General Comment

For nearly 30 years I have striven to care for my clients' best interests as they can articulate and as develop over time.

My concern is these new regulations could effect my relationships to my clients, I believe who appreciate my guidance toward choosing appropriate strategies to meet their needs.

Would this new 'rule create more regulation, even make it harder for advisors to counsel our clients?

As much as possible, please help continue our best efforts to help people sort out and understand their options.

Thanks for your professional consideration,

Val Vogel, Jr., CLU, ChFC, MSW
