NOTICE OF ELECTION TO FREEZE PLAN SECTION 432 STATUS AS NEITHER ENDANGERED NOR CRITICAL

Introduction

This notice, which is required under section 204(c)(2)(A)(ii) of the Worker, Retiree, and Employer Recovery Act of 2008, P.L. 110-458 (WRERA), includes important information about an election to freeze a plan's section 432 status for the 2009 year for the UA Local 13 Pension Plan, EIN #16-0778864, Plan #001 (Plan). This notice is for the plan year beginning January 1, 2009 and ending December 31, 2009 (Plan Year).

Election

Pursuant to section 204 of WRERA, the Trustees have decided to elect to treat the plan as being neither in endangered nor critical status for the plan year beginning on January 1, 2009. Absent this election, the Plan's actuary certified the plan to be in Endangered status. Please note that this election only applies to the plan year beginning on January 1, 2009. If the plan is certified to be in either endangered or critical status for the next plan year, the plan sponsor will provide notice of the plan's status for that year, and steps will have to be taken to improve the plans funding situation. These steps may include possible increases in contributions and possible reductions in future benefit accruals.
