eastlake, OH, 45095

General Comment

I am competent and able to plan for my own retirement. Let people take responsibility for their own future. We don't need the government telling us what to do when it comes to personal finance. Let us make our own decisions whether they are good or bad. I do not want to or will I be dependent on the government when I work hard and plan for my future. This country should protect the people not tell them what to do!
