Subject: lifetime income RFI

I oppose any law, regulation, plan etc. that would allow any government agency to take possession of or mandate material changes of form of my retirement plans or IRAs, e.g., forcing me to buy government securities or any other financial instrument. This is MY HARD-EARNED MONEY and I am an adult with plenty of intellectual capacity to decide what to do with it. Any attempt to do anything else than LEAVE people's retirement plans and IRAs alone is theft befitting a banana republic, nothing more, nothing less. We really don't need "help" in ANY facet of our lives from Barack Obama, Nancy Pelosi, Harry Reid and their leechlike, self-interested, sanctimonious, corrupt ilk.

Sincerely,

Robert J. Marlowe
