Subject: Comment in support of RIN 1210-AB30

April 24, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

A single deductible for ALL health care, physical and mental, will give patients access to mental health care that does in fact frequently cause physical problems. It will reduce overall health care costs, save lives, give us a more effective populace. Therefore, I recommend a very strong, life-saving, position on this parity regulation.

Sincerely,

Janyce Kovash
