General Comment

To the government of the United States of America, land of the free and the brave:

We are very upset on all that is going on in America. Why are you trying to destroy it? We want our freedoms, we want to return to our basic--Bible and Constitution. You have no right to take away so much from us.

We expect our 401K, IRAs, our pension plans to be untouched by the DOL or anyone else. We have enough to worry about.

You have forgotten that you work for us. We do not want Socialism, Communism and we don't want a dictator.

Do you not fear God? Do you not know what has happened to the greedy, the evil, the ones who turn good to evil and evil to good. Stop making it so difficult for us.
