## NOTICE OF FUNDED STATUS

For

### Buffalo Laborers' Pension Fund

The purpose of this Notice is to inform you that the Board of Trustees of the Buffalo Laborers' Pension Fund (the "Fund") has made an election under Section 204 of the Worker, Retiree, and Employer Recovery Act of 2008, to treat the Fund's plan of benefits (the "Plan") as being neither in endangered nor critical status for the current plan year, which began on July 1, 2009. The Plan's actuary certified that, absent this election, the Plan would be in seriously endangered status for the plan year beginning on July 1, 2009. This election applies only for the current plan year. If the Plan is certified to be in endangered or critical status for the next plan year (*i.e.*, the plan year beginning July 1, 2010), you will receive notice of the Plan's status for that year, and the steps that will have to be taken to improve the Plan's funded situation, which may include increases in contributions and additional reductions in future benefit accruals.

If you have any questions regarding this Notice or wish to obtain additional information about the election described in this Notice, please contact the Fund Office:
