Subject: Comment in support of RIN 1210-AB30

April 24, 2010

Please support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

Support the strong rules to forbid insurance companies from charging higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other physical health care. This is simply unconscionable.

Thank you for ensuring that mental health care and physical health care coverage are included in a single deductible.

Sincerely,
