## General Comment

We the PEOPLE of America can handle our own retirement and we the PEOPLE do not want the Government entangled in any of our affairs. The Supreme Court is not able to make laws period. They are only to suggest as to whether a law is constitutional period. the Legislative Congress is the only entity that is Constitutionally allowed to make laws. Abortion is illegal and Unconstitutional and Gay Marriage taking that right away from the States is also Unconstitutional and a sham. America was created to have the right of choice for all Americans period and anything else is Unconstitutional and illegal period!!!!
