Dear Kathleen Sebelius, Secretary of Health & Human Services,

On behalf of all women, everywhere, in this great country of ours THANK YOU for requiring health insurers to cover the full cost of contraception, with no co-pay, beginning in August 2012.

THANK YOU for your courageous decision to place the health of women, their families and their communities above partisan interests.

THANK YOU for this large step forward in womens' rights allowing women, no matter their economic level, to plan their families.

As a working woman, I have been shocked at times regarding the amount of co-payment that I have been required to pay for something that is indeed a health care necessecity, not a luxury.

Sincerely,

Angela Flood
