**Subject:** HHS providing contraceptives  
**Date:** Wednesday, September 07, 2011 6:32:19 PM

---

There are already several places that give out contraceptives and birth control. we do not need our tax money giving these out also and funding abortions.  
We also need to stop plan parenthood with our tax money.  
Stop any marriage that is not Man and Woman.  
May God Bless

Sincerely,  
Dan Rykard
