**Subject:** Re: preventive care under the new health care law, and to reject any exemptions for "religious employers"  
**Date:** Wednesday, August 10, 2011 9:10:36 PM

---

I join with the American Association of University Women (AAUW) in asking you to accept the recommendations of the Institute of Medicine as pertain to coverage of preventive care under the new health care law, and to reject any exemptions for "religious employers." These preventive services are a critical element of the new law and would provide countless women better access to necessary health care.
