Comment on FR Doc # 2015-14921

Submitter Information

Name: David Marion

General Comment

I have saved and planned for myself and my family. I have a higher power than any man or government that directs me and takes care of me. The government should have no say in my finances. What makes them think they can take care of me better than I can take care of myself. Leave my IRA an savings that I have built for my retirement alone.
