Comment on FR Doc # 2015-14921

Submitter Information

Name: Lisa Tait

General Comment

I do not believe the government should be able to tell me how I will use my retirement money that I have worked my whole life to earn. That is totally over stepping governments boundaries. If I have made the decisions about my retirement well enough to have earned money for retirement, I certainly don't need the government dictating how I can use my money! Stay out of my business!!
