## General Comment

President, not that he's worthy of the title, Obama should have been impeached a long time ago. He should have been impeached and Hilary Rotten Clinton... both should've been thrown out of office. I am completely blown away they've made it this far! All this cultural marxist corruption that they've applied to the system has to stop. If it doesn't stop, forget my pention, there won't be an America left.
