Subject: Comment in support of RIN 1210-AB30

April 24, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

My mother was a psychiatrist who long ago recognized the physical basis for much mental illness. Also, the difference between physical and mental disorders is very, very narrow in some neurological disorders -- it is unfair for coverage to be available only when a person has physical manifestations of a brain problem.

Thank you for ensuring that mental health care and physical health care coverage are included in a single deductible.

Sincerely,

Liz Cooksey
