NOR CRITICAL STATUS AS A RESULT OF FREEZE ELECTION FOR THE
IATSE – Local 22 Pension Fund**

To: All Participants;
Beneficiaries;
Bargaining Parties;
Pension Benefit Guaranty Corporation; and
the Secretary of Labor.

Since the plan sponsor of this plan has elected to freeze the plan's section 432 status for the election year (2009) as neither endangered nor critical, despite an actuarial certification of endangered or critical status for the election year, the plan sponsor is required to provide you with this special notice including the following information:

Plan Name: Intl Alliance of Theatrical Stage Employees – Local 22 Pension Fund
EIN of Plan Sponsor: 52-6152307
EIN of Plan: 52-6152307
Plan Number: 001

An election has been made under section 204 of Worker, Retiree, and Employer Recovery Act of 2008 ("WRERA") to treat the plan as being in neither endangered nor critical status for the plan year beginning on January 1, 2009.

The plan's endangered or critical status for the election year as certified by the plan's actuary (that is, the plan's status if no section 204 election were made) is Endangered.

The election applies only for the current plan year (2009) and if the plan is certified to be in endangered or critical status for the 2010 plan year, the plan sponsor will provide notice of the plan's status (i.e., endangered or critical) for that 2010 plan year and steps will have to be taken to improve the plan's funded situation, which steps may include increases in contributions and reductions in future benefit accruals.

If you would like to obtain additional information about the election, please contact the plan administrator, Ms. Natalia Jordan, at:
