1100 South Water Ave.

Gallatin, TN, 37066

**Email:** handsman@birch.net

**Phone:** 615-822-7687

**Fax:** 615-451-3724

---

## General Comment

It is essential to include the non-discrimination provision in the Patient Protection and Affordable Care Act. This country has embraced protectionism at the expense of free market enterprise for too long. This is especially true in health care. If you don't encourage a free market enterprise in health care you'll have more of what you already have. A system no one can afford and one out of every six or seven Americans disabled.
