Comment on FR Doc # 2015-14921

Submitter Information

Name: Pat A

General Comment

Please stop telling me how to take care of my finances. The government is the one that needs to learn about being fiscally responsible. Leave my retirement funds alone! I will be just fine if you stop taking more of my money to spend in ways I don't agree with.

Please get out of our lives and leave us alone. Who do you think you are...big brother! Mommy?
