General Comment

I am a hard-working, single mom. I live with my parents because I am saving for retirement and my children's future. I have 401K's, a Roth IRA, a savings account and Coverdell savings for my children. I am also in the process of finally buying a home. I may need to use some of the Roth money as I have always intended to do so since the start, over 15 years ago! Thank you to all who have an idea that you may have a better idea for my money... but I'VE GOT THIS! I have been a responsible spender, a hard worker and I am confident that I am making my decisions the best way I can for my and my children's future. You get PLENTY of our money via taxes, both income and sales. LEAVE MY RETIREMENT ALONE!!!
