General Comment

My husband and I have worked hard to put aside a little money in an IRA over the years . . . we do not want anyone in the extremely inefficient and failing government to touch it in any way, shape or form . . . Keep your hands off our retirement savings!!!! No matter what sort of account we have it in, it's OURS, and the government has NO right to tell us how to plan for our "golden" years, or what to do with our money. Remember, it's "Of the people, by the people, and for the people . . .", not "Of the government, by the government, and for the government" . . . i may have that in the wrong order, but the meaning is the same.
