## General Comment

Please do not impose your controls on my ability to invest where I desire in my self directed IRA. I've had IRA and 401k accounts for 35 years and have progressively built them to my own satisfaction and now have enough to retire on. We don't need your help. I think you need to quit your government jobs and go out and find a real job where you have to perform. Your government help is not needed. Please stay out of the lives of the American public.
