beneficiaries, Participating Unions and Contributing Employers

This is to inform you that on September 28, 2012 the Plan actuary certified to the U.S. Department of the Treasury, and to the Board of Trustees, that the Southern California IBEW-NECA Pension Plan (Plan) is in endangered status for the Plan Year beginning July 1, 2012. Federal law requires that you receive this notice.

Endangered Status

The Plan's actuary determined that the Plan is in endangered status because the funded percentage of the Plan is projected to be less than 80%.

Funding Improvement Plan

Federal law requires that pension plans in endangered status adopt a funding improvement plan aimed at improving the financial health of the plan. The law also requires the Plan to furnish the bargaining parties with proposed schedules that modify future contributions and/or benefit accrual rates in order to meet certain benchmarks for improving the Plan's financial condition over a period of years. If it is determined that benefit reductions are necessary, you will receive a separate notice in the future identifying and explaining the effect of those reductions.
