General Comment

Leave our retirement alone. I want to be able to use my retirement whenever and however I choose. No one has the right to decide that for me except me and my loved ones. I employ you to put a stop to the hostile takeover of our country. As long as I have been alive our country has never been in such a pokes condition. The moral compass of our country is worse than ever. The foundation of our country was built on the backs of GOD fearing people. The few, which include people that do not have the best interest of America and the Declaration of Independence nor its citizens, are changing or controlling things somehow. Stop changing the Greatest Country in the world. Leave our Rights alone.
